(a) For purposes of clause 2452.242-71, the term “contract” shall also include task orders and purchase orders.

(b) The Contracting Officer shall insert a clause substantially the same as the clause at 2452.242-71, Contract Management System, in solicitations and contracts when all of the following conditions apply:

(1) A contract exceeds $1,000,000, including all options; and

(2) The contract is a completion type that requires the delivery of an overall end deliverable or solution (*e.g.,* evaluation, study, model).

(c) To the extent the clause will not normally be included in commercial contracts meeting the requirements stated in paragraphs (a) and (b) of this section, and in instances where the clause is to be incorporated, pursuant to FAR 12.301(f), a waiver to the standard commercial requirements, to include the clause, is not required.
