Subpart 1816.5—Indefinite-Delivery Contracts

Parent topic: PART 1816—TYPES OF CONTRACTS

1816.506-70 NASA contract clause.

Insert the clause at 1852.216-80, Task Ordering Procedure, in solicitations and contracts when an indefinite-delivery, task order contract is contemplated. The clause is applicable to both fixed-price and cost-reimbursement type contracts. The contracting officer shall use the clause with its—

(a) Alternate I, if the cost type, fixed price with prospective price redetermination, or fixed-price incentive contract does not include a NASA Form 533M reporting requirements; or

(b) Alternate II, if a fixed price contract is contemplated.
