Subpart 1832.10—Performance-Based Payments

Parent topic: PART 1832—CONTRACT FINANCING

1832.1005 Contract clauses. (NASA supplements paragraph (a))

(a) If the contract is for launch services, the contracting officer shall delete paragraph (f) of the clause at FAR 52.232-32 in accordance with 1832.1009.

1832.1009 Title.

In accordance with 42 U.S.C. 2465d, NASA shall not take title to launch vehicles under contracts for launch services unless one of the exceptions in the law applies. However, the law does not eliminate NASA's right to take title to other property acquired or produced by the contractor under a contract containing a title provision.
