

PGI 204.1870-1 Instructions to contracting officers.

Contracting officers shall—

- (a) Assist offerors in obtaining the required Commercial and Government Entity (CAGE) codes. Note that if an offeror's facility requires security clearance in accordance with a potential contract, the offeror is required to have a CAGE code assigned to that facility. If the facility is a location other than the offeror's office submitting the proposal, that facility is not required to be separately registered in the System for Award Management (SAM) in order to have a CAGE code assigned. Offerors may be directed to the DLA CAGE Branch (see PGI [204.1870-2](#) (c) for contact information);
- (b) Not deny a potential offeror a solicitation package because the offeror does not have a CAGE code, DUNS number, or TIN;
- (c) Not require a contractor to register sections or locations of their organization in SAM for reasons not already required by clauses present in their contracts in order to obtain a CAGE code; and
- (d) Not require a contractor to obtain new CAGE codes or change CAGE code records assigned to their locations solely for Government administration purposes (such as a result of a Government reorganization, change in Government contracting officer or office) or for distinction in Government systems beyond physical address and Electronic Funds Transfer (EFT) data.
