PGI 208.7004-8 Transportation funding.

The requiring department will advise the acquiring department or the transportation officer in the contract administration office of the fund account to be charged for transportation costs. The requiring department may cite the fund account on each MIPR or provide the funding cite to the transportation officer at the beginning of each fiscal year for use on Government bills of lading. When issuing a Government bill of lading, show the requiring department as the department to be billed and cite the appropriate fund account.
