PGI 215.404-71-4 Facilities capital employed.

(c) *Use of DD Form 1861 - Field pricing support.*

(i) The contracting officer may ask the ACO to complete the forms as part of field pricing support.

(ii) When the Weighted Guidelines Method is used, completion of the DD Form 1861 requires data not included on the Form CASB-CMF, i.e., distribution percentages of land, building, and equipment for the business unit performing the contract. Choose the most practical method for obtaining this data, for example—

(A) Contract administration offices could obtain the data through the process used to establish factors for facilities capital cost of money or could establish advance agreements on distribution percentages for inclusion in field pricing reports;

(B) The corporate ACO could obtain distribution percentages; or

(C) The contracting officer could request the data through a solicitation provision.
