PGI 235.010 Scientific and technical reports.

(b) The Defense Technical Information Center (DTIC) is responsible for collecting all scientific or technological observations, findings, recommendations, and results derived from DoD endeavors, including both in-house and contracted efforts. The DTIC has eligibility and registration requirements for use of its services. Requests for eligibility and registration information should be addressed to DTIC-BC Registration, 8725 John J. Kingman Road, Fort Belvoir, VA 22060-6218, or may be obtained at http://www.dtic.mil.
