

## 4.2201 Definitions.

As used in this subpart—

*Covered application* means the social networking service TikTok or any successor application or service developed or provided by ByteDance Limited or an entity owned by ByteDance Limited.

*Information technology*, as defined in 40 U.S.C. 11101(6)—

(1)Means any equipment or interconnected system or subsystem of equipment, used in the automatic *acquisition*, storage, analysis, evaluation, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data or information by the *executive agency*, if the equipment is used by the *executive agency* directly or is used by a contractor under a contract with the *executive agency* that requires the use—

(i)Of that equipment; or

(ii)Of that equipment to a significant extent in the performance of a service or the furnishing of a product;

(2)Includes computers, ancillary equipment (including imaging peripherals, input, output, and storage devices necessary for security and surveillance), peripheral equipment designed to be controlled by the central processing unit of a computer, software, firmware and similar procedures, services (including support services), and related resources; but

(3)Does not include any equipment acquired by a Federal contractor incidental to a Federal contract.
