## 517.202 Use of options.

- (a) Options may be used when they meet one or more of the following objectives:
- (1) Reduce procurement lead time and associated costs.
- (2) Ensure continuity of contract support.
- (3) Improve overall contractor performance.
- (4) Facilitate longer term contractual relationships with those contractors that continually meet or exceed quality performance expectations.
- (b) An option is normally in the Government's interest in the following circumstances:
- (1) There is an anticipated need for additional supplies or services during the contract term.
- (2) When there is both a need for additional supplies or services beyond the basic contract period and the use of multi-year contracting authority is inappropriate.
- (3) There is a need for continuity of supply or service support.
- (c) An option shall not be used if the market price is likely to change substantially and an economic price adjustment clause inadequately protects the Government's interest.
