

536.7003-1 Selection criteria.

(a) GSA will evaluate each potential contractor in terms of its:

(1) Experience - the scale, range, and complexity, including the media, materials, content, style, budget, and market value of the artist's work;

(2) Past Performance - previous work on contracts with Government agencies and private industry in terms of cost control, quality of work, and compliance with performance schedules;

(3) Capacity - the ability to accomplish the work in the required time;

(4) Overall Approach - brief written statement of an overall approach to the project; and

(5) Total Evaluated Price - for the design, development, fabrication and installation of the artwork.

(b) The combined weight of the technical evaluation factors shall be compared with price, *e.g.* significantly more important than price, approximately equal to price, significantly less important than price.

(c) The specific standards for each selection criterion may be tailored to suit the unique conditions of a particular project.

(d) The selection authority must approve the relative weights and standards established for the selection criteria before the selection process commences.
