538.7203 Administering Order-Level Materials in FSS contracts.

(a) Federal Supply Schedule Contracting Officers should consider requesting the assistance of members of the acquisition team responsible for contract administration functions (e.g., Administrative Contracting Officers, Industrial Operations Analysts) when evaluating the use of order-level materials at the FSS contract-level. Task or delivery orders including order-level materials placed against FSS contracts should be monitored to ensure special ordering procedures are being followed at GSAR 552.238-115(d).

(b) Except as stated in 552.238-115(d)(10), all terms and conditions that otherwise apply to the FSS contract also apply to order-level materials. For example, order-level materials must comply with the Trade Agreements Act clauses, the Environmental Attributes clause, and the Industrial Funding Fee and Sales Reporting clauses.
