3.503-1 Policy.

10 U.S.C. 4655 and 41 U.S.C. 4704 require that subcontractors not be unreasonably precluded from making direct sales to the Government of any supplies or services made or furnished under a contract. However, this does not preclude contractors from asserting rights that are otherwise authorized by law or regulation.

Parent topic: 3.503 Unreasonable restrictions on subcontractor sales.
