7.202 Policy.

- (a) Agencies are required by <u>10 U.S.C. 3242</u> and <u>41 U.S.C.3310</u> to procure *supplies* in such quantity as-
- (1) Will result in the total cost and unit cost most advantageous to the Government, where practicable; and
- (2) Does not exceed the quantity reasonably expected to be required by the agency.
- (b) Each *solicitation* for a contract for *supplies* is required, if practicable, to include a provision inviting each *offeror* responding to the *solicitation*-
- (1) To state an opinion on whether the quantity of the *supplies* proposed to be acquired is economically advantageous to the Government; and
- (2) If applicable, to recommend a quantity or quantities which would be more economically advantageous to the Government. Each such recommendation is required to include a quotation of the total price and the unit price for *supplies* procured in each recommended quantity.
