(2) The name, function, and activity of each Government employee and contractor official or employee involved in, or knowledgeable about, such conduct; and

(3) The identification of any documents and substance of any oral communication involved in such conduct.

(b) Following submission of this notice, the contractor shall continue performance in accordance with the contract terms and conditions, unless notified otherwise by the contracting officer.

(c) The contracting officer shall promptly, within 5 business days after receipt of notice from the contractor, respond to the notice in writing. In responding, the contracting officer shall either:

(1) Confirm that the contractor's notice identifies a change in the scope of the contract and directs the contractor to stop work, completely or in part, in accordance with the Stop Work provisions of the contract;

(2) Deny that the contractor's notice identifies a change in scope and instruct the contractor to continue performance under the contract; or

(3) In the event the contractor's notice does not provide sufficient information to make a decision, advise the contractor what additional information is required, and establish the date by which it should be furnished and the date thereafter by which the Government will respond.
