922.101-70 General (applicability of Management and Operating contractor basic labor policies to certain non-Management and Operating contracts).

(a) The policies and associated contract clauses in 970.2201 apply to the award and administration of non-Management and Operating contracts if:

(1) The contract work had been previously performed under a DOE Management and Operating contract; and/or

(2) The Contractor is required to employ all or part of the former Contractor's workforce; or

(3) The contract has been specifically designated by the Senior Procurement Executive.

(b) The non-M&O contracts described by paragraph (a) of this section may include, but are not limited to, contracts whose work is for:

(1) Environmental remediation;

(2) Decontamination and decommissioning;

(3) Environmental restoration;

(4) Infrastructure services for the site;

(5) Site closure at a current or former M&O contract site or facility; or

(6) Protective forces that provide physical security of sites at a current or former M&O contract site.
