Configuration Management

Section L

The offeror’s proposal shall describe the scope and effectiveness of the configuration control process and configuration management tools. The proposal shall include the degree of roles/responsibilities allocated to the Government and the role of the Government in the configuration management processes and decision making, including whether the Government will be included as a primary stakeholder in analyses, assessment, and/or implementation when the process will result in changes.

Section M

The Government will evaluate the proposal for how and the extent to which the scope and effectiveness of the configuration control process and configuration management tools and the degree of roles/responsibilities are allocated to the Government, and the role of the Government in the configuration management processes and decision making, including whether the Government will be included as a primary stakeholder in analyses, assessment, and/or implementation when the process will result in changes.
