Design Upgrade Approach

Section L

The offeror’s proposal shall describe the Government’s ability to analyze, assess, and support the execution of component level updates/enhancements, conduct regression testing, perform cybersecurity test, and integrate baseline changes (for resolving major to minor fixes) that preserve supportability, functionality, and key requirements in a cost effective manner.

Section M

The Government will evaluate the proposal for how and the extent to which the Government has the ability to analyze, assess, and support the execution of component level updates/enhancements, regression testing, perform cybersecurity test, as well as integrate baseline changes (for resolving major to minor fixes) that preserves supportability, functionality, and key requirements in a cost effective manner.
