# Diminishing Manufacturing Source and Material Shortage (DMSMS)

Section L

The offeror shall describe the efficiency and effectiveness of the proposed Diminishing Manufacturing Source and Material Shortage (DMSMS) approach. Specifically, the proposal should detail the roles and responsibilities of both the Contractor and the Government in the DMSMS process, including analyses, assessment, and implementation of changes.

The offeror's proposal shall clearly outline the respective roles and responsibilities of the Contractor and the Government in the DMSMS process. This includes how the Government is actively involved as a primary stakeholder during analyses, assessment, and/or implementation that result in changes.

Section M

The Government will evaluate the proposal for the efficiency and effectiveness of the proposed DMSMS approach and respective responsibilities of the Contractor and the Government.
