Maintenance Support Concept

<In this section, it may be necessary to address whether the transition efforts are expected to be included in the proposed approach for Contractor Logistics Support (CLS).>

Section L

The offeror’s proposal shall include a proposed approach for Contractor Logistics Support (CLS), to be utilized until the organic and/or third-party sustainment capability is established, and the proposed maintenance and logistics support concept at the field and sustainment levels. Discussion of the support concept should clearly explain any resulting reduction in lifecycle costs and logistics footprint as well as enhanced operational availability.

Section M

The Government will evaluate the proposal for how and the extent to which the proposed CLS maintenance and logistics support concept at the field and sustainment levels clearly demonstrates an optimal scenario of reduced lifecycle costs, reduced logistics footprint, and enhanced operational availability.
