Subpart 1309.2—Qualifications Requirements

1309.202 Policy.

(a) The designee authorized to establish qualification requirements is set forth in CAM 1301.70.

(b) The designee authorized to waive the requirements of FAR [9.202](#) (a)(1)(ii) through (4) for up to 2 years with respect to the item subject to the qualification requirement is set forth in CAM 1301.70. This waiver authority does not apply to the qualification requirements contained in a qualified product list, qualified manufacturer list, or qualification bidders list.

(c) The designee authorized to approve proceeding with a procurement, rather than delay the award in order to provide a potential offeror an opportunity to demonstrate its ability to meet the standards specified in the qualifications, is set forth in CAM 1301.70.

1309.206 Acquisitions subject to qualification requirements.

1309.206-1 General.

When the designee authorized in CAM 1301.70 determines that an emergency exists, or elects before or after award not to enforce a qualification requirement it had established, the qualification requirement may not be thereafter enforced unless the agency complies with FAR [9.202\(a\)](#).

Subpart 1309.4—Debarment, Suspension, and Ineligibility

1309.403 Definitions.

The designees authorized as the Debarring and Suspending Officials are set forth in CAM 1301.70.

1309.405 Effect of listing.

(a) Contracting officers shall review the Excluded Parties List System (EPLS) listing for contractors after the opening of bids or receipt of proposals and, again, immediately prior to award.

(b) The designee authorized to determine that a compelling reason exists to do business with a

debarred/suspended contractor is set forth in CAM 1301.70. This designation does not apply to FAR [23.506\(e\)](#).

1309.405-1 Continuation of current contracts.

(a) The designee authorized to direct the discontinuance of a contract or subcontract because of a debarment, suspension or proposed debarment is set forth in CAM 1301.70.

(b) A written determination must be issued by the designee authorized in CAM 1301.70 before the following actions can be taken with a contractor that is debarred, suspended or proposed for debarment:

(1) Place any orders exceeding the maximum on an indefinite delivery contract;

(2) Place orders under Federal supply schedule contracts, blanket purchase orders or basic ordering agreements; or

(3) Add new work or exercise options that extend the duration of a current contract or order.

1309.405-2 Restrictions on subcontracting.

The designee authorized to provide, in writing, compelling reasons for allowing Government consent to subcontracts with a contractor who is debarred, suspended or proposed for debarment is set forth in CAM 1301.70.

1309.406 Debarment.

1309.406-1 General.

Debarments and proposed debarments shall be effective throughout the Executive branch of the Government unless the designee authorized in CAM 1301.70 states in writing compelling reasons justifying DOC doing business with the contractor.

1309.406-3 Procedures.

(a) *Investigation and referral.* DOC employees shall immediately refer any cause that might serve as the basis for debarment through the contracting officer to the debarring official.

(b) *Decision-making process.* (1) Procedures shall afford the contractor, and any named affiliates, an opportunity to submit information and argument in opposition to the proposed debarment. This may be done in person, in writing or through a representative.

(2) In actions not based upon a conviction or civil judgment, where the contractor's submission raises a genuine dispute over facts material to the proposed debarment, the following procedures will be followed:

(i) Provide the contractor an opportunity to appear with counsel, submit documentary evidence, present witnesses and confront any person the agency presents;

(ii) A transcribed record of the proceeding will be made, unless the agency and contractor mutually agree to waive the requirement for a transcript. This transcribed record is available to the contractor at cost.

(c) *Notice of proposal to debar.* A notice of proposed debarment shall be issued by the debarring

official in accordance with FAR [9.406-3](#)(c)(1) through (7).

(d) *Debaring official's decision.* (1) For actions based upon a conviction or civil judgment, or when there is no authentic dispute over material facts, the debaring official's decision shall be based on all of the information in the administrative record plus any contractor-submitted data. If there is no suspension in effect, the decision shall be rendered within 30 working days after receipt of any information and argument submitted by the contractor. The debaring official can extend this timeframe for good cause.

(2)(i) When necessary, written findings of fact shall be prepared as to disputed material facts. The debaring official will utilize the information in the written findings of fact, the data submitted by the contractor plus any other information in the administrative record to develop the decision.

(ii) While the debaring official may refer matters involving disputed material facts to another official for findings of fact, the debaring official can disregard any such findings in whole or in part upon a determination that they are clearly erroneous.

(iii) After the conclusion of proceedings with respect to disputed facts, the debaring official will make a decision.

(3) When the proposed debarment is not based upon a conviction or civil judgment, the reason for debarment must be based on a preponderance of the evidence.

(e) *Notice of debaring official's decision.* FAR [9.406-3](#)(e)(1) establishes the notification procedures when a debarment has been imposed, while FAR [9.406-3](#)(e)(2) establishes the procedure when a debarment is not imposed.

(f) Procurement counsel shall assist and advise the debaring official at each stage of the decision-making process.

1309.407 Suspension.

1309.407-1 General.

Suspensions shall be effective throughout the executive branch of the Government, unless the designee set forth in CAM 1301.70 states in writing compelling reasons for continuing to do business with a suspended contractor.

1309.407-3 Procedures.

(a) *Investigation and referral.* DOC employees shall immediately refer any cause that might serve as the basis for suspension through the contracting officer to the suspending official.

(b) *Decision-making process.* (1) Procedures shall afford the contractor, and any named affiliates, an opportunity to submit information and argument in opposition to the proposed suspension. This may be done in person, in writing or through a representative.

(2) In actions not based upon an indictment, where the contractor's submission raises a genuine dispute over facts material to the proposed suspension and if no determination has been made, on the basis of Department of Justice advice, that substantial interests of the Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced, the following procedures will be followed:

(i) Provide the contractor an opportunity to appear with counsel, submit documentary evidence, present witnesses and confront any person the agency presents;

(ii) A transcribed record of the proceeding will be made, unless the agency and contractor mutually agree to waive the requirement for a transcript. This transcribed record is available to the contractor at cost.

(c) *Notice of suspension.* A notice of suspension shall be issued by the suspending official in accordance with FAR [9.407-3\(c\)](#)(1) through (6).

(d) *Suspending official's decision.* (1) For actions based upon an indictment, when there is no authentic dispute over material facts, in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official's decision shall be based on all of the information in the administrative record plus any contractor-submitted data.

(2)(i) When necessary, written findings of fact shall be prepared as to the disputed material facts. The suspending official will utilize the information in the written findings of fact, the data submitted by the contractor plus any other information in the administrative record to develop the decision.

(ii) While the suspending official may refer matters involving disputed material facts to another official for findings of fact, the suspending official can disregard any such findings in whole or in part upon a determination that they are clearly erroneous.

(iii) After the conclusion of proceedings with respect to disputed facts, the suspending official will make a decision.

(3) The suspension may be modified or terminated by the suspending official. However such a decision shall be without prejudice to the subsequent imposition of:

(i) Suspension by any other agency; or

(ii) Debarment by any agency.

(4) The suspending official's decision shall be sent to the contractor and any affiliates involved, in writing, by certified mail, return receipt requested.

(e) Procurement counsel shall assist and advise the suspending official at each stage of the decision-making process.

1309.503-70 Waiver.

(a) The need for a waiver of an organizational conflict of interest (OCI) may be identified by the contracting officer or by a written request submitted by an offeror or contractor. The contracting officer shall review all of the relevant facts and shall refer the matter to the Senior Bureau Procurement Official, who shall make a written recommendation to the Head of Contracting Activity whether a waiver should be granted to allow for a contract award or for continuation of an existing contract.

(b) Criteria for Waiver of OCIs. Issuance of a waiver shall be limited to those situations in which:
