SOFARS PART 5601
THE FEDERAL ACQUISITION REGULATION SYSTEM

SUBPART 5601.1 - PURPOSE, AUTHORITY, ISSUANCE

5601.101 Purpose.

This United States Special Operations Command Federal Acquisition Regulation Supplement (SOFARS) provides minimum essential implementation of the Federal Acquisition Regulation (FAR), and DOD FAR Supplement (DFARS).

5601.104 Applicability.

(Revised June 2017)

The SOFARS applies to all USSOCOM contracting offices that receive contracting authority from USSOCOM, Director of Procurement (DOP).

5601.170 Peer Reviews.

(Revised June 2017)

DPAP peer reviews. Required on competitive acquisitions over $1 billion and non-competitive acquisitions over $500 million. Follow the procedures located on the DPAP Peer Reviews website for requesting DPAP peer reviews. Internal reviews should be completed prior to or concurrent with DPAP peer review.

DPAP Peer Reviews leverage existing reviews; the following 5601-1 reviews serve as the DPAP peer review phases. A list of required documents and elements to be addressed are found in PGI 201.170-4. As a minimum, the Chief, cognizant LNO, and acquisition legal advisor will serve as reviewers for noncompetitive actions. As a minimum, the Chief, cognizant LNO, acquisition legal counsel, SSAC-Chair (if required), and SSA will serve as reviewers for competitive actions.

| Base greater than 1-year | Post Award Peer Reviews - midpoint of base year |
| Base 1-year or less | Post Award Peer Reviews - prior to exercise of each option period |

*Component peer reviews.* Preaward peer reviews for competitive solicitations valued at less than $1B and non-competitive solicitations valued at less than $500M must be accomplished by complying with the RFP, Business, and Contract Clearances requirements defined in SOFARS 5615.001 at the thresholds outlined in 5601-1.

**SUBPART 5601.2 - ADMINISTRATION**

5601.201 Maintenance of the FAR.

5601.201-1 The Two Councils.

*(Revised April 2008)*

(d)

The Procurement Management Division (SOF AT&L-KM) is the focal point for all matters pertaining to FAR, DFARS, and SOFARS. DCG

Proposed revisions to FAR or DFARS shall be presented in the format prescribed in DFARS 201.201-1(d)(j) to SOF AT&L-KM. SOF AT&L-KM shall forward proposed revisions as appropriate to the Director, DAR Council. When changes to FAR or DFARS are published and make coverage in SOFARS obsolete or contradictory, FAR or DFARS provisions shall take precedence.

Proposed changes to SOFARS must include all supporting documentation and be self-sustaining. Follow the procedures found in the DCG for submitting change requests.

**SUBPART 5601.3 - AGENCY ACQUISITION REGULATION**

5601.301 Policy.

(a)(2)
Each contracting office may establish and maintain local contracting publications that further explain procedures for subject matters unique to its location. Office publications shall be kept to a minimum and be made available in electronic media.

5601.304 Agency Control and Compliance Procedures.

(Revised September 2014)

(4)

As used in this section, the term clause includes provisions and means a term or condition of the type set forth in FAR Part 52, DFARS Part 252 and 5652.

One-time use clauses must be approved by the Chief, Contracting Office. Forward a copy of approved clauses to SOF AT&L-KM.

One-time clauses may be authorized for repetitive local use if that clause is conducive to use by a single office due to unique circumstances. The Chief of the Contracting Office shall request authorization to repetitively use a local clause through the SOF AT&L-K liaison office.

Requests shall be submitted in writing and include a copy of the clause(s), sufficient justification as to why existing SOFARS clauses cannot be used, why the clause is needed, and why the clause is not suitable for inclusion in the SOFARS.

Approvals granted by the DoP shall include an expiration date.

Local clauses used repetitively and are conducive to command-wide use may be proposed for inclusion in SOFARS and shall be submitted to SOF AT&L-KM for approval in accordance with the format outline in DFARS 201.201-1(d)(i).

SOF AT&L-KM shall conduct an annual review of all SOFARS clauses in use. Reviews may recommend retention, deletion or modification of the existing clauses.

SUBPART 5601.4 - DEVIATIONS FROM THE FAR

(Revised June 2017)

5601.403 Individual Deviations. DCG

(2)

(i) The DoP is the approval authority within USSOCOM for FAR and DFARS individual deviations except for the individual or class deviations at DFARS 201.402(1).

(ii) SOF AT&L-KM shall approve deviations to SOFARS.

SUBPART 5601.6 - CAREER DEVELOPMENT, CONTRACTING AUTHORITY AND RESPONSIBILITIES

(Revised June 2018)

5601.601 General.

Title 10, United States Code (U.S.C.), section 167(e)(4)(B), provides that the Commander, United States Special Operations Command, has the authority to exercise the functions of the Head Of Agency under Chapter 137 of Title 10, U.S.C., subject to the authority, direction and control of the Secretary of Defense. In addition, the Director of Defense Procurement has delegated to the Commander, USSOCOM, the authority to act as:

(i) Senior Procurement Executive (SPE) for USSOCOM, except for such actions that by terms of statute or any other delegation must be exercised by the Under Secretary of Defense (Acquisition and Technology); and,

(ii) Head Of Agency (HOA) for those functions prescribed by FAR and DFARS that are in addition to those exercised under Chapter 137 of Title 10, U.S.C., pursuant to 10 U.S.C., Section 167(e)(4)(B).

The Commander, USSOCOM, has delegated all delegable HOA and SPE authority to the Director, Special Operations Forces Acquisition, Technology, and Logistics Acquisition Executive (SOAE). The SOAE establishes policies, directs, and supervises USSOCOM activities with respect to contracting, acquisition, and related matters. The USSOCOM Staff Judge Advocate is the legal advisor to the Commander, USSOCOM, and SOAE.

The SOAE has further delegated the authority to exercise certain HOA functions to the DoP with the power of redelegation. Exceptions to this delegation include those actions reserved by FAR and DFARS for Senior Executive Service (SES) members, Flag Officers, General Officers, or the authority for the actions required by the agency head in the following:
The following function cannot be delegated below the SES, Level IV (for USSOCOM the SPE):

FAR 32.006

In accordance with the FAR, the following functions are not delegable below the HOA:

FAR 23.506
FAR 27.306

The following function cannot be delegated below the Secretary of Defense:

DFARS 206.302-7

The DoP shall maintain Head of Contracting Activity (HCA) authority as designated throughout the FAR and DFARS. This authority is delegable in the absence of the DOP as permitted by the FAR and DFARS.

The DOP or DDOP is responsible for the first-level performance appraisal of all military and civilian headquarters contracting division or field contracting office chiefs.

Unless otherwise specified in SOFARS, the approval level for contracting actions shall be the Contracting Officer.

The HOA authority to determine when acquisitions support contingency operations, humanitarian or peacekeeping operations, facilitate the provision of international disaster assistance, support response to emergency or major disasters, or facilitate defense against or recovery from cyber, nuclear, biological, chemical, or radiological attack, is delegated to USSOCOM headquarters
contracting divisions and field contracting office chiefs.

Once the determinations have been made in writing and included in each file, the following authorities may be utilized:

FAR 13.000
FAR 13.201(g)
FAR 13.500(c)
FAR 18.2
DFARS 211.274-2(b)(1)

(Removed June 2018)

5601.602 Contracting Officers. DCG
(Revised November 2018)

Based upon the authority of the USSOCOM Head of Agency Contracting Authority, the DoP shall issue all contracting officer warrants for the command.

Limited Warrants - Any limitations identified on the warrant are based on the individual contract action.

HCD/FCO Chiefs ultimately, have responsibility to ensure that limited authorities are utilized appropriately to meet organizational needs and are in the best interest of the government

The office of the contracting officer must be organizationally situated to minimize any potential for undue influence and protect contracting officers from intra-organizational pressure to perform improper acts.

Personnel in other than the 1102 classification series are prohibited from being appointed or serving as Contracting Officers. This requirement is not waivable on either an individual or class basis.

Commanders and others having administrative supervision over contracting officers must bear in mind that actions exceeding the authority of a contracting officer are not binding on the Government. Therefore, they shall not direct, or otherwise exert influence, upon a contracting officer(s) to take such actions.
It is the function of the USSOCOM Directorate of Procurement (SOF AT&L-K) to ensure that all the business decisions made in support of procurements are examined and the decisions are validated. Review and approvals will be conducted IAW Attachment 5601-1 and guidance found in the DCG. Ensure all the documents required to sustain the contracting action are included when submitting the decision for review and approval. Contracting officers shall maximize the use of electronic transmission for all documents submitted for review and approval to the appropriate SOF AT&L-K liaison officer.

All documents and working papers will be marked and safeguarded in accordance with FAR 3.1.

The Contracting Officer is the appointing official for Ordering Officers. Ordering Officer authority is limited to the following:

Micro-purchases in accordance with FAR 13.201(a), using the government purchase card or the SF 44;

Micro-purchases in accordance with FAR 13.201(g) when approved by the DoP in accordance with 5613.306(a)(1).

Placing unilateral delivery orders against pre-priced, indefinite delivery type supply and service contracts up to $25,000, provided the contract terms so permit;

Placing delivery orders or verbal orders for up to $25,000 against Federal Supply Schedule, The Federal Prison Industries, Inc., or the National Industries for the Blind or other Severely Handicapped; or
Placing individual orders against indefinite delivery type contracts for the preparation of personal property for shipment by the government provided the contract terms so permit.

(b) Contracting officers must develop and conduct advanced ordering officer training sufficient to prepare the ordering officer for the increased responsibilities when authorized to purchase single actions greater than $3,000. Training must include but is not limited to:

- How to conduct FAR compliant competition;
- Proper documentation of competition results;
- Reporting actions in accordance with DFARS 204.670;
- Maintaining the order file.

(c) Contracting officers must conduct one hundred percent (100%) surveillance on all transactions over $3,000. Perform surveillance within thirty (30) days of transaction when such action will not compromise the mission of the deployment, organization, or unit.

5601.602-3 Ratification of Unauthorized Commitments. See DCG for required procedures.

Per the requirements of FAR 1.602-3(b)(2) and (3), ratification authority for all actions shall be reviewed and approved per Attachment 5601-1.

5601.602-3-90 Procedures. (Removed November 2018)

5601.603 Selection, Appointment, and Termination of Appointment.

5601.603-3 Appointment. DCG

(Revised March 2009) (Revised September 2013-reorganization)

The Chief, Contracting Office, will forward nominations for Contracting Officer Appointment to SOF AT&L-KM or SOF AT&L-KX as appropriate.

5601.603-3-90 Appointment of Contingency Contracting Officers.

(Revised September 2013-reorganization)

All Contingency Contracting Officer (CCO) warrants are subject to the limitations of USSOCOM business and contract clearance procedures. Contingency warrants are further limited to the duration of the contingency or deployment and are only valid while actually deployed in support of a contingency operation. Selection procedures shall comply with 5601.603-3.

All CCOs shall attend the Defense Acquisition University (DAU) Contingency Contracting Course (CON 234) prior to deployment. A waiver may be requested from the DOP if this requirement cannot be met due to the urgency and immediacy of the mission.
All contracting office chiefs shall notify SOF AT&L-KX of the deployment and redeployment of contingency contracting officers to overseas locations when contracting authority is granted by a USSOCOM issued warrant.

5601.604 Contracting Officer's Representative. DCG

(Revised January 2018)

The Contracting Officer (KO) shall request and the requiring activity (i.e. each Center, Component, and/or Theater Special Operations Command (TSOC)) shall nominate a Contracting Officer's Representative (COR) in accordance with DoD Instruction 5000.72, DoD Standard for Contracting Officer's Representative (COR) Certification for all service contracts, including construction unless the conditions at DFARS PGI 201.602-2(d)(v)(A) are met.

The KO will determine if a single COR or multiple/alternate CORs are required to assist in technical monitoring or administration of a contract. In addition to CORs, the following may be assigned based on the nature of the effort:

Primary Contracting Officer's Representative (PCOR) - PCORs may be assigned by the KO; PCOR responsibilities are non-delegable. The PCOR will serve as the senior technical advisor to the KO and will execute KO designated contract management responsibilities via a network of CORs. The PCOR may be responsible for functional oversight of KO-designated CORs but does not have any supervisory authority over the CORs.

Technical Representative (TR) - The TR is designated by the COR via the TR letter of appointment and is accountable to the COR for performance of his or her designated duties and responsibilities.

Minimum COR competencies, experience and training will be based on the contract's dollar value, complexity, and performance risk. One of the following types of standards will be assigned.

**Type A**: Fixed-price contracts without incentives and low performance risk.

**Type B**: Fixed-price contracts with incentives; fixed-price contracts with other than low performance risk; and other than fixed-price contracts. This includes everything other than Types A and C.

**Type C**: Unique contract requirements that necessitate the COR have a higher education or specialized training beyond the Type B requirements.

Procedures.
KO, Requiring Activity or COR Management, and COR Nominee/COR shall follow the procedures in DoDI 5000.72 Enclosure 3 when requesting, nominating, and designating a COR.

The KO will determine if a COR needs to file an OGE Form 450 based on the COR's designated duties and responsibilities. A COR should be designated as an OGE Form 450 filer if the COR will exercise significant judgment without substantial supervision and review. The COR supervisor will ensure the COR has completed the OGE Form 450, if applicable.

COR Documentation:

COR nomination and documentation shall be IAW DoDI 5000.72 Enclosure 4.

**KO request for a COR to Requiring Activity** must include the following:

As applicable: procurement request number, solicitation/contract number or program name;

The type of standard (i.e., Type A, B, or C), responsibilities identified for COR performance, and qualifications, such as training and experience (i.e., technical and agency specific), in accordance with Enclosure 5 of DoDI 5000.72. See Enclosure 6 of DoDI 5000.72 for examples of COR Responsibilities and COR Certification Requirements;

The anticipated period of performance of COR responsibilities;

Whether the COR nominee will participate in pre-award activities;

A deadline for receipt of the COR nomination package;

The necessary security clearance the COR nominee must have for the contract;

Whether the COR will be designated as an OGE Form 450 filer;

If there will be a recommendation to waive experience requirements, the basis for the waiver (e.g. exempt APDP levels/job series) must be addressed and included in the COR nomination package.

COR Designation letter from the KO must include the following:

Identify the COR by name and position;
Identify the contractor and contract number, including task or delivery order number, and date of award;

Specify that the designation is pursuant to the authority in FAR 1.602-2;

Specify the extent of the COR's authority to act on behalf of the contracting officer, such as specific roles and responsibilities designated to the COR;

Specify the limitations on the COR's authority;

Identify the period covered by the designation;

Specify the authority is not re-delegable, and cannot be re-designated or transferred;

Specify the COR may be personally and financially liable for unauthorized acts;

Address standards of conduct and personal conflicts of interest, either real or apparent;

Certify the COR meets the qualification requirements established in this instruction for the specific type of standard;

Stipulate whether the COR will be a departmental accountable official (DAO). The COR will be a DAO if their responsibilities include providing information, data, or services that are directly relied on by the certifying official in the certification of vouchers for payment (i.e., public vouchers on a cost reimbursement contract);

Specify the COR is responsible for notifying COR management and the contracting officer if unable to continue performance as the COR;

Where applicable, specify that the COR must file an OGE Form 450;

Designate the COR as an Assessing Official Representation (AOR) supporting the CPAR process;

Stipulate that the COR will be required to have access to the Synchronized Pre-Deployment & Operation Tracker (SPOT); and

Stipulate that the COR will be required to have access to the Enterprise Contract Manpower Reporting Application (eCMRA);

Qualification Requirements for CORs
COR qualifications including minimum training, experience, and refresher training shall be IAW DoDI 5000.72 Enclosure 5.

All COR training must be completed before undertaking COR responsibilities.

The KO, at the request of COR management, may waive agency experience requirements.

COR Performance and Appraisal:

The KO will provide an annual assessment on the COR's performance to the COR supervisor. If performance is inadequate, the KO must provide a written assessment and discuss performance with the COR. If reports or performance continue to be inadequate, notify both the COR and requiring activity or COR management that the COR designation is (will be) terminated and request nominations for a replacement COR. Only the KO can terminate appointment.

The COR's supervisor will ensure COR participation in the pre-award process and performance of COR duties/responsibilities are properly addressed in the COR's annual performance appraisal.

Examples of COR Responsibilities and Certification Requirements: See DoDI 5000.72 Enclosure 6.

Contracting Officer's Representative Tracking Tool (CORT-T): SOCOM activities shall use the CORT-T for COR nomination and appointment. CORT-T is available at https://wawf.eb.mil. The COR and COR supervisor must have a Wide Area WorkFlow (WAWF) and be a registered CORT-T user in order to complete the nomination package.

IAW OUSD(AT&L) memorandum, dated February 10, 2014, Update to the Department of Defense Contracting Officer Representative Tracking Tool, classified contracts are waived from this requirement. The KO will accomplish an annual administrative review of COR files.

IAW SORDAC-K memorandum, dated December 1, 2014, The Contracting Officer Representative Tracking Tool and Wide Area WorkFlow e-Business Suite V5.6.0 Deployment Plan, contracts that are either reported in ECITS or are not for public release are waived from the CORT-T mandate.

See DCG for templates to request COR support, COR designation, and COR termination.

SUBPART 5601.7 - DETERMINATIONS AND FINDINGS

(Added June 2018)

5601.704 Content.
Unless otherwise noted in the SOFARS or DCG, there is no prescribed format or form for determinations and findings (D&Fs); however, D&Fs are required to contain the information specified in FAR 1.704 and any information that is required by the specific FAR or DFARS section under which the D&F is issued. DPAP provides examples which can be found at the following link DoD listing.
