SMALL BUSINESS PROGRAMS

1819.001 Definitions.

“High-Tech” as used in this part means research and/or development efforts that are within or advance the state-of-the-art in a technology discipline and are performed primarily by professional engineers, scientists, and highly skilled and trained technicians or specialists.

Subpart 1819.2—Policies

1819.201 General policy.

(a)(i) NASA is committed to providing to small, veteran-owned small business, service-disabled veteran-owned small business, HUBZone, small disadvantaged, and women-owned small business concerns, maximum practicable opportunities to participate in Agency acquisitions at the prime contract level. The participation of NASA prime contractors in providing subcontracting opportunities to such entities is also an essential part of the Agency's commitment. The participation of these entities is emphasized in high-technology areas where they have had low involvement level.

(ii) NASA biennially negotiates Agency small business prime and subcontracting goals with the Small Business Administration pursuant to section 15(g) of the Small Business Act (15 U.S.C. 644). In addition, NASA has an annual goal of five percent for prime and subcontract awards to SDBs and WOSBs; and a three percent goal for HUBZone and service-disabled veteran owned small business concerns.

(d) The Associate Administrator (AA) for the Office of Small Business Programs (OSBP) is the Agency official responsible for carrying out the duties in FAR 19.201(d).

(e)(i) The Center Director along with the AA for the Office of Small Business Programs shall designate a qualified individual in their contracting office as a small business specialist to provide a central point of contact to which small business concerns may direct inquiries concerning small business matters and participation in NASA acquisitions. The small business specialist shall also perform other functions specifically set forth in 1819.201(e)(ii) or that the procurement officer may prescribe, with the concurrence of the AA for the Office of Small Business Programs, for implementing the Small Business Program. When the Center Director considers that the volume of acquisitions or the functions relating to acquisitions at the center do not warrant a full-time small business specialist, these duties may be assigned to procurement personnel on a part-time basis. However, whether full-time or part-time, that assigned individual, when performing the duties of a small business specialist, shall report directly to the Procurement Officer.

(ii) Small business specialists appointed under paragraph (e)(i) of this section shall perform the following duties, as the procurement officer determines appropriate to the installation:

(A) Maintain a program designed to locate capable small business sources, for current and future acquisitions.

(B) Coordinate inquiries and requests for advice from small business concerns on acquisition matters.

(C) Before issuance of solicitations or contract modifications for additional supplies or services, determine that small business concerns will receive adequate consideration, including making recommendations to the contracting officer for initiation of set-asides (see FAR 19.5, 19.8, 19.13,

19.14 and 19.15) and for taking action in accordance with FAR 19.506(b), 1819.202, and 1819.502-70. Participate and provide input early in the acquisition planning phase of proposed acquisitions, including procurement strategy meetings.

(D) If small business concerns cannot be given an opportunity to compete because adequate specifications or drawings are not available, work with appropriate technical and contracting personnel to ensure that necessary specifications or drawings for current or future acquisitions will be available.

(E) Review acquisitions for possible breakout of items suitable for acquisition from small business concerns.

(F) Advise small business concerns regarding financial assistance available under laws and regulations, assist such concerns in applying for such assistance, and ensure that small business concerns' requests for financial assistance are not treated as a handicap in securing the award of contracts.

(G) Participate in responsibility determinations (see FAR 9.103) when small business concerns are involved.

(H) Participate in the evaluation of prime contractors' small business subcontracting programs, on both a pre-award and post-award basis (see FAR 19.705-4).

(I) Review and make appropriate recommendations to the contracting officer on any proposal to furnish Government-owned facilities to a contractor if such action may hurt the Small Business Program.

(J) Ensure that participation of small business concerns is accurately reported.

(K) Act as liaison between contracting officers and SBA area offices and representatives in connection with set-asides, certificates of competency, and any other matters in which the Small Business Program may be involved.

(L) In cooperation with contracting officers and technical personnel, to include the small business technical advisor and the small business technical coordinators, seek and develop information on the technical competence of small business concerns for research and development and other high tech contracts. Regularly bring to the attention of contracting officers and technical personnel descriptive data, brochures, and other information regarding small business concerns that are apparently competent to perform research and development work in fields in which NASA is interested.

(M) When a small business concern's offer has been rejected for nonresponsiveness or nonresponsibility, assist that concern, upon its request, in understanding such requirements for future awards.

(N) Advise center personnel, as necessary, on new Governmentwide and Agency-approved small business programs and initiatives.

(O) Review bundling documents for adequacy and mitigate impact to small business concerns as a result of bundling.

(P) Assist small business concerns with payment issues.

1819.202 Specific policies.

(a) Requirements. The contracting officer shall complete a [NASA Form \(NF\) 1787](#), Small Business Coordination, for the following:

(1) All acquisitions over the simplified acquisition threshold.

(2) All acquisitions above the micro-purchase level and below the simplified acquisition threshold that are not set-aside for small business.

(3) All modifications adding new work that is outside the authority of the "Changes" clause in the existing contract.

(4) All task and delivery orders above the micro-purchase level against multiple award contracts, GWACs, and FSS that are not set-aside for small business.

(5) All orders above the micro-purchase level against Basic Ordering Agreements and Blanket Purchase Agreements that are not set-aside for small business.

(6) All acquisitions where contract bundling or consolidation is contemplated (see FAR 2.101).

(b) Exceptions. A [NF 1787](#) is not required for the following:

(1) Modifications that do not increase the scope of the contract, including the exercising of a contract option which is within the scope of the existing contract, provided the [NF 1787](#) covering the basic contract was concurred by the Center Small Business Specialist and the SBA PCR.

(2) Repeat acquisitions, above the micro-purchase level, for the same supplies or services ordered previously, and the supplies or services are only available from a source that is other than a small business. The Center Small Business Specialist and the SBA PCR must have concurred previously via a Master [NF 1787](#) that the requirement qualifies for this exception.

(3) Orders issued under a single-award, indefinite-delivery contract.

(4) Solicitations and contracts under the SBIR/STTR program.

(5) Acquisitions from mandatory sources set forth in FAR 8.002(a).

(6) Broad Agency Announcements.

(c) Repeat buys. A Master [NF 1787](#) can be used for repeat acquisitions, above the micro-purchase level, for the same supplies or services that are only available from a source that is other than a small business. The contracting officer can propose a Master [NF 1787](#) and document its use in the form's "Remarks" section (Block 11). The Master [NF 1787](#) shall be concurred by the Center Small Business Specialist and the SBA PCR, and a copy of the Master [NF 1787](#) shall be retained in the contract file for each acquisition.

(d) Procedures.

(1) The [NF 1787](#) shall be submitted to the Center Small Business Specialist (SBS) and SBA

Procurement Center Representative (PCR) for concurrence before synopsis in FedBizOpps.

(2) For those requirements exempted from synopsis, the [NF 1787](#) shall be submitted to the Center SBS and SBA PCR for concurrence prior to the release of the solicitation or offering of the requirement to the SBA under the 8(a) program.

(3) Contracting officers shall coordinate acquisition strategies or plans contemplating consolidation or bundling with the Center SBS and SBA PCR at least 30 working days before issuing a solicitation. The Center SBS shall notify the Headquarters Office of Small Business Programs (OSBP) when acquisition strategies involve contract consolidation or bundling that is determined to be unnecessary or unjustified. See FAR 2.101 and FAR 7.107 for the definitions of consolidated and bundled contracts.

(4) The contracting officer shall make every reasonable attempt to coordinate and collaborate with the SBA PCR in small business determinations. However, the small business determination may be made unilaterally by the contracting officer, in consultation with the Center SBS, when—

(i) The SBA PCR is unavailable;

(ii) The SBA PCR declines consideration of the action; or

(iii) The acquisition is covered under an existing Center/SBA memorandum of agreement; or

(iv) The SBA PCR does not request an extension or respond within—

A. Two (2) working days after receipt, but no longer than five (5) working days under unusual circumstances; or

B. Fifteen (15) working days for acquisitions involving consolidation or bundling.

(5) If the Center SBS or SBA PCR does not concur with the contracting officer's recommendation, the contracting officer shall comply with the procedures for resolution set forth at FAR 19.505 and NFS 1819.502-70.

The contracting officer shall separately report, in accordance with [1804.6](#), awards of the non-set-aside portions of small business set-aside acquisitions.

1819.505 Rejecting Small Business Administration recommendations.

See 1819.502-70.

Subpart 1819.6--Certificates of Competency and Determinations of Responsibility

1819.602 Procedures.

1819.602-1 Referral.

(a) On proposed awards exceeding the simplified acquisition threshold, the contracting officer should consider requesting a preaward survey (see FAR 9.106) before determining that a responsive small business firm is not responsible. The scope of the preaward survey request should be limited to those elements of responsibility that are questioned.

(2) The contracting officer shall forward a copy of the referral to SBA through the procurement

officer to the Headquarters Office of Small Business Programs.

1819.602-3 Resolving differences between the agency and the Small Business Administration.

1819.602-370 NASA procedures.

(a) When agreement cannot be reached between the contracting officer and the SBA Area Office, the contracting officer shall forward to the Headquarters Office of Procurement, Program Operations Division, on an expedited basis, a complete case file with a request that the case be considered for appeal to SBA Headquarters. The contracting officer shall include the data already furnished to SBA, SBA's rationale for proposing to issue a COC, and the contracting officer's comments. The contracting officer shall suspend acquisition action until informed by Program Operations Division of the final decision in the case.

(b) If the referral to SBA should be withdrawn and a contract awarded without benefit of a COC, the Program Operations Division shall inform the contracting officer.

(c) If the Office of Procurement agrees with the contracting officer's recommended appeal action, the Senior Procurement Executive shall forward the appeal through the Office of Small Business Programs to SBA Headquarters.

Subpart 1819.7—The Small Business Subcontracting Program

1819.704 Subcontracting plan requirements.

(a)(10)(iii)(A) The Individual Subcontracting Report shall include goals as a percent of total contract value as well as a percent of total subcontract dollars.

(b)(1) Master subcontracting plans - Pursuant to FAR 19.704(b), offerors and contractors may submit or establish, a master subcontracting plan on a plant or division-wide basis. The master subcontracting plan, which is effective for three years, may be approved by a contracting officer at another Federal agency within the past three years, or it may be an original master subcontracting plan first submitted to NASA for approval. In either case, contracting officers may consider incorporating a master subcontracting plan into an individual subcontracting plan for a specific NASA contract once the subcontracting goals for that contract are established.

(2) Contracting officers are not required to consider or accept a master subcontracting plan approved by a contracting officer at another Federal agency when—

(i) The master plan is not deemed to be compliant with FAR 52.219-9;

(ii) There is no evidence of a contracting officer's approval of the master plan;

(iii) The date of contracting officer approval of the master plan exceeds three years;

(iv) The master plan is not accompanied by goals for the specific requirement;
or

(v) The master plan does not address deviations deemed necessary by the contracting officer to satisfy the requirements of a specific contract.

(3) For purposes of approving subcontracting plans, contracting officers should fully evaluate an offeror's master subcontracting plan previously approved by a contracting officer at another Federal agency. The cognizant NASA contracting officer is responsible for reviewing and approving a master subcontracting plan first submitted to NASA. When a contractor submits more than one initial master subcontracting plan to NASA in the same timeframe, the center contracting officer administering the contract having the greatest contract value is responsible for reviewing and approving the contractor's master subcontracting plan for the agency.

(4) The master subcontracting plan may be used by all centers after a NASA contracting officer approves it. A copy of all center approved master subcontracting plans shall be forwarded by email to the cognizant program manager in the Headquarters Office of Small Business Programs for awareness.

[PN 18-03]

1819.705-2 Determining the need for a subcontracting plan.

(d) Solicitations for competitive negotiated acquisitions shall require proposed subcontracting plans with initial proposals (see 1819.708(b)(1)). For sole source negotiated acquisitions, the contractor shall be required to submit a proposed subcontracting plan with the proposal.

1819.705-4 Reviewing the subcontracting plan.

For unrestricted solicitations:

(a) NASA Policy Directive (NPD) 5000.2, Small Business Subcontracting Goals, establishes steps that shall be performed to ensure that the maximum practicable subcontracting opportunities.

(b) The recommended SDB goals in solicitations shall be expressed as a percentage of total contract value and shall not exceed 5%.

(c) When opportunities for subcontracting are so limited for a particular small business subcategory such that the contracting officer is unable to suggest a subcontract goal, the contracting officer can forego establishing a recommended subcontracting goal for that subcategory in the solicitation.

1819.705-470 Acquisition-specific subcontracting goals.

Section 1819.201 addresses agencywide goals at the combined prime and subcontract levels. Appropriate subcontracting goals for an individual acquisition, however, are to be independently determined on the basis of the specific circumstances of the acquisition, consistent with FAR 19.705-4, and not on the basis of an agencywide or center goal. Acquisition-specific subcontracting goals should reflect maximum practicable opportunities for all categories of small business concerns to participate in NASA programs, consistent with efficient performance. Subcontracting plans shall express goals as a percentage of both (1) total contract value and (2) total subcontract dollar. Contracting officers shall use the methods outlined in NPD 5000.2 to establish reasonable subcontracting goals for small, veteran-owned small business, service-disabled veteran-owned small business, HUBZone, women-owned small business concerns, and Historically Black Colleges & Universities and Minority Institutions.

1819.705-6 Postaward responsibilities of the contracting officer.

(h) Acknowledging receipt of the SSR in eSRS will be accomplished by the Headquarters Office of Small Business Programs.

1819.708 Contract clauses.

(b)(1) The contracting officer shall use the clause at FAR 52.219-9 with its Alternate II when contracting by negotiation.

1819.708-70 NASA solicitation provision and contract clause.

(a) The contracting officer shall insert the provision at [1852.219-73](#), Small Business Subcontracting Plan, in invitations for bids containing the clause at FAR 52.219-9 with its Alternate I. Insert in the last sentence the number of calendar days after request that the offeror must submit a complete plan.

(b) The contracting officer shall insert the clause at [1852.219-75](#), Individual Subcontracting Reports, in solicitations and contracts containing the clause at FAR 52.219-9, except for contracts covered by an approved commercial subcontracting plan.

Subpart 1819.8—Contracting with the Small Business Administration

(The 8(a) Program)

1819.800 General.

(f) NASA and the Small Business Administration maintain a [Partnership Agreement](#) (PA) to allow direct contracting with 8(a) firms by NASA.

(1) By PA dated November 27, 2012, between the Small Business Administration (SBA) and NASA, the SBA has delegated to each NASA installation and to NASA contracting officers, its authority under

section 8(a)(1)(A) of the Small Business Act to enter into section 8(a) prime contracts, and its authority under section 8(a)(1)(B) of the Small Business Act to award the performance of those contracts to eligible section 8(a) program Participants. This authority is delegated and shall remain in effect until modified or cancelled.

(2) The PA provides for the award of both contracts and purchase orders. It encompasses all competitive and non-competitive requirements offered and accepted by SBA into the 8(a) program including but not limited to: Acquisition of Commercial Items (FAR Part 12); awards under the Simplified Acquisition Procedures (FAR Part 13); awards resulting from Sealed Bidding (FAR Part 14); Contracting by Negotiation (FAR Part 15); and Construction and Architect Engineer Contracts (FAR Part 36).

(3) The PA allows NASA to award contracts and purchase orders directly to the 8(a) Participant. A SBA signature on the contract or purchase order is not required.

(4) The PA modifies certain sections of FAR 19.8 as listed below. For any section not listed below, the contracting officer shall follow FAR 19.8.

1819.801 Reserved.

1819.804 Evaluation, offering, and acceptance.

1819.804-2 Agency offering.

(d) The notification shall clearly indicate that the offer is being processed under the PA. All notifications shall be faxed or e-mailed to the SBA when possible. In addition to the information required by FAR 19.804-2(a)-(c), the notification shall address whether—

(1) SBA acceptance or rejection of the offer is required to be transmitted to NASA within five working days of receipt of the offer. The letter should request that the SBA response be faxed or e-mailed to NASA;

(2) For sole source offers above the simplified acquisition threshold, that acceptance shall include a size verification and a determination of the 8(a) Participant's program eligibility, and that upon acceptance, the contracting officer will solicit a proposal, conduct negotiations, and make award directly to the 8(a) firm; or

(3) For competitive offers above the simplified acquisition threshold, that upon acceptance, the contracting officer will solicit offers and conduct source selection.

(4) For acquisitions valued at or below the simplified acquisition threshold no offering or acceptance letter is required.

1819.804-3 SBA acceptance.

(a) Upon receipt of the contracting agency's offer, the SBA will determine whether to accept the

requirement for the 8(a) Program. The SBA's decision whether to accept the requirement will be transmitted to the contracting agency in writing within five working days of receipt of the offer if the contract is likely to exceed the simplified acquisition threshold. The contracting agency may grant an extension of these time periods. For actions, above the simplified acquisition threshold and under \$20M, if SBA does not respond with a notification of rejection within five working days of receipt of an offer, the contracting activity may assume acceptance on the sixth working day. On actions greater than \$20 million, if an acceptance or rejection has not been received from the SBA District Office on the sixth working day, the contracting officer shall seek acceptance from the Associate Administrator of SBA's Office of Business Development (AA/BD). If a reply is not received from the AA/BD within five working days after the AA/BD receipt of the offer, on competitive actions the contracting officers may assume acceptance on the sixth working day.

1819.804-70 Release for non-8(a) competition.

See [PIC 17-05B](#) for further guidance.

(a) Renewals or follow-on awards to an existing 8(a) contract must remain in the 8(a) program unless SBA agrees to release it. Written requests will be sent to the AA/BD for concurrence. Release decisions will be made within ten working days.

(b) In the request include whether the agency is achieving its SDB, HUBZone, SDVOSB, WOSB and small business goals. The request shall address what other SB program will be used in lieu of the 8(a) program (HUBZone, SDVOSB, WOSB or small business). Release from the 8(a) program is unlikely if another SB program is not used.

(c) The release requirement does not apply to task or delivery orders accepted into the 8(a) program.

1819.805-2 Procedures.

(b)(1) In negotiated acquisition, the SBA will determine eligibility when the successful offeror has been established by the agency and the contracting officer has submitted a request for eligibility determination unless a referral has been made under FAR 19.809, in which case the SBA will determine eligibility at that point. The SBA shall issue a determination for the apparent successful offeror within five working days from the request of the contracting officer.

1819.805-2-70 Joint Ventures.

The rules governing 8(a) Program joint ventures (JV) are prescribed in 13 CFR § 124.513, with additional regulations applying to the 8(a) Program found throughout 13 CFR § 124. The 8(a) participant(s) to an 8(a) JV shall be certified at the time of proposal submission, and in accordance with 13 CFR 124.513(e)(1), the SBA shall approve the 8(a) JV agreement prior to contract award. Since it takes time for SBA to approve an 8(a) JV agreement, the contracting officer should notify the SBA Procurement Center Representative (PCR) when an 8(a) JV offeror submits a proposal in response to an 8(a) set-aside acquisition. The SBA will only approve 8(a) JV agreements under 8(a) set-aside acquisitions when the 8(a) JV is the apparent successful offeror; however, contract award may be

delayed if the SBA is first notified or begins the approval process too close to the anticipated date for contract award.

1819.806 Pricing the 8(a) contract.

(a) The contracting officer shall price the 8(a) contract in accordance with FAR 15.4. If required by FAR 15.4, the contracting officer shall obtain cost or pricing data from the 8(a) contractor.

1819.808 Contract negotiation.

1819.808-1 Sole source.

(a) The contracting officer is responsible for initiating and conducting negotiations.

(b) The contracting officer shall negotiate directly with the 8(a) Participant. If requested by the 8(a) Participant, the SBA may participate in negotiations.

(c) The contracting officer shall evaluate and document the 8(a) Participant's ability to comply with the requirements of FAR 52.219-14 Limitations on Subcontracting.

1819.811 Preparing the contracts.

1819.811-1 Sole source.

(a) The contract to be awarded by the agency shall be made directly to the 8(a) Participant and shall be prepared in accordance with agency procedures. The contracting officer shall use the Standard Form 26 as the award form, except for construction contracts, in which case the Standard Form 1442 shall be used as required in FAR 36.701(a).

(b) The contract to the 8(a) Participant shall—

(1) Cite 10 U.S.C. 2304(c)(5) as the authority for use of other than full and open competition;

(2) The "Issued by" block shall identify the awarding NASA office;

(3) The section 8(a) Participant's name and address shall be listed as the contractor;

(4) Include the clause at FAR 52.219-11, which allows for direct award to the 8(a) contractor and identification of the cognizant SBA district office for the 8(a) contractor; and

(5) Include the name of the NASA Center/Installation in the NASA contracting officer title in the signature block.

(c) The contracting officer shall provide an executed copy of the contract or purchase order to the SBA servicing District Office within 15 working days of contract award.

1819.811-2 Competitive.

Awards shall be prepared in accordance with 1819.811-1.

1819.811-3 Contract clauses.

(a) The contracting officer shall insert the clause at [1852.219-11](#), Special 8(a) Contract Conditions, in contracts and purchase orders awarded directly to the 8(a) contractor when the acquisition is accomplished using the procedures of FAR 19.811-1(a) and (b).

(d) The contracting officer shall insert the clause at [1852.219-18](#), Notification of Competition Limited to Eligible 8(a) Concerns, in competitive solicitations and contracts when the acquisition is accomplished using the procedures of FAR 19.805.

(1) The clause at [1852.219-18](#) with Alternate I to the FAR clause at 52.219-18 will be used when competition is to be limited to 8(a) concerns within one or more specific SBA districts pursuant to FAR 19.804-2.

(2) The clause at [1852.219-18](#) with Alternate II to the FAR clause at 52.219-18 will be used when the acquisition is for a product in a class for which the Small Business Administration has waived the nonmanufacturer rule (see FAR 19.102(f)(4) and (5)).

(e) Follow the prescription at FAR 19.811-3(e).

1819.812 Contract administration.

(b) The contracting officer shall distribute copies of all contracts and modifications within 15 working days of award.

(d) Contracting Officers must coordinate any planned requests for waiver of an 8(a) contract termination with the Headquarters Office of Procurement, Program Operations Division. The Headquarters Office of Procurement will review and coordinate the package with Headquarters offices, as appropriate, and will either forward the request to the Administrator for signature or will advise the Contracting Officer of the decision not to submit the request to the SBA.

Subpart 1819.72—NASA Mentor-Protégé Program
