218.170 Additional acquisition flexibilities.

Additional acquisition flexibilities available to DoD are as follows:

(a) Circumstances permitting other than full and open competition. Use of the authority at FAR 6.302-2, Unusual and compelling urgency, may be appropriate under certain circumstances. See PGI 206.302-2.

(b) Use of advance Military Interdepartmental Purchase Request (MIPR). For urgent requirements, the advance MIPR may be transmitted electronically. See PGI 208.7004-3.

(c) Use of the Governmentwide commercial purchase card. Governmentwide commercial purchase cards do not have to be used for purchases valued at or below the micro-purchase threshold if the place of performance is entirely outside the United States. See 213.270(c)(1).

(d) Master agreement for repair and alteration of vessels. The contracting officer, without soliciting offers, may issue a written job order for emergency work to a contractor that has previously executed a master agreement, when delay would endanger a vessel, its cargo or stores, or when military necessity requires immediate work on a vessel. See 223.7102(a)(3) and (7).

(g) Authorization Acts, Appropriations Acts, and other statutory restrictions on foreign acquisition. Acquisitions in the following categories are not subject to the restrictions of 225.7002. Restrictions on food, clothing, fabrics, specialty metals, and hand or measuring tools: (1) Acquisitions at or below the
simplified acquisition threshold; (2) Acquisitions outside the United States in support of combat operations; (3) Acquisitions of perishable foods by or for activities located outside the United States for personnel of those activities; (4) Acquisitions of food, specialty metals, or hand or measuring tools in support of contingency operations, or for which the use of other than competitive procedures has been approved on the basis of unusual and compelling urgency in accordance with FAR 6.302-2; (5) Emergency acquisitions by activities located outside the United States for personnel of those activities; and (6) Acquisitions by vessels in foreign waters. See 227.7104; 232.7002(a).

(4) Governmentwide commercial purchase card. A contracting office supporting a contingency operation or a humanitarian or peacekeeping operation may use the Governmentwide commercial purchase card to make a purchase that exceeds the micro-purchase threshold but does not exceed the simplified acquisition threshold if certain conditions are met. See 213.301(3).

(5) Imprest funds and third party drafts. Imprest funds are authorized for use without further approval for overseas transactions at or below the micro-purchase threshold in support of a contingency operation or a humanitarian or peacekeeping operation. See 213.306(a)(1)(B).

(9) Undefinitized contract actions. The head of the agency may waive certain limitations for undefinitized contract actions if the head of the agency determines that the waiver is necessary to support a contingency operation or a humanitarian or peacekeeping operation. See 225.7002. Restrictions on food, clothing, fabrics, specialty metals, and hand or measuring tools: (1) Acquisitions at or below the simplified acquisition threshold; (2) Acquisitions outside the United States in support of combat operations; (3) Acquisitions of perishable foods by or for activities located outside the United States for personnel of those activities; (4) Acquisitions of food, specialty metals, or hand or measuring tools in support of contingency operations, or for which the use of other than competitive procedures has been approved on the basis of unusual and compelling urgency in accordance with FAR 6.302-2; (5) Emergency acquisitions by activities located outside the United States for personnel of those activities; and (6) Acquisitions by vessels in foreign waters.
