

251.101 Policy.

(a)(1) Notwithstanding the restriction at FAR [51.101](#)(a)(1), contracting officers may authorize contractors to use Defense Logistics Agency Energy as a source of fuel in performance of other than cost-reimbursement contracts, when the fuel is funded by the Defense Working Capital Fund. When providing this authorization to contractors, follow the procedures at PGI [PGI 251.101 Policy](#).
