Subpart 2408.4 - Federal Supply Schedules

2408.404 Pricing.

(d) Supplies offered on the schedule are listed at fixed prices. Services offered on the schedule are priced either at hourly rates, or at fixed price for performance of a specific task (e.g., installation, maintenance, and repair). GSA has determined the prices of supplies and fixed-price services, and rates for services offered at hourly rates, to be fair and reasonable for the purpose of establishing the schedule contract. GSA's determination does not relieve the ordering activity Contracting Officer from the responsibility of making a determination of fair and reasonable pricing for individual orders, BPAs, and orders under BPAs. Contracting Officers shall follow the general principles and techniques outlined in FAR Section 15.404-1, Proposal Analysis Techniques, to ensure that the final agreed-to price is fair and reasonable, keeping in mind that the complexity and circumstances of each acquisition should determine the level of detail of the analysis required.

2408.405-6 Limiting sources.

(c)(2) Justifications for limiting sources, under the Federal Supply Schedules when exceeding the simplified acquisition threshold, must be prepared and approved using the latest version of HUD Form 24013.

(d)(3) HUD's Chief Procurement Officer, as the Head of Contracting Activity, has delegated the authority to the Deputy Chief Procurement Officer to approve, in writing, justifications for limited source considerations for a proposed Federal Supply Schedule order or Blanket Purchase Agreement (BPA) with an estimated value exceeding $13.5 million, but not exceeding $68 million.

Subpart 2408.8 - Acquisition of Printing and Related Supplies
2408.802-70 Contract clause.

The Contracting Officer shall insert the clause at 2452.208-71, Reproduction of Reports, in solicitations and contracts where the contractor is required to produce, as an end product, publications or other written materials.
