Contract records may be located or stored on the contractor's premises or at off-site locations.
Electronically stored information (ESI) means any contract records that are stored on, or generated by, an electronic device, or contained in electronically accessible media, either owned by the contractor, subcontractor(s), or employees of the contractor or subcontractor(s) regardless of the physical location of the device or media (e.g., offsite servers or data storage).

As prescribed in 2432.705-70, use the following clause:

Limitation of Government's Obligation (DEC 2012)
(a) Funds are not available for full funding of all contract line items under this contract. The incrementally funded line items and their anticipated funding schedule are as follows:

<table>
<thead>
<tr>
<th>Contract line item number</th>
<th>Total price</th>
<th>Amount of current funding</th>
<th>Anticipated date(s) of future funding</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

The contracting officer will revise this table as funds are allotted to the contract.

(b) For the incrementally funded line item(s) in paragraph (a) of this clause, the Contractor agrees to perform up to the point at which the total amount payable by the Government, including reimbursement in the event of termination of those item(s) for the Government's convenience, approximates the total amount currently allotted to the contract for these contract line items. The Contractor is not authorized to continue work on the incrementally funded line item(s) beyond that point. The Government will in no event be obligated to reimburse the Contractor in excess of the amount allotted to the contract for the incrementally funded line item(s) regardless of anything to the contrary in the clause entitled “Termination for Convenience of the Government.” As used in this clause, the total amount payable by the Government in the event of termination for convenience of applicable line item(s) includes costs, profit, and estimated termination settlement costs for those line item(s).

(c) Notwithstanding the dates specified in the allotment schedule in paragraph (a) of this clause, the Contractor will notify the Contracting Officer in writing at least [90 days unless the Contracting Officer inserts a different number] days prior to the date when, in the Contractor's best judgment, the work will reach the point at which the total amount payable by the Government, including any cost for termination for convenience, will approximate 85 percent of the total amount then allotted to the contract for performance of the applicable line item(s). This notification will state: the estimated date when that point will be reached; and an estimate of the amount of additional funding, if any, needed to continue performance of the applicable line items up to the next scheduled date for allotment of funds identified in paragraph (a) of this clause (or to another mutually agreed-upon date). The notification will also advise the Contracting Officer of the estimated amount of additional funds that will be required for the timely performance of the line item(s) funded pursuant to this clause, for a subsequent period as may be specified in the allotment schedule in paragraph (a) of this clause or otherwise agreed to by the parties. If after such notification additional funds are not allotted by the date identified in the Contractor's notification, or by an agreed-upon date, the Contracting Officer will terminate any line item(s) for which additional funds have not been allotted, pursuant to the clause of this contract entitled “Termination for Convenience of the Government.”

(d) When additional funds are allotted for continued performance of the incrementally funded line item(s), the parties will agree to the period of contract performance covered by the funds. The provisions of paragraphs (b) through (d) of this clause will apply in like manner to the additional allotted funds and agreed-upon date(s), and the contract will be modified accordingly.

(e) If the Contractor incurs additional costs or is delayed in the performance of the work under this contract solely by reason of the failure of the Government to allot additional funds in amounts sufficient for timely performance of the incrementally funded line item(s), and then additional funds are allotted, an equitable adjustment will be made in the line item price(s) or in the time of delivery, or both. Failure to agree to any such equitable adjustment hereunder shall be considered a dispute subject to the “Disputes” clause in this contract.
(f) The Government may allot additional funds for the performance of the incrementally-funded line item(s) at any time prior to termination.

(g) The termination provisions of this clause do not limit the rights of the Government under the clause entitled “Default.” The provisions of this clause are limited to the work and allotment of funds for the incrementally funded line item(s) and will no longer apply once the contract is fully funded except with regard to the rights or obligations of the parties concerning equitable adjustments negotiated under paragraphs (d) and (e) of this clause.

(h) Nothing in this clause affects the right of the Government to terminate this contract pursuant to the clause of this contract entitled “Termination for Convenience of the Government.”

(i) Nothing in this clause shall be construed as authorization of voluntary services whose acceptance is otherwise prohibited under 31 U.S.C. 1342.

(End of clause)

(b) When funding is available, the Government may unilaterally increase the amount obligated through contract funding modification(s) until the full contract value has been obligated. If a contract funding modification is not in place by the time the performance of the work or deliveries have reached the stated funding limit, the contractor must stop performing services and deliveries and may not start again until the contractor is notified through a contract funding modification that funds are available to continue services and deliveries.

(2) Constitutes a change as defined in FAR 52.243-1;

(3) Causes an increase or decrease in the cost of the contract;

(4) Alters the period of performance or delivery dates; or

(e) Other specific limitations [to be inserted by Contracting Officer]:

(f) The Contractor shall promptly notify the Contracting Officer whenever the Contractor believes that guidance provided by any government personnel, whether or not specifically provided pursuant to this clause, is of a nature described in paragraph (b) of this clause.

(End of clause)

2452.237-75 Access to HUD facilities.

As prescribed in 2437.110(e)(3), insert the following clause in solicitations and contracts:

ACCESS TO HUD FACILITIES (APR 2019)

(a) Definitions. As used in this clause -

“Access” means physical entry into and, to the extent authorized, mobility within a Government facility.

“Contract” means any authorized contractual instrument, including, but not restricted to, task orders, purchase orders, Blanket Purchase Agreement calls, etc.

“Contractor employee” means an employee of the prime contractor or of any subcontractor, affiliate, partner, joint venture, or team members with which the Contractor is associated. It also includes consultants engaged by any of those entities.

“Facility” and “Government facility” mean buildings, including areas within buildings that are owned, leased, shared, occupied, or otherwise controlled by the Federal Government.

“NACI” means National Agency Check with Inquiries, the minimum background investigation prescribed by the U.S. Office of Personnel Management.

“PIV Card” means the Personal Identity Verification (PIV) Card, the Federal Government-issued identification credential (identification badge).

(b) General. The performance of this contract requires contractor employees to have access to HUD facilities. All such employees who do not already possess a current PIV Card acceptable to HUD shall be required to provide personal background information, undergo a background investigation (NACI or other OPM-required or approved investigation), including an FBI National Criminal History Fingerprint Check, and
obtain a PIV Card prior to being permitted access to any such facility in the performance of this contract.

Unescorted access to any such facility in performance of this contract. HUD may accept a PIV Card issued by another Federal Government agency but shall not be required to do so. No contractor employee will be permitted unescorted access to a HUD facility without a proper PIV Card.

(c) Background information.

(1) For each contractor employee subject to the requirements of this clause and not in possession of a current PIV Card acceptable to HUD, the Contractor shall submit the following properly completed forms: Electronic Standard Form (SF) 85, “Questionnaire for Non-Sensitive Positions via e-QIP,” completed USAccess enrollment (electronic fingerprinting) and Optional Form (OF) 306 (Items 1 through 17). Forms SF-85 and OF-306 are available from OPM's website, [http://www.opm.gov](http://www.opm.gov). The electronic questionnaire is available on OPM's e-QIP site, [https://www.opm.gov/investigations/e-qip-application/](https://www.opm.gov/investigations/e-qip-application/). The COR will provide all other forms that are not obtainable via the internet.

(2) The Contractor shall deliver the forms and information required in paragraph (c)(1) of this clause to the COR as secure as possible.

(3) The information provided in accordance with paragraph (c)(1) of this clause will be used to perform a background investigation to determine the suitability of the contractor employees to have access to Government facilities. After completion of the investigation, the COR will notify the Contractor in writing when any contractor employee is determined to be unsuitable for access to a Government facility. The Contractor shall immediately remove such employee(s) from work on this contract that requires physical presence in a Government facility.

(4) Affected contractor employees who have had a Federal background investigation without a subsequent break in Federal employment or Federal contract service exceeding 2 years may be exempt from the investigation requirements of this clause subject to verification of the previous investigation. For each such employee, the Contractor shall submit the following information in lieu of the forms and information listed in paragraph (c)(1) of this clause: completed PIV and Pre-Security Form.

(d) PIV Cards.

(1) HUD will issue a PIV Card to each contractor employee who is to be given access to HUD facilities and who does not already possess a PIV Card acceptable to HUD (see paragraph (b) of this clause). HUD will not issue the PIV Card until the contractor employee has

(1) successfully cleared the FBI National Criminal History Fingerprint Check, (2) HUD has initiated the background investigation for the contractor employee, and (3) a Security Approval Notice from HUD PSD via PSDContractorIn-box@hud.gov has been received. Initiation is defined to mean that all background information required in paragraph (c)

(1) of this clause has been delivered to HUD. The employee may not be given access prior to those three events. HUD may issue a PIV Card and grant access pending the completion of the background investigation. HUD will revoke the PIV Card and the employee's access if the background investigation process for the employee, including adjudication of the investigation results, has not been completed within 6 months after the issuance of the PIV Card.

(2) PIV Cards shall identify individuals as contractor employees. Contractor employees shall display their PIV Cards on their persons at all times while working in a HUD facility, and shall present cards for inspection upon request by HUD officials or HUD security personnel.

(3) The Contractor shall be responsible for all PIV Cards issued to the Contractor's employees and shall immediately notify the COR if any PIV Card(s) cannot be accounted for. The Contractor shall promptly
return PIV Cards to HUD, as required by the FAR clause at 52.204-9. The Contractor shall notify the COR immediately whenever any contractor employee no longer has a need for his/her HUD-issued PIV Card (e.g., employee terminates employment with the contractor, employee's duties no longer require access to HUD facilities). The COR will instruct the Contractor on how to return the PIV Card, and upon expiration of this contract, the COR will instruct the Contractor on how to return all HUD-issued PIV Cards not previously returned. Unless otherwise directed by the Contracting Officer, the Contractor shall not return PIV Cards to any person other than the COR.

(4) The Contractor shall submit a report to the Contracting Officer and COR no later than five (5) calendar days after the end of each calendar quarter that provides the status of each employee who is required to work in a HUD facility during the performance of the contract. At a minimum, the report shall identify the contractor and the contract number, and list for each employee the following information:

(i) Employee name;
(ii) Name of HUD facility where employee works;
(iii) Date background check submitted;
(iv) Date PIV Card issued;
(v) PIV card number;
(vi) Date employee no longer has need of the HUD PIV Card;
(vii) Date Contracting Officer and COR were notified that employee no longer had need of the HUD PIV Card; and
(viii) Date PIV Card was returned to COR.

(e) Control of access. HUD shall have, and exercise, complete control over granting, denying, withholding, and terminating access of contractor employees to HUD facilities. The COR will notify the Contractor immediately when HUD has determined that an employee is unsuitable or unfit to be permitted access to a HUD facility. The Contractor shall immediately notify such employee that he/she no longer has access to any HUD facility, remove the employee from any such facility that he/she may be in, and provide a suitable replacement in accordance with the requirements of this clause.

(f) Access to HUD information systems. If this contract requires contractor employees to have access to HUD information system(s), application(s), or information contained in such systems, the Contractor shall comply with all requirements of HUDAR clause 2452.239-70, Access to HUD Systems, including providing for each affected employee any additional background investigation forms prescribed in that clause.

(g) Subcontracts. The Contractor shall incorporate this clause in all subcontracts where the requirements specified in paragraph (b) of this section are applicable to performance of the subcontract.

(End of clause)

Such contractor personnel already present shall be dismissed and shall leave the facility.

(3) The contractor agrees to continue to provide sufficient personnel to perform round-the-clock requirements of critical tasks already in operation or scheduled for performance during the period in which HUD employees are dismissed, and shall be guided by any specific instructions of the Contracting Officer or his/her duly authorized representative.

(c) When contractor personnel services are not required or provided due to closure of a HUD facility as described in this clause, the contractor shall be compensated as follows -

(1) For fixed-price contracts, deductions in the contractor's price will be computed as follows -
(A) The deduction rate in dollars per day will be equal to the per month contract price divided by the number of business days in each month.

(B) The deduction rate in dollars per day will be multiplied by the number of days services are not required or provided.

If services are provided for portions of days, appropriate adjustment will be made by the Contracting Officer to ensure that the contractor is compensated for services provided.

(2) For cost-reimbursement, time-and-materials and labor-hour type contracts, HUD shall not reimburse as direct costs, the costs of salaries or wages of contractor personnel for the period during which such personnel are dismissed from, or do not have access to, the facility.

System means an interconnected set of information resources under the same direct management control, which shares common functionality. A system normally includes hardware, software, information, data, applications, communications, and people (see OMB Circular A-130). (b) General.

(1) The performance of this contract requires contractor employees to have access to a HUD system or systems. All such employees who do not already possess a current PIV Card acceptable to HUD shall be required to provide personal background information, undergo a background investigation (NACI or other OPM-required or approved investigation), including an FBI National Criminal History Fingerprint Check, and obtain a PIV Card prior to being permitted access to any such system in performance of this contract. HUD may accept a PIV Card issued by another Federal Government agency but shall not be required to do so. No contractor employee will be permitted access to any HUD system without a PIV Card.

(2) All contractor employees who require access to mission-critical systems or sensitive information contained within a HUD system or application(s) are required to have a more extensive background investigation. The investigation shall be commensurate with the risk and security controls involved in managing, using, or operating the system or application(s).

(c) Citizenship-related requirements. Each affected contractor employee as described in paragraph (b) of this clause shall be:

(1) A United States (U.S.) citizen; or,

(2) A national of the United States (see 8 U.S.C. 1408); or,

(3) An alien lawfully admitted into, and lawfully permitted to be employed in the United States, provided that for any such individual, the Government is able to obtain sufficient background information to complete the investigation as required by this clause. Failure on the part of the contractor to provide sufficient information to perform a required investigation or the inability of the Government to verify information provided for affected contractor employees will result in denial of their access.

(d) Background investigation process.

(1) The Contracting Officer's Representative (COR) shall notify the Contractor of those contractor employee positions requiring background investigations.

(i) For each contractor employee requiring access to HUD information systems, the Contractor shall submit the following properly completed forms: Electronic Standard Form (SF) 85, “Questionnaire for Non-sensitive Positions” via e-QIP, completed USAccess enrollment (electronic fingerprinting) and Optional Form (OF) 306 (Items 1 through 17). The SF-85 and OF-306 are available from the OPM website, http://www.opm.gov. The electronic questionnaire is available on OPM's e-QIP site, https://www.opm.gov/investigations/e-qip-application/.

(ii) For each contractor employee requiring access to mission-critical systems and/or sensitive information contained within a HUD system and/or application(s), the Contractor shall submit the following properly completed forms: Electronic SF-85P, “Questionnaire for Public Trust Positions” via e-QIP;” Electronic Standard Form (SF) 85, “Questionnaire for Non-sensitive Positions via e-QIP,” completed USAccess enrollment (electronic fingerprinting) and Optional Form (OF) 306 (Items 1 through 17). The
SF-85 and OF-306 are available from the OPM website, http://www.opm.gov. The Electronic questionnaire is available on OPM's e-QIP site, https://www.opm.gov/investigations/e-qip-application/; and a Fair Credit Reporting Act form (authorization for the credit-check portion of the investigation). Contractor employees shall complete the Medical Release behind the SF-85P.

(iii) The electronic questionnaires (e-QIP) SF-85, 85P, and OF-306 are available from OPM's websites https://www.opm.gov/investigations/e-qip-application/ and http://www.opm.gov. The COR will provide all other forms that are not obtainable via the internet.

(2) The Contractor shall deliver the forms and information required in paragraph (d)(1) of this clause to the COR as securely as possible.

(3) Affected contractor employees who have had a Federal background investigation without a subsequent break in Federal employment or Federal contract service exceeding 2 years may be exempt from the investigation requirements of this clause, subject to verification of the previous investigation. For each such employee, the Contractor shall submit the following information in lieu of the forms and information listed in paragraph (d)(1) of this clause: PIV and Pre-Security Form.

(4) The investigation process shall consist of a range of personal background inquiries and contacts (written and personal) and verification of the information provided on the investigative forms described in paragraph (d)(1) of this clause.

(5) Upon completion of the investigation process, the COR will notify the Contractor if any contractor employee is determined to be unsuitable to have access to the system(s), application(s), or information. Such an employee may not be given access to those resources. If any such employee has already been given access pending the results of the background investigation, the Contractor shall ensure that the employee's access is revoked immediately upon receipt of the COR's notification.

(6) Failure of the COR to notify the Contractor (see paragraph (d)(1) of this clause) of any employee who should be subject to the requirements of this clause and is known, or should reasonably be known, by the Contractor to be subject to the requirements of this clause, shall not excuse the Contractor from making such employee(s) known to the COR. Any such employee who is identified and is working under the contract, without having had the appropriate background investigation or furnished the required forms for the investigation, shall cease to perform such work immediately and shall not be given access to the system(s)/application(s) described in paragraph (b) of this clause until the Contractor has provided the investigative forms to the COR for the employee, as required in paragraph (d)(1) of this clause.

(7) The Contractor shall notify the COR in writing whenever a contractor employee for whom a background investigation package was required and submitted to HUD, or for whom a background investigation was completed, terminates employment with the Contractor, or otherwise is no longer performing work under this contract that requires access to the system(s), application(s), or information. The Contractor shall provide a copy of the written notice to the Contracting Officer.

(e) PIV Cards.

(1) HUD will issue a PIV Card to each contractor employee who is to be given access to HUD systems and does not already possess a PIV Card acceptable to HUD (see paragraph (b) of this clause). HUD will not issue the PIV Card until the contractor employee has

(1) successfully cleared an FBI National Criminal History Fingerprint Check, (2) HUD has initiated the background investigation for the contractor employee, and (3) a Security Approval Notice from HUD PSD via PSDContractorIn-box@hud.gov has been received. Initiation is defined to mean that all background information required in paragraph (d) of this clause has been delivered to HUD. The employee may not be given access prior to those three
events. HUD may issue a PIV Card and grant access pending the completion of the background investigation. HUD will revoke the PIV Card and the employee's access if the background investigation process for the employee, including adjudication of the investigation results, has not been completed within 6 months after the issuance of the PIV Card.

(2) PIV Cards shall identify individuals as contractor employees. Contractor employees shall display their PIV Cards on their persons at all times while working in a HUD facility, and shall present cards for inspection upon request by HUD officials or HUD security personnel.

(3) The Contractor shall be responsible for all PIV Cards issued to the Contractor's employees and shall immediately notify the COR if any PIV Card(s) cannot be accounted for. The Contractor shall promptly return PIV Cards to HUD as required by the FAR clause at 52.204-9. The Contractor shall notify the COR immediately whenever any contractor employee no longer has a need for his/her HUD-issued PIV Card (e.g., the employee terminates employment with the Contractor, the employee's duties no longer require access to HUD systems). The COR will instruct the Contractor as to how to return the PIV Card. Upon expiration of this contract, the COR will instruct the Contractor as to how to return all HUD-issued PIV Cards not previously returned. Unless otherwise directed by the Contracting Officer, the Contractor shall not return PIV Cards to any person other than the COR.

The Contractor shall immediately notify such employee that he/she no longer has access to any HUD system, physically retrieve the employee's PIV Card from the employee, and provide a suitable replacement employee in accordance with the requirements of this clause.

(g) Incident response notification. An incident is defined as an event, either accidental or deliberate, that results in unauthorized access, loss, disclosure, modification, or destruction of information technology systems, applications, or data. The Contractor shall immediately notify the COR and the Contracting Officer of any known or suspected incident, or any unauthorized disclosure of the information contained in the system(s) to which the Contractor has access.

(2) The Contractor shall require that all employees who may have access to the system(s)/application(s) identified in paragraph (b) of this clause sign a pledge of nondisclosure of information. The employees shall sign these pledges before they are permitted to perform work under this contract. The Contractor shall maintain the signed pledges for a period of 3 years after final payment under this contract. The Contractor shall provide a copy of these pledges to the COR.

(i) **Security procedures.** (1) The Contractor shall comply with applicable Federal and HUD statutes, regulations, policies, and procedures governing the security of the system(s) to which the Contractor’s employees have access including, but not limited to:

(2) The Contractor shall develop and maintain a compliance matrix that lists each requirement set forth in paragraphs (b), (c), (d), (e), (f), (g), (h), (i)(1), and (m) of this clause with specific actions taken, and/or procedures implemented, to satisfy each requirement. The Contractor shall identify an accountable person for each requirement, the date upon which actions/procedures were initiated/completed, and certify that information contained in this compliance matrix is correct. The Contractor shall ensure that information in this compliance matrix is complete, accurate, and up-to-date at all times for the duration of this contract. Upon request, the Contractor shall provide copies of the current matrix to HUD.

(3) The Contractor shall ensure that its employees, in performance of the contract, receive annual training (or once if the contract is for less than one year) in HUD information technology security policies, procedures, computer ethics, and best practices in accordance with HUD Handbook 2400.25.

(j) **Access to Contractor’s systems.** The Contractor shall afford HUD, including the Office of Inspector General, access to the Contractor's facilities, installations, operations, documentation (including the compliance matrix required under paragraph (i)(2) of this clause), databases, and personnel used in performance of the contract. Access shall be provided to the extent required to carry out, but not limited to, any information security program activities, investigation, and audit to safeguard against threats and hazards to the integrity, availability, and confidentiality of HUD data and systems, or to the function of information systems operated on behalf of HUD, and to preserve evidence of computer crime.

(k) **Contractor compliance with this clause.** Failure on the part of the Contractor to comply with the terms of this clause may result in termination of this contract for default.
(l) **Physical access to Federal Government facilities.** The Contractor and any subcontractor(s) shall also comply with the requirements of HUDAR clause 2452.237-75 when the Contractor's or subcontractor's employees will perform any work under this contract on site in a HUD or other Federal Government facility.
