726.7101 Policy.

USAID Policy Determination (PD) 20, "Guidelines to Assure USAID Programs do not Result in the Loss of Jobs in the U.S." implemented statutory prohibitions on expenditure of appropriated funds. The PD contains a standard provision for inclusion in USAID-funded grants and inter-agency agreements and indicates that when the PD applies to a contract, appropriate provisions covering the subject matter are to be included. When the provisions of PD 20 do apply to a contract, the cognizant technical office shall provide to the contracting officer appropriate language tailored to the specific circumstances for the contract statement of work, or if applicable to the circumstances, the provision included in the PD (see [726.7102](#)) may be used as a clause in the contract. The provision is not required in subcontracts.

726.7102 PD 20 provision.

No funds or other support provided hereunder may be used in an activity the purpose of which is the establishment or development in a foreign country of any export processing zone or designated area where the labor, environmental, tax, tariff, and safety laws of the country would not apply, without the prior approval of USAID.

No funds or other support provided hereunder may be used in an activity which contributes to the violation of internationally recognized rights of workers in the recipient country, including those in any designated zone or area in that country.
