## **Subpart 5101.1 - Purpose, Authority, Issuance**

### **5101.101 Purpose.**

The Army Federal Acquisition Regulation Supplement (AFARS) implements and supplements the Federal Acquisition Regulation (FAR), the Defense FAR Supplement (DFARS) and the DFARS Procedures, Guidance and Information (PGI) to establish uniform policies for Army acquisition. It does not restrict the exercise of good business judgment or stifle innovation.

### **5101.105-3 Copies.**

The AFARS is available electronically via the Internet at <https://spcs3.kc.army.mil/asaalt/procurement/AFARS/Home.aspx>. The Office of the Deputy Assistant Secretary of the Army (Procurement) (ODASA(P)), Procurement Policy Directorate, SAAL-PP will issue notices of AFARS revisions to all senior contracting officials (SCOs).

### **5101.108 FAR conventions.**

(b) *Delegation of authority.* Each authority is delegable within the contracting chain of authority unless otherwise indicated by law, statute, or regulation. All delegations must reference the applicable AFARS citation. Delegations that do not include expiration dates remain effective until a higher authority supersedes or cancels them.

### **5101.108(b) (S-90) Introduction of delegations matrix at Appendix GG and instructions for use.**

Delegations of certain procurement authorities are identified throughout the AFARS with a pointer to a matrix, labeled Appendix GG. Appendix GG outlines all delegations of authority within the FAR, DFARS and AFARS, and specifies whether the authority prohibits or allows for further delegation. The Army level of authority identified in the matrix is the lowest level of delegation.

### **5101.170 Peer reviews.**

#### *(a) DoD peer reviews.*

(1) The SCO will concur, in writing, on all solicitation and contract packages submitted for each phase of any DoD peer review. For the first phase only, the SCO will send a copy of the written concurrence to the DASA(P) (see 5101.290) and provide a copy to the head of the contracting activity (HCA).

(i) In accordance with [Defense Pricing and Contracting \(DPC\) Class Deviation 2019-O0010, Peer Reviews of Contracts for Supplies and Services](#), except for procurements of major defense acquisition programs above \$1 billion for which the Under Secretary of Defense for Acquisition and Sustainment (USD(A&S)) is the milestone decision authority and USD(A&S) special interest programs, the DASA(P) is responsible for conducting preaward peer reviews for competitive procurements above \$1 billion. See Appendix GG for further delegation.

(2) Contracting activities shall provide their rolling annual forecast of acquisitions that will be subject to DoD peer reviews to the address at 5101.290(b)(2)(ii)(A) at the end of each quarter. See 5104.802(f)(4) for peer review forecast requirements.

#### *(b) Component peer reviews.*

(i) *Army peer reviews.* With the exception of acquisitions using sealed bidding procedures (see FAR Part 14), a Solicitation Review Board (SRB) and a Contract Review Board (CRB) will approve all

procurements with an estimated value of \$50 million or more including the award of task and delivery orders. A CRB is required for contract modifications that increase total evaluated price or otherwise increase scope. A CRB is not required for modifications that exercise an option, add incremental funding, or make administrative changes. The SRB and CRB will be independent, multi-functional teams comprised of senior level experts, which will, at a minimum, include representatives from the contracting activity, small business office, office of counsel, requirements community, and in the case of noncompetitive actions, the advocate for competition. The same members should participate in both the SRB and the CRB in order to ensure consistency.

(ii) *Objective of Army peer reviews.* The SRB/CRB will review and assess the presolicitation, solicitation and contract award documents for consistency, sufficiency, compliance and application of sound business practices. The SRB/CRB will verify that the procurement represents an overall good value to the Government and appropriate obligation of taxpayer funds.

(iii) *Resolution of comments.* The SCO will establish procedures for resolving all SRB and CRB comments.

(iv) *Peer review statistics.* Contracting activities will collect peer review statistics, to include annual data on the number of SRB/CRB reviews conducted and waived, identification of any systemic issues or trends, best practices, lessons learned, overall effectiveness of the process, and other data as determined necessary.

(v) *Preaward peer reviews for competitive procurements valued at less than \$1 billion and noncompetitive procurements valued at less than \$500 million.*

(A) The HCA will chair an SRB and a CRB for:

(1) Competitive procurements valued at \$250 million or more but less than \$1 billion or

(2) Noncompetitive procurements valued at \$250 million or more but less than \$500 million. See Appendix GG for further delegation.

(B) The SCO will chair an SRB and a CRB for all procurements valued at \$50 million or more but less than \$250 million. See Appendix GG for further delegation .

(C) The contracting activity's business clearance process (see 5115.406) normally satisfies the oversight function of peer reviews for acquisitions below \$50 million. If the SCO determines, in accordance with a risk-based analysis, that a separate peer review is necessary for an acquisition valued below \$50 million, the SCO or designee shall conduct the peer review consistent with the procedures set forth for Army peer reviews in this section.

(D) HCAs, SCOs and chiefs of the contracting office may waive the requirement for a formal review board. The contracting officer will include the written waiver in the contract file.

(vi) *Postaward peer reviews of contracts for services valued at less than \$1 billion.*

(A) At least once during the period of performance the HCA will conduct a postaward peer review for contracts for services valued at \$250 million or more but less than \$1 billion. See Appendix GG for further delegation. The information identified in 5137.590-6(a)(8) and 5137.590-7 will serve as the starting point for the postaward reviews. For such reviews, the HCA will provide the Senior Services Manager a postaward peer review summary report. The summary report will address the postaward peer review of service requirements focus areas at DFARS PGI 201.170-3(b) and the postaward peer review required elements at DFARS PGI 201.170-4, and shall be submitted to the email address at

5101.290(b)(2)(ii)(F) no later than 60 days after completion of the review.

(B) The SCO will establish procedures for postaward peer reviews for contracts for services valued at \$50 million or more but less than \$250 million.

(S-90) If the DASA(P) identifies a procurement as special interest, the ODASA(P) will convene an HQDA review of the procurements. The DASA(P) will serve as the chairperson. Other Army peer reviews identified in 5101.170(b) are not required when the ODASA(P) conducts a special interest peer review for a procurement.

## **Subpart 5101.2 - Administration**

### **5101.290 Routing documents and mailing addresses.**

(a)(1) Contracting activities will obtain either head of the contracting activity (HCA) or, if delegated, SCO concurrence on all procurement document packages submitted for Headquarters, Department of the Army (HQDA) review, coordination, and/or approval. The SCO may not delegate this authority. Procurement document packages will include all reviews and coordination completed prior to submission to HQDA, including legal reviews. Unless otherwise specified in this regulation, individual and class deviations to this AFARS provision are prohibited. Send document packages via the HQDA Task Management Tool (TMT) to the ODASA(P) directorate groups associated with the email addresses listed in 5101.290(b)(2)(ii)(C) (except as provided elsewhere in this regulation).

(2) The contracting officer shall include the contract type determination required by FAR 16.103(d)(1) and 5116.103(d)(1) in HQDA-level approval packages that reference contract type, including the approvals required by FAR 6.304 and FAR 16.504(c)(1)(D)(1). If a written acquisition plan is required for the associated contract action, include the acquisition plan in the submission package and provide the acquisition plan citation in the applicable paragraph of the document submitted for review. If a written acquisition plan is not required, include the contract type determination from the contract file in the submission package.

HCAs, on a non-delegable basis, are responsible for procurement processes and procedures, to include processes and procedures intended for issuance below the HCA level, within their contracting activity. These shall be codified in an acquisition instruction. HCAs shall obtain DASA(P) approval for their baseline acquisition instruction. HCAs are to maintain, review, and update their acquisition instruction as necessary.

(e) HCAs shall submit requests for new Army policy to the DASA(P) in accordance with 5101.290(b)(2)(ii)(A). The DASA(P) will coordinate with the HCAs to validate the need for new policy and determine how the policy will be issued to the contracting enterprise.

## **Subpart 5101.4 - Deviations From the FAR**

### **5101.402 Policy.**

(2) The contracting officer will prepare all deviation requests in accordance with DFARS 201.402(2) and follow the procedures at 5101.301(b) to publish the deviation in the Federal Register.

### **5101.403 Individual deviations.**

(1) SCOs, after obtaining a legal review, approve individual deviations from the FAR, DFARS, DFARS PGI, and AFARS other than those specified in DFARS 201.402(1) and DFARS 201.403(2).

### **5101.403-90 Deviation copy and control number.**

The contracting activity will –

(a) Send one copy of each deviation to the address at 5101.290(b)(2)(ii)(A) at the time the approval authority grants the deviation; and

(b) Assign a control number to each deviation.

#### **5101.404 Class deviations.**

(b)(ii) The The senior procurement executive approves class deviations from the FAR, DFARS, DFARS PGI, and AFARS. This authority does not extend to deviations specified in DFARS 201.402(1) and DFARS 201.403(2). See Appendix GG for further delegation.

(i) Official Army comments. Army contracting personnel may submit comments through their chain of command to the Army Policy Member to the Defense Acquisition Regulations (DAR) Council in the Office of the Deputy Assistant Secretary of the Army (Procurement) Procurement Policy Directorate, SAAL-PP. The DAR Council member will determine if the comments are consistent with the Deputy Assistant Secretary of the Army (Procurement)'s official Army position and if they are, forward them to the Director of the DAR Council for adjudication with public comments. If the comments are inconsistent with the Deputy Assistant Secretary of the Army (Procurement)'s official Army position, the DAR Council member will contact the commenter to address his or her comment within the Army.

(ii) Comments as a private citizen. Army contracting personnel may submit comments as a private citizen by following the instructions in the Federal Register notice. #### **5101.601-90 Department of the Army contracting authorities and responsibilities.**

(a) General. Heads of the Contracting Activity (HCAs) have the authority to procure supplies and services to support all customer requirements, unless such procurements fall within the scope of unique contracting authorities assigned to another HCA as described in paragraph (b) below. This framework supports Category Management (CM) reforms, and promotes habitual customer relationships that leverage subject matter expertise to achieve greater contracting outcomes. The list of unique contracting authorities set forth in paragraph (b) is not all-inclusive and will continue to update as CM initiatives evolve. Additionally, the authorities described in paragraph (b), sub-paragraphs (2-4), do not apply to contingency requirement, and contracting operations outside the

continental United States and overseas.

(1) Delegation of any Army HCA contracting authority is limited to officials within the Department of Army at the levels prescribed in Appendix GG.

(2) If a requiring activity presents a requirement in one of the designated commodity areas, to a contracting office not listed in paragraph (b) of this section, that contracting office shall refer the requiring activity to the designated HCA and coordinate with the designated HCA to determine which organization will provide support. If an HCA other than the designated HCA retains that requirement and executes a contract action for the designated commodity:

(A) The supporting HCA shall coordinate with the designated HCA as early as practicable in the procurement planning process, to leverage the subject matter expertise of the designated HCA and ensure the solicitations and contracts are properly structured.

(B) The supporting HCA should ensure the requisite contracting and technical/program personnel are properly trained in the contract award and administration of the designated commodity.

(C) The supporting HCA and designated HCA shall maintain a record of the coordination for contract award. The ODASA(P) will review the records during the Procurement Management Reviews.

(b) Assignment of Unique Contracting Authorities to Army HCAs. The assigned responsibilities are as follows:

(A) Ammunition.

(B) Aviation and Missiles. [Army Contracting Command-Redstone Arsenal is the exclusive contracting center for Army Fixed Wing and non-tethered lighter than air platform aircraft and supporting services; and non-standard rotary wing aircraft].

(C) Combat and Tactical Vehicles.

(D) Construction related materials and services [Mission and Installation Contracting Command (MICC) is the secondary contracting center; the U.S. Army Corps of Engineers (USACE) is the primary contracting activity].

(E) Facility related materials and services [MICC is the primary contracting center; USACE is the secondary contracting activity].

### **5101.602-1-90 Departmental review and approval.**

(a) At any time during the procurement process, the Deputy Assistant Secretary of the Army for Procurement (DASA(P)) may designate a proposed contractual action as Special Interest, and direct the responsible SCO or source selection authority to submit the proposed contractual action to the Office of the Assistant Secretary of the Army (Acquisition, Logistics and Technology) (ASA(ALT)) for review, notation, and/or approval.

(1) The SCO or source selection authority will provide any information, documents, and briefings requested, and will not take, or permit anyone else to take, final action on the proposed contractual action during the period of the DASA(P) review. The SCO shall coordinate all proposed major decision points (e.g. Source Selection Authority appointments), with the DASA(P).

(2) The DASA(P) will customize the departmental review requirements on a case-by-case basis..

(3) In accordance with FAR 3.104-4(a), the ASA(ALT) has authorized personnel within the Office of the DASA(P), the Office of the Army General Counsel, and other personnel designated by the DASA(P) to receive full access to contractor bid or proposal information and source selection information in connection with such review. The contracting officer, under SCO direction, shall ensure the Virtual Contracting Enterprise Paperless Contract File contains all documents related to the proposed contractual action. (See 5104.802 Contract files).

(b) The DASA(P), as Enterprise HCA, or other Army HCAs may appoint Program or Project-specific SCOs in conjunction with this subpart. (See 5101.693-90)

#### **5101.602-2 Responsibilities.**

(a) Refer to 5132.7 for instructions with regard to ensuring funds are available.

#### **5101.602-2-90 Legal coordination.**

Contracting officers will obtain a legal review and consider counsel's advice as follows:

(a) Include legal counsel as a member of the acquisition team (see FAR 1.102-3) throughout the acquisition process;

(b) Obtain a legal review for proposed contracting actions in accordance with locally established procedures and as otherwise required by law, regulation, or policy. It is not practicable to specify, in the AFARS, an inclusive list of actions requiring legal review at each contracting activity. Instead, counsel will routinely review a full range of acquisition-related actions that have potential legal significance. SCOs will work with local chief counsels, or equivalent official, to develop specific legal review protocols that are consistent with this provision.

(c) Obtain legal reviews on proposed actions to determine if the action is legally sufficient based on statute, regulation, and policy, and request details and a recommended course of action to resolve any insufficiency. Contracting officers will address and resolve counsel's objections at the lowest possible level. Contracting officers and counsel will elevate unresolved objections within the acquisition and legal channels, as appropriate, and in exceptional cases, to the head of the contracting activity (HCA).

(d) The contracting officer, under SCO direction, retains sole authority to determine matters that relate to the exercise of business judgment.

#### **5101.602-2-91 Contracting officer's representative appointments.**

(b) Contracting officers will allow 45 calendar days after receipt of the procurement request (PR) package for the requiring activity (RA) to satisfy all COR requirements. If, after the 45 days, a COR has not been properly trained and nominated in PIEE JAM, contracting officers will cease further action on the PR package and return it to the supported RA.

(c) Contracting officers will validate COR and ordering officer records every 12 months in accordance with DFARS PGI 201.602-2(d)(vii) to ensure contractor compliance with the terms of the contract. Contracting officers will document the review in the contract file.
