## **SUBPART 5201.1—PURPOSE, AUTHORITY, ISSUANCE**

### **5201.101 Purpose.**

The Navy Marine Corps Acquisition Regulation Supplement (NMCARS) establishes uniform Department of the Navy (DON) policies and procedures implementing and supplementing the Federal Acquisition Regulation (FAR) and the Defense FAR Supplement (DFARS).

### **5201.103 Authority.**

(b) The NMCARS is prepared, issued, and maintained pursuant to the authority of Secretary of the Navy (SECNAV) Instruction (SECNAVINST) 5400.15.

(S-90) All DON activity acquisition regulation supplements and changes thereto are required to be approved by DASN(P). Requests for review and DASN(P) approval shall be submitted annually via email to [Policy@navy.mil](mailto:Policy@navy.mil) with the subject "NMCARS 5201.103 Acquisition Regulation Supplement - Request for Approval", by August 31.

### **5201.104 Applicability.**

The NMCARS applies to all DON activities in the same manner and to the same extent as specified in FAR 1.104 and DFARS 201.104.

### **5201.105 Issuance.**

#### **5201.105-2 Arrangement of regulations.**

(c) *References and citations.*

(1) References to this supplement within this supplement will be without a name or acronym prefix. References to FAR citations in this supplement should be read to include any corresponding paragraphs of the DFARS and this supplement and any additional authorizations, restrictions, policies and procedures they may contain. For example, the words "...when authorized under FAR Part 25..." include authorities granted under FAR Part 25, DFARS Part 225, and Part 5225 of this supplement.

### **5201.107 Certifications.**

In accordance with 41 United States Code (U.S.C.) 1304, a new requirement for a certification by a contractor or offeror may not be included in any activity supplement, clause book, contract clause, solicitation provision, policy letter, policy memorandum or any other similar document unless-

(1) The certification requirement is specifically imposed by statute; or

(2) Written justification for such certification is provided to the Secretary of Defense (SECDEF) by Assistant Secretary of the Navy (Research Development & Acquisition) (ASN(RDA)), and the SECDEF approves in writing the inclusion of such certification requirement. Submit those requests for

certifications to DASN(P) by email at [RDAJ&As.fct@navy.mil](mailto:RDAJ&As.fct@navy.mil) with the subject “[Activity Name] DFARS 201.107 – Request for Certification.”

## **5201.108 FAR conventions.**

(b) *Delegation of authority.* The authorities assigned or delegated within NMCARS may be delegated or redelegated, unless otherwise restricted.

(S-90) When the FAR or DFARS requires submission of a document to an organization outside of the Department of the Navy and the NMCARS directs the submission of that document to DASN(P), DASN(P) assumes the responsibility for complying with the requirement in the FAR or DFARS.

## **5201.170 Peer reviews.**

(a)(1) If using multiple award procedures, one Peer Review shall apply for all resulting contracts. When Peer Reviews are required to be conducted by Director of Defense Pricing and Contracting (DPC), the Head of the Contracting Activity (HCA) shall request the review from DPC with a courtesy copy to DASN(P) by email at [RDAJ&As.fct@navy.mil](mailto:RDAJ&As.fct@navy.mil), at least 10 business days prior to the anticipated review.

(2) HCAs shall submit the quarterly rolling forecast of acquisitions requiring peer reviews by DASN(P) or Director of DPC, in the format prescribed by Annex 8, Peer Review Rolling Forecast. For peer reviews with estimated values greater than \$250,000,000 including options, the HCA shall establish a Peer Review Board. The Board shall include contracting personnel at the grade of GS-14 (or equivalent) or higher, from another HCA at the equivalent or higher echelon level; however, this requirement is waived through the Coronavirus 2019 period. Performance Based Logistics (PBL) acquisitions with an estimated value greater than the approval authority defined in FAR 6.304(a)(4), whether sole source or competitive, shall have a DASN(P) Peer Review. Submit the PBL peer review package to DASN(P) by email at [RDAJ&As.fct@navy.mil](mailto:RDAJ&As.fct@navy.mil) with the subject “[Activity Name] DFARS 201.170 - DASN(P) PBL Peer Review”.

(1) Except for procurements for major defense acquisition programs (MDAPs) above \$1 billion for which the Under Secretary of Defense for Acquisition and Sustainment (USD(A&S)) is the milestone decision authority or USD(A&S) has indicated a special interest. Preaward peer reviews of solicitations for competitive procurements valued at \$250,000,000 or greater are required as follows -

(3) The HCA shall establish postaward peer reviews of all contracts for services. Peer reviews shall be conducted at the midpoint to allow sufficient time to finalize the disposition of the peer review recommendations prior to exercise of an option.

(S-90) The HCA shall provide a copy of the peer review reports valued at \$250,000,000 or greater within 15 days of completion of the peer review to DASN(P) by email at [RDAJ&As.fct@navy.mil](mailto:RDAJ&As.fct@navy.mil) with the subject “[Activity Name] NMCARS 5201.170(b) - Peer Review Report.”

## **SUBPART 5201.6—CAREER DEVELOPMENT, CONTRACTING AUTHORITY, AND RESPONSIBILITIES**

### **5201.601 General.**

#### **5201.601-90 Department of the Navy authorities and responsibilities.**

(a) *General.* DON HCAs are responsible for establishing adequate and effective internal controls to carefully manage and closely oversee the execution of delegated contracting authority for assigned contracting mission functions. This includes proactively working with requirements and program personnel during acquisition planning to facilitate the timely submission of requirements to the appropriate contracting activity for contract action in a manner which promotes and permits maximum competition. In conjunction with executing assigned contracting missions, there are certain types of procurements for which authority resides solely with the DON HCA as described in paragraph (c) below, unless authority is delegated in writing to another DON HCA and accepted by the receiving DON HCA to execute those procurements. Delegation of DON contracting authority applies only within the DON. Requirements executed outside of the DON shall follow the appropriate governing rules/regulations/policies (e.g., The Economy Act, Assisted Acquisition, FAR Part 17). At a minimum, DON HCAs shall address the following requirements and how they will be met in the contracting activity's procedures for delegation of contracting authority:

(1) Tracking of all contracting authority that has been delegated and any limitations on the contracting authority.

(2) Tracking of delegations received from HCAs.

(3) Ensuring contracting authority delegations are made, in writing from DON HCA to DON HCA, without power of redelegation, to include:

(A) Documenting the rationale supporting the delegation and address why the delegation is necessary for the efficient and proper administration of the receiving DON HCA's contracting operations.

(B) The requirement that the DON HCA receiving the delegated authority affirmatively acknowledge and accept the conditions of the delegation in writing prior to exercising the delegated authority.

(C) The extent to which the HCA delegated authority may be redelegated to contracting offices not under the cognizance of the receiving HCA unless specifically requested.

(D) Ensuring the delegated contracting authority is being executed and administered in accordance with the delegation of authority and contracting regulations, rules, and procedures.

(b) *HCA responsibilities and limitations.* Each HCA is solely responsible for executing its delegated contracting authority for assigned acquisition programs and cognizant areas of responsibilities subject to any established limitation. An HCA has authority to procure supplies and services to support all organic requirements, such as those set forth in SECNAVINST 5400.15, unless such procurements fall

within the scope of unique contracting responsibilities assigned to another HCA.

(c) *HCA unique contracting authorities.* The assigned responsibilities of the DON contracting activities are as follows:

The CAG is responsible for challenging barriers to competition and promoting full and open competition in the acquisition process pursuant to the Competition in Contracting Act (CICA); developing and assigning annual competition goals for the Activities; preparing an annual report addressing DON competition results; sponsoring DON acquisition achievement awards programs; and publishing long-range acquisition estimates.

(N) Serves as the DON Acquisition Ombudsman.

(O) Chairs the Navy Contract Adjustment Board in accordance with Public Law 85-804.

(P) Represents ASN(RDA) on committees and workgroups relating to acquisition, program management, contractual services and audits conducted by the Government Accountability Office, DOD Inspector General (DODIG), Naval Inspector General, and Naval Audit Service.

(ii) Procedures.

(A) If an HCA other than NAVFACENGCOM intends to award a contract, and the contract scope contains any element of construction work, contracting officers shall consult with NAVFACENGCOM, as early as practicable in the acquisition planning process, to ensure HCA solicitations and contracts containing any element of construction work are properly structured, and the construction work under the contract is administered, in accordance with DON policy.

(B) NAVFACENGCOM will, upon request, assist contracting officers in determining whether the extent of construction activities to be performed under an HCA contract for supplies, equipment, services, or research and development, etc. requires a delegation of construction contracting authority from the Commander, NAVFACENGCOM (COMNAVFACENGCOM) and/or triggers the application of FAR Subpart 22.4, Labor Standards for Contracts Involving Construction. The delegation of authority is contingent on the HCA demonstrating, in a written request for authority, that contracting and technical/program personnel properly trained in construction contract administration and the labor standards applicable to construction work are available in the activity/organization.

## **5201.602 Contracting officers.**

### **5201.602-1 Authority.**

(b) Contract documents shall be forwarded to the appropriate attorney or attorneys in the Office of General Counsel for review as to form and legality.

### **5201.602-2 Responsibilities.**

(d)(v)(A) Notwithstanding FAR 1.602-2(d) and DFARS PGI 201.602-2(d)(v)(A), designation of a Contracting Officer's Representative (COR) for services contracts is not required when surveillance functions are delegated to and performed by a Contract Administration Office (CAO) or the contracting officer retains surveillance functions and executes CORs duties.

### **5201.602-3 Ratification of unauthorized commitments.**

(b)(1) Within 10 calendar days of determining the need for a ratification of an unauthorized commitment (UAC), the activity where the ratifiable action occurred shall report the UAC to its respective HCA in accordance with the Activity's procedures.

(b)(3)(i) The HCA (or designee) may delegate ratification authority as follows:

(A) Actions valued at \$50,000 or less - Not lower than the Activity CCO

(B) Actions valued at \$100,000 or less - Not lower than the Deputy/Assistant Commander for Contracts

(C) Actions valued greater than \$100,000 - HCA without power of delegation

(ii) The authority to ratify, at any level, reverts to the HCA without power of delegation if--

(A) For HCAs except NAVSUP: The HCA has 15 or more UACs exceeding the micro-

purchase threshold for that FY.

(B) NAVSUP: A Budget Submitting Office (BSO) supported by NAVSUP has more than four (4) UACs exceeding the micro-purchase threshold in a FY. Authority for delegation of ratification authority is by BSO.

When the person committing the UAC has made, or the contractor performing the UAC has submitted, a UAC at any point in the past.

(iii) For counting purposes, use the date that the ratifiable action occurred not the date of reporting.

(iv) The ability to delegate in accordance with (i) resets at the beginning of each FY.

(v) The HCA shall maintain records of all ratifications regardless of dollar value and review as part of its Procurement Performance Management Assessment Program (PPMAP) (see NMCARS 5201.691).

(a) HCAs shall establish procedures for ratification of UACs.

(b) When an activity receives a UAC that falls within another activity's unique contracting authority (as defined in 5201.601-90), one of two actions is required to address the UAC:

(1) Authority may be requested from the HCA with the unique contracting authority to address the UAC and complete the ratification (if necessary); or,

(2) The HCA with unique contracting authority ratifies the UAC or determines it is not a ratifiable action. If ratification is necessary, a Military Interdepartmental Purchase Request (MIPR) shall be executed and funded by the activity to which the employee who committed the UAC belongs. This MIPR shall be provided to the activity with the unique contracting authority to complete the ratification.

(c) The ratifying official and the contracting officer on the ratified action shall not be the same individual.

(d) DASN(P) reserves the right to request copies of any documentation at any point in the process.

(e) Reporting.

(1) The activity executing the ratification is responsible for reporting.

(2) Submit a quarterly report of all UACs/ratifications exceeding the micro-purchase threshold, approved at a level no lower than the Deputy/Assistant Commander for Contracts, in the format prescribed in Annex 15 to DASN(P) by e-mail at [Policy@navy.mil](mailto:Policy@navy.mil) with the subject "NMCARS 5201.602-3(S-90)(e)(2) - Quarterly Ratification Report", by January 31, April 30, July 31 and October 31. Negative reports are required.

## **5201.603 Selection, appointment, and termination of appointment for contracting officers.**

## **5201.603-1 General.**

HCAs are the agency head's designees for the selection and appointment of contracting officers, and for the termination of their appointments. HCAs will maintain records specifying who (by position/title/office) in the contracting chain of command may select, appoint and terminate appointment of qualified individuals within the contracting activity's cognizance and specify authority limits.

## **5201.603-2-90 Contracting officer warrants.**

Notification requirements. Submit copies of documentation supporting any warrants authorized pursuant to DFARS 201.603-2(3) and warrants issued pursuant to the exception at DFARS 201.603-2(2)(ii) to DASN(P) at [Policy@navy.mil](mailto:Policy@navy.mil) with the subject "DFARS 201.603-2(2)(ii) - Waiver of Contracting Officer Qualification" within five days of issuance.

5201.603-2-91 Contracting officer warrant issuance to non-DON employee.

Except where a DON activity is designated HCA for a joint-contracting operation, if there is a need to issue a warrant to a non-DON employee, an HCA must submit a waiver request to DASN(P) by email at [Policy@navy.mil](mailto:Policy@navy.mil) with the subject "DFARS 201.603-2 - Contracting Officer Warrant Issuance to a non-DON Employee" for approval, using the template in Annex 12, provided the individual is a civilian or military member of the DOD and meets applicable requirements commensurate to the proposed warrant level per 10 U.S.C.§1724.

## **5201.603-4 Termination.**

A Contracting Officer appointment shall be terminated in writing when the individual is transferred from the position due to reassignment or permanent change of station/duty; the need for a contracting officer function no longer exists; the individual retires, resigns or the Agency terminates his/her employment; or the individual fails to comply with laws and regulations governing the procurement process, including the delegated warrant authority and responsibilities. Warrants issued specifically for a contingency operation are only valid for the period during which the individual is assigned to support the contingency office and shall be terminated in writing upon detachment from that office. HCAs shall keep a copy of each terminated warrant for 10 years beyond the date of termination.

## **5201.690 Requirements to be met before entering into contracts.**

(a) Contract actions must be subject to review prior to award. The formal review process is conducted and documented through the use of the business clearance. The purpose of the business clearance is to demonstrate that the proposed decision on a contract action conforms to law, regulation, good business practices and DOD/DON acquisition policy.

(b) HCAs shall establish written procedures defining the types of contract actions that will require a business clearance, the applicable dollar thresholds, and the review and approval process. At a minimum, HCA procedures shall address business clearance requirements for the actions listed below. HCAs should expand this list, as appropriate.

(1) Contracts (including task and delivery orders against indefinite-delivery contracts, basic ordering agreements, blanket purchase agreements, and other contract tools).

(2) Contract modifications not within the scope or under the terms of an existing contract.

(3) Undefined contract actions (see DFARS Subpart 217.74.)

(4) Modifications and changes issued pursuant to the *Changes, Disputes, Economic Price Adjustment, Fair Labor Standards Act and Service Contract Labor Standards statute—Price Adjustment, Government Delay of Work, Government Property, Incentive Price Revision, Over and Above Work, Stop-Work Order, Termination, and Value Engineering* contract clauses.

(5) Settlement of claims or requests for equitable adjustment not addressed under paragraph (4) above.

(6) Retroactive pricing after completion, including final price determination.

(7) Definitization of any undefinitized or unpriced contract action, including change orders, Engineering Change Proposals, Value Engineering Change proposals, and Over and Above Work.

(8) Advance agreements on special or unusual cost items (see 5231.109.)

(9) Actions that result in the establishment, modification or rescission of a guarantee of performance on a government contract by a third party.

(c) The following contract actions do not require a business clearance, but the file must include the rationale for award sufficiently documented in a format prescribed by HCA procedures:

(1) Contract actions awarded using simplified acquisition procedures.

(2) Task orders or delivery orders issued under FAR Subpart 8.4, Federal Supply Schedules.

(3) Task orders or delivery orders issued on a firm-fixed price basis against indefinite-delivery type contracts for:

(i) supplies for which unit prices are established in the contract; or

(ii) services for which unit prices are established in the contract for specific tasks to be performed and where a statement of work/statement of objectives is not required.

(d) HCAs must establish business clearance approval levels at least one level above the individual responsible for conducting the negotiations; or, if negotiations are not required, for handling the proposed contract action. The degree and complexity of documentation required, and approval levels/thresholds, for various actions should be governed by the magnitude and complexity of the action being reviewed.

(e) Annex 2, Business Clearance Memorandum, contains the required content and recommended format to document decisions on contract actions that are subject to business clearance requirements. If an activity plans to use a format other than Annex 2, the activity shall notify DASN(P) by submitting its HCA approved alternate format by email at [RDAJ&As.fct@navy.mil](mailto:RDAJ&As.fct@navy.mil) with the subject "[Activity Name] NMCARS 5201.690 – Alternate Business Clearance Memorandum Format."

## **5201.691 Procurement management oversight.**

### **5201.691-1 Purpose.**

(a) The primary objective of procurement management oversight is to validate sound contracting practices throughout the DON. This oversight encourages and assists HCAs in making continuous improvements in their acquisition and procurement processes. It also provides a mechanism for sharing "best practices" throughout the DON. Procurement management oversight in the DON is conducted through the Procurement Performance Management Assessment Program (PPMAP). The PPMAP is a flexible, performance-based, process-oriented program that requires contracting activities to perform periodic self-assessments of:

(1) critical procurement processes used to manage and execute procurement operations within the HCA, including their associated outcomes;

(2) performance-based metrics; and,

(3) the results of employee and customer surveys.

(b) The HCA will use the results of these self-assessments to:

(1) evaluate the quality of its procurement processes and management systems;

(2) validate execution of delegated authority is occurring according to law and regulation;

(3) mitigate risk of vulnerabilities for fraud, waste or abuse to occur; and,

(4) take appropriate corrective actions, as needed, to improve or maintain the quality of procurement operations within the contracting activity.

### **5201.691-2 Responsibilities.**

(a) DASN(P) is responsible for managing and overseeing the performance of the DON contracting/procurement system by reviewing HCAs and other designated DON contracting organizations using the PPMAP as one of its primary methods to execute this responsibility. DASN(P) is also responsible for providing PPMAP guidance, as appropriate.

(b) Each HCA is responsible for performing management and oversight reviews of all procurement operations performed within the HCA, *i.e.* within Headquarters and at any subordinate contracting organization or field activity with delegated procurement authority, for procurement operations associated with any delegated authority, and at any other activities as directed by DASN(P) or higher-level authority. HCAs shall:

(1) establish written procedures implementing the DON PPMAP review process for the contracting activity;

(2) perform and document periodic self-assessments (and other internal reviews) to evaluate and improve the quality of the procurement organization's operations and processes within the contracting activity; and,

(3) conduct and document timely reviews of all subordinate organizations and field activities with delegated contracting/procurement authority to ensure execution of authority is performed according to law and regulation.

(c) HCAs will, upon request, provide contracting personnel, at a grade of GS-14 (or equivalent) or higher, to serve on DASN(P) PPMAP teams.

(d) Reporting requirements. HCAs shall provide DASN(P) the following information:

(1) By October 1st of each year, submit a PPMAP assessment plan for the new fiscal year identifying the self-assessments and activity reviews scheduled for the contracting activity, including the specific resources (by activity) that will be assigned to conduct that oversight.

(2) By January 30th of each year, submit a report summarizing for the contracting activity the outcome of the previous fiscal year's periodic self-assessments/internal compliance reviews performed on the contracting/procurement function at Headquarters and of on-site reviews/assessments conducted on subordinate contracting organizations and field activities with delegated procurement authority. The annual report should clearly convey the actions the HCA has taken to improve the quality of contracting/procurement operations within the contracting activity. At a minimum, the HCA's report must:

(i) include a summary of the findings noted for the contracting activity;

(ii) describe any statutory and/or regulatory deficiencies identified;

(iii) explain associated corrective actions taken either at the contracting activity-level or specific subordinate field activity-level;

(iv) identify best practices which could be useful to other DON contracting activities;

(v) include other relevant information, *i.e.* the results of the HCA's annual warrant file audits, acquisition staffing and workload analysis, external audits or reviews to include the status of relevant recommendations; and, if applicable,

(vi) address the actions taken in response to a DASN(P) PPMAP performed during the reporting period.

(3) Submit the required information in paragraphs (d)(1) and (2) above to DASN(P) by e-mail at [RDAJ&As.fct@navy.mil](mailto:RDAJ&As.fct@navy.mil) with the subject "[Activity Name] NMCARS 5201.691-2 - PPMAP Reporting." Reports must be signed by the HCA's senior contracting official.

(e) DASN(P) shall be advised in writing, within five calendar days, any time an HCA revokes, suspends or reduces contracting or purchase card authority delegated to a cognizant field contracting activity or subordinate organization. Submit notifications to DASN(P) by e-mail at [RDAJ&As.fct@navy.mil](mailto:RDAJ&As.fct@navy.mil) with the subject "[Activity Name] NMCARS 5201.691-2 -Revocation of [Contracting or Purchase Card] Authority."
