

## FAN in a Minute

### Episode 3: FAC 88

Welcome to your FAN in a Minute!

New FAR changes mean:

- Part A: [FAR Case 2015-018](#), Improvement in Design-Build Construction Process

The head of contracting activity needs to approve the decision to select more than five offerors to submit Phase Two proposals for two phase design build construction acquisitions valued at more than four million dollars.

- Part B: [FAR Case 2014-026](#), High Global Warming Potential Hydrofluorocarbons

When feasible, you must procure cleaner alternatives to High Global Warming Potential Hydrofluorocarbons or High GWP HFCs. The FAR also requires an annual reporting of HFCs contained in specified items delivered to the government.

- Part C: [FAR Case 2011-020](#), Basic Safeguarding of Contractor Information Systems

There is a new subpart and contract clause for the basic safeguarding of contractor information systems that process, store, or transmit federal contract information.

- Closing -
