PROCLTR 2018-

MEMORANDUM FOR PROCLTR DISTRIBUTION LIST

SUBJECT: End Use Certificates (EUC) (Defense Logistics Acquisition Directive (DLAD) 25.802-71)

This procurement letter (PROCLTR) is issued to implement Department of State policy directing contracting officers to use DSP-83 Form, United States of America Nontransfer and Use Certificate, when exporting items for FMS and non-FMS from the U.S. that require an end use certificate. This is also a reminder that only DLA Disposition will use DLA Form 1822, End-Use Certificate (Statement Regarding Disposition and Use of Property) for selling or property disposal.

Revised policy at DLAD 25.802-71 requires the mandatory use and processing of Department of State Form DSP-83, United States of America Nontransfer and End Use Certificate when exporting items from the U.S., and not the foreign country government end use certificate. Only DLA Disposition shall use DLA Form 1822, End-Use Certificate (Statement Regarding Disposition and Use of Property) for selling or property disposal. DoD Directive 2040.3 can be found at <http://www.esd.whs.mil/Directives/issuances/dodd/>. MSC requests for approval and execution of an EUC require coordination with the MSC Office of Counsel. DLA Acquisition Operations Division is the responsible office that will process the request for End Use Certificates and will coordinate with the Office of General Counsel and the DLA Political Advisor (POLAD). This coverage also provides estimated minimum processing days for each EUC category.

This PROCLTR is effective immediately. The DLAD is revised as stated in the attachment, which takes precedence over the published DLAD until this revision is incorporated in the published version. The DLA Acquisition Policy Division point of contact for Part 25 is Christine Cruz, (571) 767-6247, DSN 427-6247, or email: christine.cruz@dla.mil.
