

**SUBPART 246.6—MATERIAL INSPECTION AND RECEIVING REPORTS**

**246.670 General.**

- (a) Material Inspection and Receiving Reports (MIRRs) are used to document—
  - (1) Contract quality assurance;
  - (2) Acceptance of supplies and services; and
  - (3) Shipments.
- (b) MIRRs are used by activities responsible for—
  - (1) Receiving;
  - (2) Status control;
  - (3) Technical requirements;
  - (4) Contracting;
  - (5) Inventory control;
  - (6) Requisitioning; and
  - (7) Payment.

**246.671 Procedures.**

See Appendix F, Material Inspection and Receiving Report, for procedures and instructions for the use, preparation, and distribution of—

- (a) The Material Inspection and Receiving Report (DD Form 250 series) and;
- (b) Supplier's commercial shipping/packing lists used to evidence Government contract quality assurance.
