(Revised October 01, 1998)

219.000 Scope of part.

This part also implements 10 U.S.C. 2323, which sets a goal for DoD for each of fiscal years 1987 through 2000 to—

(1) Award five percent of contract and subcontract dollars to small disadvantaged business (SDB) concerns, historically black colleges and universities (HBCUs), and minority institutions (MIs) (See Part 226 for policy/procedures on HBCU/MIs); and

(2) Maximize the number of such entities in DoD contracting and subcontracting.

219.001 Definitions.

“Small disadvantaged business concern” as used in Subpart 217.4 (if the follower company will be a prime contractor), Subpart 219.11, and Subpart 236.6 (if the small disadvantaged business concern is a prime contractor or a participant in a joint venture at the prime contract level), is defined at FAR 19.001, paragraph (b) of the definition of “small disadvantaged business concern.” As used elsewhere in the DFARS, the term “small disadvantaged business concern,” for both prime contractors and subcontractors, is as defined at FAR 19.001, paragraph (b) of the definition of “small disadvantaged business concern,” except that the firm need not have received certification as a small disadvantaged business concern by the Small Business Administration or be listed on the register of small disadvantaged business concerns maintained by the Small Business Administration.
