- (9) The purchase is for medical services and--
 - (i) It involves a controlled substance or narcotic;
 - (ii) It requires the submission of a Health Care Summary Record to document the nature of the care purchased;
 - (iii) The ultimate price of the medical care is subject to an independent determination that changes the price paid based on application of a mandatory CHAMPUS Maximum Allowable Charge determination that reduces the Government liability below billed charges;
 - (iv) The Government already has entered into a contract to pay for the services without the use of a purchase card;
 - (v) The purchaser is a beneficiary seeking medical care; or
 - (vi) The senior local commander or director of a hospital or laboratory determines that use of the purchase card is not appropriate or cost-effective. The Medical Prime Vendor Program and the DoD Medical Electronic Catalog Program are two examples where use of the purchase card may not be cost-effective.
