FEDERAL ACQUISITION REGULATION

ISSUED MARCH 2005 BY THE:

GENERAL SERVICES ADMINISTRATION

DEPARTMENT OF DEFENSE

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

Subpart 4.6—Contract Reporting

4.600 Scope of subpart.

This subpart prescribes uniform reporting requirements for the Federal Procurement Data System (FPDS).

4.601 Definitions.

As used in this subpart—

“*Contract action*” means any oral or written action that results in the purchase, rent, or lease of supplies or equipment, services, or construction using appropriated dollars over the micro-purchase threshold, or modifications to these actions regardless of dollar value. Contract action does not include grants, cooperative agreements, other transactions, real property leases, requisitions from Federal stock, training authorizations, or other non-FAR based transactions.

“*Contract action report (CAR)*” means contract action data required to be entered into the Federal Procurement Data System (FPDS).

“*Definitive contract*” means any contract that must be reported to FPDS other than an indefinite delivery vehicle. This definition is only for FPDS, and is not intended to apply to [Part 16](#).

“*Entitlement program*” means a Federal program that guarantees a certain level of benefits to persons or other entities who meet requirements set by law, such as Social Security, farm price supports, or unemployment benefits.

“*Generic DUNS number*” means a DUNS number assigned to a category of vendors not specific to any individual or entity.

“*Indefinite delivery vehicle (IDV)*” means an indefinite delivery contract or agreement that has one or more of the following clauses:

- (1) [52.216-18](#), Ordering.
- (2) [52.216-19](#), Order Limitations.
- (3) [52.216-20](#), Definite Quantity.
- (4) [52.216-21](#), Requirements.
- (5) [52.216-22](#), Indefinite Quantity.
- (6) Any other clause allowing ordering.

4.602 General.

(a) The FPDS provides a comprehensive web-based tool for agencies to report contract actions. The resulting data provides—

(1) A basis for recurring and special reports to the President, the Congress, the Government Accountability Office, Federal executive agencies, and the general public;

(2) A means of measuring and assessing the effect of Federal contracting on the Nation's economy and the extent to which small, veteran-owned small, service-disabled veteran-owned small, HUBZone small, small disadvantaged, women-owned small business concerns, and AbilityOne nonprofit agencies operating under [41 U.S.C. chapter 85](#), Committee for

Purchase from People Who Are Blind or Severely Disabled, are sharing in Federal contracts;

(3) A means of measuring and assessing the effect of Federal contracting for promoting sustainable technologies, materials, products, and high-performance sustainable buildings. This is accomplished by collecting and reporting agency data on sustainable acquisition, including types of products purchased, the purchase costs, and the exceptions used for other than sustainable acquisition; and

(4) A means of measuring and assessing the effect of other policy and management initiatives (e.g., performance based acquisitions and competition).

(b) FPDS does not provide reports for certain acquisition information used in the award of a contract action (e.g., subcontracting data, funding data, or accounting data).

(c) The FPDS Web site, <https://www.fpds.gov>, provides instructions for submitting data. It also provides—

(1) A complete list of departments, agencies, and other entities that submit data to the FPDS;

(2) Technical and end-user guidance;

(3) A computer-based tutorial; and

(4) Information concerning reports not generated in FPDS.

4.603 Policy.

(a) In accordance with the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282), all unclassified Federal award data must be publicly accessible.

(b) Executive agencies shall use FPDS to maintain publicly available information about all unclassified contract actions exceeding the micro-purchase threshold, and any modifications to those actions that change previously reported contract action report data, regardless of dollar value.

(c) Agencies awarding assisted acquisitions or direct acquisitions must report these actions and identify the Program/Funding Agency and Office Codes from the applicable agency codes maintained by each agency at FPDS. These codes represent the agency and office that has provided the predominant amount of funding for the contract action. For assisted acquisitions, the requesting agency will receive socioeconomic credit for meeting agency small business goals, where applicable. Requesting agencies shall provide the appropriate agency/bureau component code as part of the written interagency agreement between the requesting and servicing agencies (see [17.502-1\(b\)\(1\)](#)).

(d) Agencies awarding contract actions with a mix of appropriated and non-appropriated funding shall only report the full appropriated portion of the contract action in FPDS.

4.604 Responsibilities.

(a) The Senior Procurement Executive in coordination with the head of the contracting activity is responsible for developing and monitoring a process to ensure timely and accurate reporting of contractual actions to FPDS.

(b)(1) The responsibility for the completion and accuracy of the individual contract action report (CAR) resides with the

contracting officer who awarded the contract action. CARs in a draft or error status in FPDS are not considered complete.

(2) The CAR must be confirmed for accuracy by the contracting officer prior to release of the contract award. The CAR must then be completed in FPDS within three business days after contract award.

(3) For any action awarded in accordance with FAR [6.302-2](#) or pursuant to any of the authorities listed at FAR subpart [18.2](#), the CAR must be completed in FPDS within 30 days after contract award.

(4) When the contracting office receives written notification that a contractor has changed its size status in accordance with the clause at [52.219-28](#), Post-Award Small Business Program Rerepresentation, the contracting officer shall update the size status in FPDS within 30 days after receipt of contractor's notification of rerepresentation.

(5) If after award of a contract, the contracting officer receives written notification of SBA's final decision on a protest concerning a size determination, the contracting officer shall update FPDS to reflect the final decision.

(c) The chief acquisition officer of each agency required to report its contract actions must submit to the General Services Administration (GSA), in accordance with FPDS guidance, within 120 days after the end of each fiscal year, an annual certification of whether, and to what degree, agency CAR data for the preceding fiscal year is complete and accurate.

4.605 Procedures.

(a) *Procurement Instrument Identifier (PIID)*. Agencies shall have in place a process that ensures that each PIID reported to FPDS is unique Governmentwide, for all solicitations, contracts, blanket purchase agreements, basic agreements, basic ordering agreements, or orders in accordance with [4.1601](#), and will remain so for at least 20 years from the date of contract award. Other pertinent PIID instructions for FPDS reporting can be found at <https://www.fpds.gov>.

(b) *Data Universal Numbering System*. The contracting officer must identify and report a Data Universal Numbering System (DUNS) number (Contractor Identification Number) for the successful offeror on a contract action. The DUNS number reported must identify the successful offeror's name and address as stated in the offer and resultant contract, and as registered in the System for Award Management database in accordance with the provision at [52.204-7](#), System for Award Management. The contracting officer must ask the offeror to provide its DUNS number by using either the provision at [52.204-6](#), Data Universal Numbering System Number, the provision at [52.204-7](#), System for Award Management, or the provision at [52.212-1](#), Instructions to Offerors—Commercial Items.

(c) *Generic DUNS number*. (1) The use of a generic DUNS number should be limited, and only used in the situations described in paragraph (c)(2) of this section. Use of a generic DUNS number does not supersede the requirements of either provisions [52.204-6](#) or [52.204-7](#) (if present in the

solicitation) for the contractor to have a DUNS number assigned.

(2) Authorized generic DUNS numbers, maintained by the Integrated Award Environment (IAE) program office (<https://www.acquisition.gov>), may be used to report contracts in lieu of the contractor's actual DUNS number only for—

(i) Contract actions valued at or below \$25,000 that are awarded to a contractor that is—

(A) A student;

(B) A dependent of either a veteran, foreign service officer, or military member assigned outside the United States and its outlying areas (as defined in [2.101](#)); or

(C) Located outside the United States and its outlying areas for work to be performed outside the United States and its outlying areas and the contractor does not otherwise have a DUNS number;

(ii) Contracts valued above \$25,000 awarded to individuals located outside the United States and its outlying areas for work to be performed outside the United States and its outlying areas; or

(iii) Contracts when specific public identification of the contracted party could endanger the mission, contractor, or recipients of the acquired goods or services. The contracting officer must include a written determination in the contract file of a decision applicable to authority under this paragraph (c)(2)(iii).

(d) *American Recovery and Reinvestment Act actions*. The contracting officer, when entering data in FPDS, shall use the instructions at <https://www.fpds.gov> to identify any action funded in whole or in part by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5).

4.606 Reporting Data.

(a) *Actions required to be reported to FPDS*. (1) As a minimum, agencies must report the following contract actions over the micro-purchase threshold, regardless of solicitation process used, and agencies must report any modification to these contract actions that change previously reported contract action data, regardless of dollar value:

(i) Definitive contracts, including purchase orders and imprest fund buys over the micro-purchase threshold awarded by a contracting officer.

(ii) Indefinite delivery vehicle (identified as an "IDV" in FPDS). Examples of IDVs include the following:

(A) Task and Delivery Order Contracts (see [Subpart 16.5](#)), including—

(1) Government-wide acquisition contracts.

(2) Multi-agency contracts.

(B) GSA Federal supply schedules.

(C) Blanket Purchase Agreements (see [13.303](#)).

(D) Basic Ordering Agreements (see [16.703](#)).

(E) Any other agreement or contract against which individual orders or purchases may be placed.

exceptions when it determines in writing that it is in the best interest of the Government that the enactment should apply to contracts or subcontracts not greater than the simplified acquisition threshold.

(c) The provisions of paragraph (b) of this section do not apply to laws that—

(1) Provide for criminal or civil penalties; or

(2) Specifically state that notwithstanding the language of [41 U.S.C. 1905](#), the enactment will be applicable to contracts or subcontracts in amounts not greater than the simplified acquisition threshold.

(d) Any individual may petition the Administrator, Office of Federal Procurement Policy (OFPP), to include any applicable provision of law not included on the list set forth in paragraph (a) of this section unless the FAR Council has already determined in writing that the law is applicable. The Administrator, OFPP, will include the law on the list in paragraph (a) of this section unless the FAR Council makes a determination that it is applicable within 60 days of receiving the petition.

13.006 Inapplicable provisions and clauses.

While certain statutes still apply, pursuant to Public Law 103-355, the following provisions and clauses are inapplicable to contracts and subcontracts at or below the simplified acquisition threshold:

(a) [52.203-5](#), Covenant Against Contingent Fees.

(b) [52.203-6](#), Restrictions on Subcontractor Sales to the Government.

(c) [52.203-7](#), Anti-Kickback Procedures.

(d) [52.215-2](#), Audits and Records—Negotiation, except as used with its Alternate I, when using funds appropriated or otherwise made available by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5).

(e) [52.222-4](#), Contract Work Hours and Safety Standards—Overtime Compensation.

(f) [52.223-6](#), Drug-Free Workplace, except for individuals.

(g) [52.223-9](#), Estimate of Percentage of Recovered Material Content for EPA-Designated Items.

Subpart 13.1—Procedures

13.101 General.

(a) In making purchases, contracting officers shall—

(1) Comply with the policy in [7.202](#) relating to economic purchase quantities, when practicable;

(2) Satisfy the procedures described in [Subpart 19.6](#) with respect to Certificates of Competency before rejecting a quotation, oral or written, from a small business concern determined to be nonresponsible (see [Subpart 9.1](#)); and

(3) Provide for the inspection of supplies or services as prescribed in [46.404](#).

(b) In making purchases, contracting officers should—

(1) Include related items (such as small hardware items or spare parts for vehicles) in one solicitation and make award on an “all-or-none” or “multiple award” basis provided suppliers are so advised when quotations or offers are requested;

(2) Incorporate provisions and clauses by reference in solicitations and in awards under requests for quotations, provided the requirements in [52.102](#) are satisfied;

(3) Make maximum effort to obtain trade and prompt payment discounts (see [14.408-3](#)). Prompt payment discounts shall not be considered in the evaluation of quotations; and

(4) Use bulk funding to the maximum extent practicable. Bulk funding is a system whereby the contracting officer receives authorization from a fiscal and accounting officer to obligate funds on purchase documents against a specified lump sum of funds reserved for the purpose for a specified period of time rather than obtaining individual obligational authority on each purchase document. Bulk funding is particularly appropriate if numerous purchases using the same type of funds are to be made during a given period.

13.102 Source list.

(a) Contracting officers should use the System for Award Management database (see subpart [4.11](#)) via <https://www.acquisition.gov> as their primary sources of vendor information. Offices maintaining additional vendor source files or listings should identify the status of each source (when the status is made known to the contracting office) in the following categories:

(1) Small business.

(2) Small disadvantaged business.

(3) Women-owned small business concern, including economically disadvantaged women-owned small business concerns and women-owned small business concerns eligible under the Women-owned Small Business (WOSB) Program.

(4) HUBZone small business.

(5) Service-disabled veteran-owned small business.

(6) Veteran-owned small business.

(b) The status information may be used as the basis to ensure that small business concerns are provided the maximum practicable opportunities to respond to solicitations issued using simplified acquisition procedures.

13.103 Use of standing price quotations.

Authorized individuals do not have to obtain individual quotations for each purchase. Standing price quotations may be used if—

(a) The pricing information is current; and

(b) The Government obtains the benefit of maximum discounts before award.

13.104 Promoting competition.

The contracting officer must promote competition to the maximum extent practicable to obtain supplies and services

from the source whose offer is the most advantageous to the Government, considering the administrative cost of the purchase.

(a) The contracting officer must not—

- (1) Solicit quotations based on personal preference; or
- (2) Restrict solicitation to suppliers of well-known and widely distributed makes or brands.

(b) If using simplified acquisition procedures and not providing access to the notice of proposed contract action and solicitation information through the Governmentwide point of entry (GPE), maximum practicable competition ordinarily can be obtained by soliciting quotations or offers from sources within the local trade area. Unless the contract action requires synopsis pursuant to [5.101](#) and an exception under [5.202](#) is not applicable, consider solicitation of at least three sources to promote competition to the maximum extent practicable. Whenever practicable, request quotations or offers from two sources not included in the previous solicitation.

13.105 Synopsis and posting requirements.

(a) The contracting officer must comply with the public display and synopsis requirements of [5.101](#) and [5.203](#) unless an exception in [5.202](#) applies.

(b) When acquiring commercial items or supplies or services procured in accordance with 12.102(f)(1), the contracting officer may use a combined synopsis and solicitation. In these cases, a separate solicitation is not required. The contracting officer must include enough information to permit suppliers to develop quotations or offers.

(c) See [5.102\(a\)\(6\)](#) for the requirement to post a brand name justification or documentation required by [13.106-1\(b\)](#) or [13.501](#).

(d) When publicizing contract actions funded in whole or in part by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5):

- (1) Notices of proposed contract actions shall follow the procedures in [5.704](#) for posting orders.
- (2) Award notices shall follow the procedures in [5.705](#).

13.106 Soliciting competition, evaluation of quotations or offers, award and documentation.

13.106-1 Soliciting competition.

(a) *Considerations.* In soliciting competition, the contracting officer shall consider the guidance in [13.104](#) and the following before requesting quotations or offers:

- (1)(i) The nature of the article or service to be purchased and whether it is highly competitive and readily available in several makes or brands, or is relatively noncompetitive.
- (ii) An electronic commerce method that employs widespread electronic public notice is not available; and
- (iii) The urgency of the proposed purchase.
- (iv) The dollar value of the proposed purchase.

(v) Past experience concerning specific dealers' prices.

(2) When soliciting quotations or offers, the contracting officer shall notify potential quoters or offerors of the basis on which award will be made (price alone or price and other factors, e.g., past performance and quality). Contracting officers are encouraged to use best value. Solicitations are not required to state the relative importance assigned to each evaluation factor and subfactor, nor are they required to include subfactors.

(b) *Soliciting from a single source.* (1) *For purchases not exceeding the simplified acquisition threshold.* (i) Contracting officers may solicit from one source if the contracting officer determines that the circumstances of the contract action deem only one source reasonably available (e.g., urgency, exclusive licensing agreements, brand-name or industrial mobilization).

(ii) Where a single source is identified to provide a portion of a purchase because that portion of the purchase specifies a particular brand-name item, the documentation in paragraph (b)(1)(i) of this section only applies to the portion of the purchase requiring the brand-name item. The documentation should state it is covering only the portion of the acquisition which is brand-name.

(2) *For purchases exceeding the simplified acquisition threshold.* The requirements at [13.501\(a\)](#) apply to sole-source (including brand-name) acquisitions of commercial items conducted pursuant to subpart [13.5](#).

(3) See [5.102\(a\)\(6\)](#) for the requirement to post the brand-name justification or documentation.

(c) *Soliciting orally.*(1) The contracting officer shall solicit quotations orally to the maximum extent practicable, if—

- (i) The acquisition does not exceed the simplified acquisition threshold;
- (ii) Oral solicitation is more efficient than soliciting through available electronic commerce alternatives; and
- (iii) Notice is not required under [5.101](#).

(2) However, an oral solicitation may not be practicable for contract actions exceeding \$30,000 unless covered by an exception in [5.202](#).

(d) *Written solicitations.* If obtaining electronic or oral quotations is uneconomical or impracticable, the contracting officer should issue paper solicitations for contract actions likely to exceed \$30,000. The contracting officer shall issue a written solicitation for construction requirements exceeding \$2,000.

(e) *Use of options.* Options may be included in solicitations, provided the requirements of [Subpart 17.2](#) are met and the aggregate value of the acquisition and all options does not exceed the dollar threshold for use of simplified acquisition procedures.

Subpart 14.5—Two-Step Sealed Bidding

14.501 General.

Two-step sealed bidding is a combination of competitive procedures designed to obtain the benefits of sealed bidding when adequate specifications are not available. An objective is to permit the development of a sufficiently descriptive and not unduly restrictive statement of the Government's requirements, including an adequate technical data package, so that subsequent acquisitions may be made by conventional sealed bidding. This method is especially useful in acquisitions requiring technical proposals, particularly those for complex items. It is conducted in two steps:

(a) Step one consists of the request for, submission, evaluation, and (if necessary) discussion of a technical proposal. No pricing is involved. The objective is to determine the acceptability of the supplies or services offered. As used in this context, the word "technical" has a broad connotation and includes, among other things, the engineering approach, special manufacturing processes, and special testing techniques. It is the proper step for clarification of questions relating to technical requirements. Conformity to the technical requirements is resolved in this step, but not responsibility as defined in 9.1.

(b) Step two involves the submission of sealed priced bids by those who submitted acceptable technical proposals in step one. Bids submitted in step two are evaluated and the awards made in accordance with [Subparts 14.3](#) and [14.4](#).

14.502 Conditions for use.

(a) Unless other factors require the use of sealed bidding, two-step sealed bidding may be used in preference to negotiation when all of the following conditions are present:

(1) Available specifications or purchase descriptions are not definite or complete or may be too restrictive without technical evaluation, and any necessary discussion, of the technical aspects of the requirement to ensure mutual understanding between each source and the Government.

(2) Definite criteria exist for evaluating technical proposals.

(3) More than one technically qualified source is expected to be available.

(4) Sufficient time will be available for use of the two-step method.

(5) A firm-fixed-price contract or a fixed-price contract with economic price adjustment will be used.

(b) None of the following precludes the use of two-step sealed bidding:

(1) Multi-year contracting.

(2) Government property to be made available to the successful bidder.

(3) A total small business set-aside (see [19.502-2](#)).

(4) The use of the price evaluation adjustment for small disadvantaged business concerns (see [Subpart 19.11](#)).

(5) The use of a set-aside or price evaluation preference for HUBZone small business concerns (see [Subpart 19.13](#)).

(6) The use of a set-aside for service-disabled veteran-owned small business concerns (see [Subpart 19.14](#)).

(7) The use of a set-aside for economically disadvantaged women-owned small business concerns and women-owned small business concerns eligible under the Women-Owned Small Business Program (see subpart [19.15](#)).

(8) A first or subsequent production quantity is being acquired under a performance specification.

14.503 Procedures.

14.503-1 Step one.

(a) Requests for technical proposals shall be synopsisized in accordance with [Part 5](#). The request must include, as a minimum, the following:

(1) A description of the supplies or services required.

(2) A statement of intent to use the two-step method.

(3) The requirements of the technical proposal.

(4) The evaluation criteria, to include all factors and any significant subfactors.

(5) A statement that the technical proposals shall not include prices or pricing information.

(6) The date, or date and hour, by which the proposal must be received (see [14.201-6\(r\)](#)).

(7) A statement that—

(i) In the second step, only bids based upon technical proposals determined to be acceptable, either initially or as a result of discussions, will be considered for awards, and

(ii) Each bid in the second step must be based on the bidder's own technical proposals.

(8) A statement that—

(i) Offerors should submit proposals that are acceptable without additional explanation or information,

(ii) The Government may make a final determination regarding a proposal's acceptability solely on the basis of the proposal as submitted; and

(iii) The Government may proceed with the second step without requesting further information from any offeror; however, the Government may request additional information from offerors of proposals that it considers reasonably susceptible of being made acceptable, and may discuss proposals with their offerors.

(9) A statement that a notice of unacceptability will be forwarded to the offeror upon completion of the proposal evaluation and final determination of unacceptability.

(10) A statement either that only one technical proposal may be submitted by each offeror or that multiple technical proposals may be submitted. When specifications permit different technical approaches, it is generally in the Govern-

ment's interest to authorize multiple proposals. If multiple proposals are authorized, see [14.201-6\(s\)](#).

(b) Information on delivery or performance requirements may be of assistance to bidders in determining whether or not to submit a proposal and may be included in the request. The request shall also indicate that the information is not binding on the Government and that the actual delivery or performance requirements will be contained in the invitation issued under step two.

(c) Upon receipt, the contracting officer shall—

(1) Safeguard proposals against disclosure to unauthorized persons;

(2) Accept and handle data marked in accordance with [15.609](#) as provided in that section; and

(3) Remove any reference to price or cost.

(d) The contracting officer shall establish a time period for evaluating technical proposals. The period may vary with the complexity and number of proposals involved. However, the evaluation should be completed quickly.

(e)(1) Evaluations shall be based on the criteria in the request for proposals but not consideration of responsibility as defined in 9.1, Proposals, shall be categorized as—

(i) Acceptable;

(ii) Reasonably susceptible of being made acceptable; or

(iii) Unacceptable.

(2) Any proposal which modifies, or fails to conform to the essential requirements or specifications of, the request for technical proposals shall be considered nonresponsive and categorized as unacceptable.

(f)(1) The contracting officer may proceed directly with step two if there are sufficient acceptable proposals to ensure adequate price competition under step two, and if further time, effort and delay to make additional proposals acceptable and thereby increase competition would not be in the Government's interest. If this is not the case, the contracting officer shall request bidders whose proposals may be made acceptable to submit additional clarifying or supplementing information. The contracting office shall identify the nature of the deficiencies in the proposal or the nature of the additional information required. The contracting officer may also

arrange discussions for this purpose. No proposal shall be discussed with any offeror other than the submitter.

(2) In initiating requests for additional information, the contracting officer shall fix an appropriate time for bidders to conclude discussions, if any, submit all additional information, and incorporate such additional information as part of their proposals submitted. Such time may be extended in the discretion of the contracting officer. If the additional information incorporated as part of a proposal within the final time fixed by the contracting officer establishes that the proposal is acceptable, it shall be so categorized. Otherwise, it shall be categorized as unacceptable.

(g) When a technical proposal is found unacceptable (either initially or after clarification), the contracting officer shall promptly notify the offeror of the basis of the determination and that a revision of the proposal will not be considered. Upon written request, the contracting officer shall debrief unsuccessful offerors (see [15.505](#) and [15.506](#)).

(h) Late technical proposals are governed by [15.208\(b\)](#), (c), and (f).

(i) If it is necessary to discontinue two-step sealed bidding, the contracting officer shall include a statement of the facts and circumstances in the contract file. Each offeror shall be notified in writing. When step one results in no acceptable technical proposal or only one acceptable technical proposal, the acquisition may be continued by negotiation.

14.503-2 Step two.

(a) Sealed bidding procedures shall be followed except that invitations for bids shall—

(1) Be issued only to those offerors submitting acceptable technical proposals in step one;

(2) Include the provision prescribed in [14.201-6\(t\)](#);

(3) Prominently state that the bidder shall comply with the specifications and the bidder's technical proposal; and

(4) Not be synopsisized through the Governmentwide point of entry (GPE) as an acquisition opportunity nor publicly posted (see [5.101\(a\)](#)).

(b) The names of firms that submitted acceptable proposals in step one will be listed through the GPE for the benefit of prospective subcontractors (see [5.207](#)).

Subpart 15.5—Preaward, Award, and Postaward Notifications, Protests, and Mistakes

15.501 Definition.

“Day,” as used in this subpart, has the meaning set forth at [33.101](#).

15.502 Applicability.

This subpart applies to competitive proposals, as described in [6.102\(b\)](#), and a combination of competitive procedures, as described in [6.102\(c\)](#). The procedures in [15.504](#), [15.506](#), [15.507](#), [15.508](#), and [15.509](#), with reasonable modification, should be followed for sole source acquisitions and acquisitions described in [6.102\(d\)\(1\)](#) and (2).

15.503 Notifications to unsuccessful offerors.

(a) *Preaward notices*— (1) *Preaward notices of exclusion from competitive range*. The contracting officer shall notify offerors promptly in writing when their proposals are excluded from the competitive range or otherwise eliminated from the competition. The notice shall state the basis for the determination and that a proposal revision will not be considered.

(2) *Preaward notices for small business programs*.

(i) In addition to the notice in paragraph (a)(1) of this section, the contracting officer shall notify each offeror in writing prior to award, upon completion of negotiations, determinations of responsibility, and, if necessary, the process in [19.304\(d\)](#)—

(A) When using a small business set-aside (see [Subpart 19.5](#));

(B) When a small disadvantaged business concern receives a benefit based on its disadvantaged status (see [Subpart 19.11](#) and [19.1202](#)) and is the apparently successful offeror;

(C) When using the HUBZone procedures in [19.1305](#) or [19.1307](#);

(D) When using the service-disabled veteran-owned small business procedures in [19.1405](#); or

(E) When using the Women-Owned Small Business Program procedures in [19.1505](#).

(ii) The notice shall state—

(A) The name and address of the apparently successful offeror;

(B) That the Government will not consider subsequent revisions of the offeror’s proposal; and

(C) That no response is required unless a basis exists to challenge the size status or small business status of the apparently successful offeror (*e.g.*, small business concern, small disadvantaged business concern, HUBZone small business concern, service-disabled veteran-owned small business concern, economically disadvantaged women-owned

small business concern, or women-owned small business concern eligible under the Women-Owned Small Business Program).

(iii) The notice is not required when the contracting officer determines in writing that the urgency of the requirement necessitates award without delay or when the contract is entered into under the 8(a) program (see [19.805-2](#)).

(b) *Postaward notices*. (1) Within 3 days after the date of contract award, the contracting officer shall provide written notification to each offeror whose proposal was in the competitive range but was not selected for award ([10 U.S.C. 2305\(b\)\(5\)](#) and [41 U.S.C. 3704](#)) or had not been previously notified under paragraph (a) of this section. The notice shall include—

(i) The number of offerors solicited;

(ii) The number of proposals received;

(iii) The name and address of each offeror receiving an award;

(iv) The items, quantities, and any stated unit prices of each award. If the number of items or other factors makes listing any stated unit prices impracticable at that time, only the total contract price need be furnished in the notice. However, the items, quantities, and any stated unit prices of each award shall be made publicly available, upon request; and

(v) In general terms, the reason(s) the offeror’s proposal was not accepted, unless the price information in paragraph (b)(1)(iv) of this section readily reveals the reason. In no event shall an offeror’s cost breakdown, profit, overhead rates, trade secrets, manufacturing processes and techniques, or other confidential business information be disclosed to any other offeror.

(2) Upon request, the contracting officer shall furnish the information described in paragraph (b)(1) of this section to unsuccessful offerors in solicitations using simplified acquisition procedures in [Part 13](#).

(3) Upon request, the contracting officer shall provide the information in paragraph (b)(1) of this section to unsuccessful offerors that received a preaward notice of exclusion from the competitive range.

15.504 Award to successful offeror.

The contracting officer shall award a contract to the successful offeror by furnishing the executed contract or other notice of the award to that offeror.

(a) If the award document includes information that is different than the latest signed proposal, as amended by the offeror’s written correspondence, both the offeror and the contracting officer shall sign the contract award.

(b) When an award is made to an offeror for less than all of the items that may be awarded and additional items are being withheld for subsequent award, each notice shall state that the Government may make subsequent awards on those additional items within the proposal acceptance period.

(c) If the [Optional Form \(OF\) 307](#), Contract Award, [Standard Form \(SF\) 26](#), Award/Contract, or [SF 33](#), Solicitation, Offer and Award, is not used to award the contract, the first page of the award document shall contain the Government's acceptance statement from Block 15 of that form, exclusive of the Item 3 reference language, and shall contain the contracting officer's name, signature, and date. In addition, if the award document includes information that is different than the signed proposal, as amended by the offeror's written correspondence, the first page shall include the contractor's agreement statement from Block 14 of the [OF 307](#) and the signature of the contractor's authorized representative.

15.505 Preaward debriefing of offerors.

Offerors excluded from the competitive range or otherwise excluded from the competition before award may request a debriefing before award ([10 U.S.C. 2305\(b\)\(6\)\(A\)](#) and [41 U.S.C. 3705](#)).

(a)(1) The offeror may request a preaward debriefing by submitting a written request for debriefing to the contracting officer within 3 days after receipt of the notice of exclusion from the competition.

(2) At the offeror's request, this debriefing may be delayed until after award. If the debriefing is delayed until after award, it shall include all information normally provided in a postaward debriefing (see [15.506\(d\)](#)). Debriefings delayed pursuant to this paragraph could affect the timeliness of any protest filed subsequent to the debriefing.

(3) If the offeror does not submit a timely request, the offeror need not be given either a preaward or a postaward debriefing. Offerors are entitled to no more than one debriefing for each proposal.

(b) The contracting officer shall make every effort to debrief the unsuccessful offeror as soon as practicable, but may refuse the request for a debriefing if, for compelling reasons, it is not in the best interests of the Government to conduct a debriefing at that time. The rationale for delaying the debriefing shall be documented in the contract file. If the contracting officer delays the debriefing, it shall be provided no later than the time postaward debriefings are provided under [15.506](#). In that event, the contracting officer shall include the information at [15.506\(d\)](#) in the debriefing.

(c) Debriefings may be done orally, in writing, or by any other method acceptable to the contracting officer.

(d) The contracting officer should normally chair any debriefing session held. Individuals who conducted the evaluations shall provide support.

(e) At a minimum, preaward debriefings shall include—

(1) The agency's evaluation of significant elements in the offeror's proposal;

(2) A summary of the rationale for eliminating the offeror from the competition; and

(3) Reasonable responses to relevant questions about whether source selection procedures contained in the solicitation, applicable regulations, and other applicable authorities were followed in the process of eliminating the offeror from the competition.

(f) Preaward debriefings shall not disclose—

(1) The number of offerors;

(2) The identity of other offerors;

(3) The content of other offerors' proposals;

(4) The ranking of other offerors;

(5) The evaluation of other offerors; or

(6) Any of the information prohibited in [15.506\(e\)](#).

(g) An official summary of the debriefing shall be included in the contract file.

15.506 Postaward debriefing of offerors.

(a)(1) An offeror, upon its written request received by the agency within 3 days after the date on which that offeror has received notification of contract award in accordance with [15.503\(b\)](#), shall be debriefed and furnished the basis for the selection decision and contract award.

(2) To the maximum extent practicable, the debriefing should occur within 5 days after receipt of the written request. Offerors that requested a postaward debriefing in lieu of a preaward debriefing, or whose debriefing was delayed for compelling reasons beyond contract award, also should be debriefed within this time period.

(3) An offeror that was notified of exclusion from the competition (see [15.505\(a\)](#)), but failed to submit a timely request, is not entitled to a debriefing.

(4)(i) Untimely debriefing requests may be accommodated.

(ii) Government accommodation of a request for delayed debriefing pursuant to [15.505\(a\)\(2\)](#), or any untimely debriefing request, does not automatically extend the deadlines for filing protests. Debriefings delayed pursuant to [15.505\(a\)\(2\)](#) could affect the timeliness of any protest filed subsequent to the debriefing.

(b) Debriefings of successful and unsuccessful offerors may be done orally, in writing, or by any other method acceptable to the contracting officer.

(c) The contracting officer should normally chair any debriefing session held. Individuals who conducted the evaluations shall provide support.

(d) At a minimum, the debriefing information shall include—

(1) The Government's evaluation of the significant weaknesses or deficiencies in the offeror's proposal, if applicable;

(2) The overall evaluated cost or price (including unit prices) and technical rating, if applicable, of the successful offeror and the debriefed offeror, and past performance information on the debriefed offeror;

ited to particular contracts unless the SBA size determination finds general affiliation between the parties. The rules governing 8(a) Program joint ventures are described in 13 CFR 124.513.

(iv) Where a concern is not considered as being an affiliate of a concern with which it is participating in a joint venture, it is necessary, nevertheless, in computing annual receipts, etc., for the purpose of applying size standards, to include such concern's share of the joint venture receipts (as distinguished from its share of the profits of such venture).

(v) *Franchise and license agreements.* If a concern operates or is to operate under a franchise (or a license) agreement, the following policy is applicable: In determining whether the franchisor controls or has the power to control and, therefore, is affiliated with the franchisee, the restraints imposed on a franchisee by its franchise agreement shall not be considered, provided that the franchisee has the right to profit from its effort and the risk of loss or failure, commensurate with ownership. Even though a franchisee may not be controlled by the franchisor by virtue of the contractual relationship between them, the franchisee may be controlled by the franchisor or others through common ownership or common management, in which case they would be considered as affiliated.

(vi) *Size determination for teaming arrangements.* For size determination purposes, apply the size standard tests in paragraphs (7)(i)(A) and (B) of this section when a teaming arrangement of two or more business concerns submits an offer, as appropriate.

“Annual receipts.” (1) Annual receipts of a concern which has been in business for 3 or more complete fiscal years means the annual average gross revenue of the concern taken for the last 3 fiscal years. For the purpose of this definition, gross revenue of the concern includes revenues from sales of products and services, interest, rents, fees, commissions and/or whatever other sources derived, but less returns and allowances, sales of fixed assets, interaffiliate transactions between a concern and its domestic and foreign affiliates, and taxes collected for remittance (and if due, remitted) to a third party. Such revenues shall be measured as entered on the regular books of account of the concern whether on a cash, accrual, or other basis of accounting acceptable to the U.S. Treasury Department for the purpose of supporting Federal income tax returns, except when a change in accounting method from cash to accrual or accrual to cash has taken place during such 3-year period, or when the completed contract method has been used.

(i) In any case of change in accounting method from cash to accrual or accrual to cash, revenues for such 3-year period shall, prior to the calculation of the annual average, be restated to the accrual method. In any case, where the completed contract method has been used to account for revenues

in such 3-year period, revenues must be restated on an accrual basis using the percentage of completion method.

(ii) In the case of a concern which does not keep regular books of accounts, but which is subject to U.S. Federal income taxation, “annual receipts” shall be measured as reported, or to be reported to the U.S. Treasury Department, Internal Revenue Service, for Federal income tax purposes, except that any return based on a change in accounting method or on the completed contract method of accounting must be restated as provided for in the preceding paragraphs.

(2) Annual receipts of a concern that has been in business for less than 3 complete fiscal years means its total receipts for the period it has been in business, divided by the number of weeks including fractions of a week that it has been in business, and multiplied by 52. In calculating total receipts, the definitions and adjustments related to a change of accounting method and the completed contract method of paragraph (1) of this definition, are applicable.

“Number of employees” is a measure of the average employment of a business concern and means its average employment, including the employees of its domestic and foreign affiliates, based on the number of persons employed on a full-time, part-time, temporary, or other basis during each of the pay periods of the preceding 12 months. If a business has not been in existence for 12 months, “number of employees” means the average employment of such concern and its affiliates during the period that such concern has been in existence based on the number of persons employed during each of the pay periods of the period that such concern has been in business. If a business has acquired an affiliate during the applicable 12-month period, it is necessary, in computing the applicant's number of employees, to include the affiliate's number of employees during the entire period, rather than only its employees during the period in which it has been an affiliate. The employees of a former affiliate are not included, even if such concern had been an affiliate during a portion of the period.

19.102 Size standards.

(a)(1) The SBA establishes small business size standards on an industry-by-industry basis. (See 13 CFR Part 121). Small business size standards matched to industry NAICS codes are published by the Small Business Administration and are available at <http://www.sba.gov/content/table-small-business-size-standards>.

(2) NAICS codes are updated by the Office of Management and Budget through its Economic Classification Policy Committee every five years. New NAICS codes are not available for use in Federal contracting until the Small Business Administration publishes corresponding industry size standards (see 19.102(a)(1)).

(b) Small business size standards are applied by—

(1) Classifying the product or service being acquired in the industry whose definition, as found in the North American Industry Classification System (NAICS) Manual (available at <http://www.census.gov/eos/www/naics/>), best describes the principal nature of the product or service being acquired;

(2) Identifying the size standard SBA established for that industry; and

(3) Specifying the size standard in the solicitation so that offerors can appropriately represent themselves as small or large.

(c) For size standard purposes, a product or service shall be classified in only one industry, whose definition best describes the principal nature of the product or service being acquired even though for other purposes it could be classified in more than one.

(d) When acquiring a product or service that could be classified in two or more industries with different size standards, contracting officers shall apply the size standard for the industry accounting for the greatest percentage of the contract price.

(e) If a solicitation calls for more than one item and allows offers to be submitted on any or all of the items, an offeror must meet the size standard for each item it offers to furnish. If a solicitation calling for more than one item requires offers on all or none of the items, an offeror may qualify as a small business by meeting the size standard for the item accounting for the greatest percentage of the total contract price.

(f) Any concern submitting a bid or offer in its own name, other than on a construction or service contract, that proposes to furnish an end product it did not manufacture (a “nonmanufacturer”), is a small business if it has no more than 500 employees, and—

(1) Except as provided in paragraphs (f)(4) through (f)(7) of this section, in the case of Government acquisitions set-aside for small businesses, furnishes in the performance of the contract, the product of a small business manufacturer or producer. The end product furnished must be manufactured or produced in the United States or its outlying areas. The term “nonmanufacturer” includes a concern that can, but elects not to, manufacture or produce the end product for the specific acquisition. For size determination purposes, there can be only one manufacturer of the end product being acquired. The manufacturer of the end product being acquired is the concern that, with its own forces, transforms inorganic or organic substances including raw materials and/or miscellaneous parts or components into the end product. However, see the limitations on subcontracting at [52.219-14](#) that apply to any small business offeror other than a nonmanufacturer for purposes of set-asides and 8(a) awards, [52.219-3](#) for HUBZone set-asides and HUBZone sole source awards, [52.219-27](#) for SDVOSB set-asides and SDVOSB sole source awards, [52.219-29](#) for economically disadvantaged women-owned small business

set-asides, and [52.219-30](#) for set-asides for women-owned small business concerns eligible under the women-owned small business program.

(2) A concern which purchases items and packages them into a kit is considered to be a nonmanufacturer small business and can qualify as such for a given acquisition if it meets the size qualifications of a small nonmanufacturer for the acquisition, and if more than 50 percent of the total value of the kit and its contents are accounted for by items manufactured by small business.

(3) For the purpose of receiving a Certificate of Competency on an unrestricted acquisition, a small business nonmanufacturer may furnish any domestically produced or manufactured product.

(4) In the case of acquisitions set aside for small business or awarded under section 8(a) of the Small Business Act, when the acquisition is for a specific product (or a product in a class of products) for which the SBA has determined that there are no small business manufacturers or processors in the Federal market, then the SBA may grant a class waiver so that a nonmanufacturer does not have to furnish the product of a small business. For the most current listing of classes for which SBA has granted a waiver, contact an SBA Office of Government Contracting. A listing is also available on SBA’s Internet Homepage at <http://www.sba.gov/content/class-waivers>. Contracting officers may request that the SBA waive the nonmanufacturer rule for a particular class of products. For procedures in requesting a waiver see 13 CFR 121.1204.

(5) For a specific solicitation, a contracting officer may request a waiver of that part of the nonmanufacturer rule which requires that the actual manufacturer or processor be a small business concern if no known domestic small business manufacturers or processors can reasonably be expected to offer a product meeting the requirements of the solicitation.

(6) Requests for waivers shall be sent to the—

Associate Administrator for Government Contracting
United States Small Business Administration
Mail Code 6250
409 Third Street, SW
Washington, DC 20416.

(7) The SBA provides for an exception to the nonmanufacturer rule if—

(i) The procurement of a manufactured end product processed under the procedures set forth in [Part 13](#)—

(A) Is set aside for small business; and

(B) Is not anticipated to exceed \$25,000; and

(ii) The offeror supplies an end product that is manufactured or produced in the United States or its outlying areas.

(8) For non-manufacturer rules pertaining to HUBZone contracts, see [19.1303\(e\)](#).

Subpart 19.3—Determination of Small Business Status for Small Business Programs

19.301 Representations and rerepresentations.

19.301-1 Representation by the offeror.

(a) To be eligible for award as a small business, an offeror must represent in good faith that it is a small business at the time of its written representation. An offeror may represent that it is a small business concern in connection with a specific solicitation if it meets the definition of a small business concern applicable to the solicitation and has not been determined by the Small Business Administration (SBA) to be other than a small business.

(b) The contracting officer shall accept an offeror's representation in a specific bid or proposal that it is a small business unless (1) another offeror or interested party challenges the concern's small business representation or (2) the contracting officer has a reason to question the representation. Challenges of and questions concerning a specific representation shall be referred to the SBA in accordance with [19.302](#).

(c) An offeror's representation that it is a small business is not binding on the SBA. If an offeror's small business status is challenged, the SBA will evaluate the status of the concern and make a determination, which will be binding on the contracting officer, as to whether the offeror is a small business. A concern cannot become eligible for a specific award by taking action to meet the definition of a small business concern after the SBA has determined that it is not a small business.

(d) If the SBA determines that the status of a concern as a small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, or women-owned small business has been misrepresented in order to obtain a set-aside contract, an 8(a) subcontract, a subcontract that is to be included as part or all of a goal contained in a subcontracting plan, or a prime or subcontract to be awarded as a result, or in furtherance of any other provision of Federal law that specifically references Section 8(d) of the Small Business Act for a definition of program eligibility, the SBA may take action as specified in Sections 16(a) or 16(d) of the Act. If the SBA declines to take action, the agency may initiate the process. The SBA's regulations on penalties for misrepresentations and false statements are contained in 13 CFR 121.108 for small business, 13 CFR 124.501 for 8(a) small business, 13 CFR 124.1004 for small disadvantaged business, 13 CFR 125.29 for veteran or service-disabled veteran-owned small business, 13 CFR 126.900 for HUBZone small business, and 13 CFR 127.700 for economically disadvantaged women-owned small business concerns and women-owned small business (WOSB) concerns eligible under the WOSB Program.

19.301-2 Rerepresentation by a contractor that represented itself as a small business concern.

(a) *Definition.* As used in this subsection—

Long-term contract means a contract of more than five years in duration, including options. However, the term does not include contracts that exceed five years in duration because the period of performance has been extended for a cumulative period not to exceed six months under the clause at [52.217-8](#), Option to Extend Services, or other appropriate authority.

(b) A contractor that represented itself as a small business concern before contract award must rerepresent its size status for the North American Industry Classification System (NAICS) code in the contract upon the occurrence of any of the following:

(1) Within 30 days after execution of a novation agreement or within 30 days after modification of the contract to include the clause at [52.219-28](#), Post-Award Small Business Program Rerepresentation, if the novation agreement was executed prior to inclusion of this clause in the contract.

(2) Within 30 days after a merger or acquisition of the contractor that does not require novation or within 30 days after modification of the contract to include the clause at [52.219-28](#), Post-Award Small Business Program Rerepresentation, if the merger or acquisition occurred prior to inclusion of this clause in the contract.

(3) For long-term contracts—

(i) Within 60 to 120 days prior to the end of the fifth year of the contract; and

(ii) Within 60 to 120 days prior to the date specified in the contract for exercising any option thereafter.

(c) A contractor must rerepresent its size status in accordance with the size standard in effect at the time of its rerepresentation that corresponds to the NAICS code that was initially assigned to the contract.

(d) After a contractor rerepresents it is other than small in accordance with [52.219-28](#), the agency may no longer include the value of options exercised, modifications issued, orders issued, or purchases made under blanket purchase agreements on that contract in its small business prime contracting goal achievements. Agencies should issue a modification to the contract capturing the rerepresentation and report it to FPDS within 30 days after notification of the rerepresentation.

(e) A change in size status does not change the terms and conditions of the contract.

19.301-3 Rerepresentation by a contractor that represented itself as other than a small business concern.

A contractor that represented itself as other than small before contract award may, but is not required to, rerepresent its size status when—

(a) The conditions in [19.301-2](#)(b) apply; and

(b) The contractor qualifies as a small business concern under the applicable size standard in effect at the time of its rerepresentation.

19.302 Protesting a small business representation or rerepresentation.

(a)(1) The Small Business Administration (SBA) regulations on small business size and size protests are found at 13 CFR part 121.

(2) An offeror, the SBA, or another interested party may protest the small business representation of an offeror in a specific offer. However, for competitive 8(a) contracts, the filing of a protest is limited to an offeror, the contracting officer, or the SBA.

(b) Any time after offers are opened, the contracting officer may question the small business representation of any offeror in a specific offer by filing a contracting officer's protest (see paragraph (c) of this section).

(c)(1) Any contracting officer who receives a protest, whether timely or not, or who, as the contracting officer, wishes to protest the small business representation of an offeror, or rerepresentation of a contractor, shall promptly forward the protest to the SBA Government Contracting Area Director at the Government Contracting Area Office serving the area in which the headquarters of the offeror is located.

(2) The protest, or confirmation if the protest was initiated orally, shall be in writing and shall contain the basis for the protest with specific, detailed evidence to support the allegation that the offeror is not small. The SBA will dismiss any protest that does not contain specific grounds for the protest.

(3) The protest shall include a referral letter written by the contracting officer with information pertaining to the solicitation. The referral letter must include the following information to allow SBA to determine timeliness and standing:

- (i) The protest and any accompanying materials.
- (ii) A copy of the size self-certification.
- (iii) Identification of the applicable size standard.
- (iv) A copy or an electronic link to the solicitation and any amendments.
- (v) The name, address, telephone number, email address, and fax number of the contracting officer.
- (vi) Identification of the bid opening date or the date of notification provided to unsuccessful offerors.
- (vii) The date the contracting officer received the protest.
- (viii) A complete address and point of contact for the protested concern.

(d) In order to affect a specific solicitation, a protest must be timely. SBA's regulations on timeliness are contained in 13 CFR 121.1004. SBA's regulations on timeliness related to protests of disadvantaged status are contained in 13 CFR 124, Subpart B.

(1) To be timely, a protest by any concern or other interested party must be received by the contracting officer (see paragraphs (d)(1)(i) and (ii) of this section) by the close of business of the fifth business day after bid opening (in sealed bid acquisitions) or receipt of the special notification from the contracting officer that identifies the apparently successful offeror (in negotiated acquisitions) (see [15.503\(a\)\(2\)](#)).

(i) A protest may be made orally if it is confirmed in writing and received by the contracting officer within the 5-day period or by letter postmarked no later than 1 business day after the oral protest.

(ii) A protest may be made in writing if it is delivered to the contracting officer by hand, telegram, mail, facsimile, e-mail, express or overnight delivery service.

(2) Except as provided in paragraph (d)(4) of this section, a protest filed by the contracting officer or SBA is always considered timely whether filed before or after award.

(3) A protest under a Multiple Award Schedule will be timely if received by SBA at any time prior to the expiration of the contract period, including renewals.

(4) A protest filed before bid opening, or notification to offerors of the selection of the apparent successful offeror, will be dismissed as premature by SBA.

(e) Upon receipt of a protest from or forwarded by the Contracting Office, the SBA will—

(1) Notify the contracting officer and the protester of the date it was received, and that the size of the concern being challenged is under consideration by the SBA; and

(2) Furnish to the concern whose representation is being protested a copy of the protest and a blank SBA Form 355, Application for Small Business Determination, by certified mail, return receipt requested.

(f)(1) Within 15 business days after receipt of a protest or request for a formal size determination or within any extension of time granted by the contracting officer the SBA Area Office will determine the size status of the challenged concern. The SBA Area Office will notify the contracting officer, the protester, and the challenged concern of its decision by a verifiable means, which may include facsimile, electronic mail, or overnight delivery service.

(2) Award may be made to a protested concern after the SBA Area Office has determined that either the protested concern is an eligible small business or has dismissed all protests against it.

(3) If SBA's Office of Hearings and Appeals (OHA) subsequently overturns the Area Office's determination of eligibility or dismissal, and contract award has not been made, the contracting officer may apply the OHA decision to the procurement in question.

(g)(1) After receiving a protest involving an offeror being considered for award, the contracting officer shall not award the contract until the SBA has made a size determination or 15 business days have expired since SBA's receipt of a protest, whichever occurs first; however, award shall not be with-

held when the contracting officer determines in writing that an award must be made to protect the public interest.

(2) If SBA has not made a determination within 15 business days, or within any extension of time granted by the contracting officer, the contracting officer may award the contract after determining in writing that there is an immediate need to award the contract and that waiting until SBA makes its determination will be disadvantageous to the Government.

(3) SBA may, at its sole discretion, reopen a formal size determination to correct an error or mistake, if it is within the appeal period and no appeal has been filed with OHA or, a final decision has not been rendered by the SBA Area Office or OHA.

(4) If a protest is received that challenges the small business status of an offeror not being considered for award, the contracting officer is not required to suspend contract action. The contracting officer shall forward the protest to the SBA (see paragraph (c)(1) of this section) with a notation that the concern is not being considered for award, and shall notify the protester of this action.

(h) An appeal from an SBA size determination may be filed by any concern or other interested party whose protest of the small business representation of another concern has been denied by an SBA Government Contracting Area Director, any concern or other interested party that has been adversely affected by an SBA Government Contracting Area Director's decision, or the SBA Associate Administrator for the SBA program involved. The appeal must be filed with the Office of Hearings and Appeals, Small Business Administration, Suite 5900, 409 3rd Street, SW., Washington, DC 20416, within the time limits and in strict accordance with the procedures contained in Subpart C of 13 CFR 134. It is within the discretion of the SBA Judge whether to accept an appeal from a size determination. If a post-award appeal is submitted to OHA within the time limits specified in Subpart C of 13 CFR 134, the contracting officer shall consider suspending contract performance until an SBA Judge decides the appeal. SBA will inform the contracting officer of its ruling on the appeal. SBA's decision, if received before award, will apply to the pending acquisition. If the contracting officer has made a written determination in accordance with (g)(1) or (2) of this section, the contract has been awarded, the SBA ruling is received after award, and OHA finds the protested concern to be ineligible for award, the contracting officer shall terminate the contract unless termination is not in the best interests of the Government, in keeping with the circumstances described in the written determination. However, the contracting officer shall not exercise any options or award further task or delivery orders.

(i) SBA will dismiss untimely protests. A protest that is not timely, even though received before award, shall be forwarded to the SBA Government Contracting Area Office (see paragraph (c)(1) of this section), with a notation on it that the protest is not timely. A protest received by a contracting officer after award of a contract shall be forwarded to the SBA

Government Contracting Area Office with a notation that award has been made.

(j) When a concern is found to be other than small under a protest concerning a size status rerepresentation made in accordance with the clause at [52.219-28](#), Post-Award Small Business Program Rerepresentation, a contracting officer may permit contract performance to continue, issue orders, or exercise option(s), because the contract remains a valid contract.

19.303 Determining North American Industry Classification System codes and size standards.

(a)(1) The contracting officer shall determine the appropriate North American Industry Classification System (NAICS) code and related small business size standard and include them in solicitations above the micro-purchase threshold. For information on size standards matched to industry NAICS codes, including the use of new NAICS codes, see also 19.102(a).

(2) The contracting officer shall select the NAICS code which best describes the principal purpose of the product or service being acquired. Primary consideration is given to the industry descriptions in the U.S. NAICS Manual, the product or service description in the solicitation and any attachments to it, the relative value and importance of the components of the procurement making up the end item being procured, and the function of the goods or services being purchased. A procurement is usually classified according to the component which accounts for the greatest percentage of contract value. A concern that submits an offer or quote for a contract where the NAICS code assigned to the contract is one for supplies, and furnishes a product it did not itself manufacture or produce, is categorized as a nonmanufacturer and deemed small if it meets the requirements of 19.102(f).

(b) If different products or services are required in the same solicitation, the solicitation shall identify the appropriate small business size standard for each product or service.

(c) The contracting officer's determination is final unless appealed as follows: (1) An appeal from a contracting officer's NAICS code designation and the applicable size standard must be served and filed within 10 calendar days after the issuance of the initial solicitation or any amendment affecting the NAICS code or size standard. However, SBA may file a NAICS code appeal at any time before offers are due.

(2) Appeals from a contracting officer's NAICS code designation or applicable size standard may be filed with SBA's Office of Hearings and Appeals by—

(i) Any person adversely affected by a NAICS code designation or applicable size standard. However, with respect to a particular sole source 8(a) contract, only the SBA Associate Administrator for Business Development may appeal a NAICS code designation; or

(ii) The Associate or Assistant Director for the SBA program involved, through SBA's Office of General Counsel.

(3) Contracting officers shall advise the public, by amendment to the solicitation, of the existence of a NAICS code appeal (see 5.102(a)(1)). Such notices shall include the procedures and the deadline for interested parties to file and serve arguments concerning the appeal.

(4) SBA's Office of Hearings and Appeals (OHA) will dismiss summarily an untimely NAICS code appeal.

(5)(i) The appeal petition must be in writing and must be addressed to the Office of Hearings and Appeals, Small Business Administration, Suite 5900, 409 3rd Street, SW., Washington, DC 20416.

(ii) There is no required format for the appeal; however, the appeal must include—

(A) The solicitation or contract number and the name, address, email address, and telephone number of the contracting officer;

(B) A full and specific statement as to why the NAICS code designation is allegedly erroneous and argument supporting the allegation; and

(C) The name, address, telephone number, and signature of the appellant or its attorney.

(6) The appellant must serve the appeal petition upon—

(i) The contracting officer who assigned the NAICS code to the acquisition; and

(ii) SBA's Office of General Counsel, Associate General Counsel for Procurement Law, 409 Third Street, SW., Washington, DC 20416, facsimile 202-205-6873, or email at OPLService@sba.gov.

(7) Upon receipt of a NAICS code appeal, OHA will notify the contracting officer by a notice and order of the date OHA received the appeal, the docket number, and Judge assigned to the case. The contracting officer's response to the appeal, if any, must include argument and evidence (see 13 CFR Part 134), and must be received by OHA within 15 calendar days from the date of the docketing notice and order, unless otherwise specified by the Administrative Judge. Upon receipt of OHA's docketing notice and order, the contracting officer must withhold award, unless withholding award is not in the best interests of the Government, and immediately send to OHA an electronic link to or a paper copy of both the original solicitation and all amendments relating to the NAICS code appeal. The contracting officer will inform OHA of any amendments, actions, or developments concerning the procurement in question.

(8) After close of record, OHA will issue a decision and inform the contracting officer. If OHA's decision is received by the contracting officer before the date the offers are due, the decision shall be final and the solicitation must be amended to reflect the decision, if appropriate. OHA's decision received after the due date of the initial offers shall not apply to the

pending solicitation but shall apply to future solicitations of the same products or services.

(d) SBA's regulations concerning appeals of NAICS code designations are found at 13 CFR 121.1101 to 121.1103 and 13 CFR part 134.

19.304 Disadvantaged business status.

(a) To be eligible to receive a benefit as a prime contractor based on its disadvantaged status, a concern, at the time of its offer, must either be certified as a small disadvantaged business (SDB) concern or have a completed SDB application pending at the SBA or a Private Certifier (see [19.001](#)).

(b) The contracting officer may accept an offeror's representation that it is an SDB concern for general statistical purposes. The provision at [52.219-1](#), Small Business Program Representations, or [52.212-3\(c\)\(4\)](#), Offeror Representations and Certifications-Commercial Items, is used to collect SDB data for general statistical purposes.

(c) The provision at [52.219-22](#), Small Disadvantaged Business Status, or [52.212-3\(c\)\(8\)](#), Offeror Representations and Certifications-Commercial Items, is used to obtain SDB status when the prime contractor may receive a benefit based on its disadvantaged status. The mechanisms that may provide benefits on the basis of disadvantaged status as a prime contractor are a price evaluation adjustment for SDB concerns (see [Subpart 19.11](#)), and an evaluation factor or subfactor for SDB participation (see [19.1202](#)).

(1) If the apparently successful offeror has represented that it is currently certified as an SDB, the contracting officer may confirm that the concern is identified as a small disadvantaged business concern by accessing SBA's database (PRO-Net) or by contacting the SBA's Office of Small Disadvantaged Business Certification and Eligibility.

(2) If the apparently successful offeror has represented that its SDB application is pending at the SBA or a Private Certifier, and its position as the apparently successful offeror is due to the application of the price evaluation adjustment, the contracting officer shall follow the procedure in paragraph (d) of this section.

(d) Notifications to SBA of potential awards to offerors with pending SDB applications.

(1) The contracting officer shall notify the—

Small Business Administration
Assistant Administrator for SDBCE
409 Third Street, SW
Washington, DC 20416.

The notification shall contain the name of the apparently successful offeror, and the names of any other offerors that have represented that their applications for SDB status are pending at the SBA or a Private Certifier and that could receive the award due to the application of a price evaluation adjustment

if the apparently successful offeror is determined not to be an SDB by the SBA.

(2) The SBA will, within 15 calendar days after receipt of the notification, determine the disadvantaged status of the apparently successful offeror and, as appropriate, any other offerors referred by the contracting officer and will notify the contracting officer.

(3) If the contracting officer does not receive an SBA determination within 15 calendar days after the SBA's receipt of the notification, the contracting officer shall presume that the apparently successful offeror, and any other offerors referred by the contracting officer, are not disadvantaged, and shall make award accordingly, unless the contracting officer grants an extension to the 15-day response period. No written determination is required for the contracting officer to make award at any point following the expiration of the 15-day response period.

(4) When the contracting officer makes a written determination that award must be made to protect the public interest, the contracting officer may proceed to contract award without notifying SBA or before receiving a determination of SDB status from SBA during the 15-day response period. In both cases, the contracting officer shall presume that the apparently successful offeror, or any other offeror referred to the SBA whose SDB application is pending, is not an SDB and shall make award accordingly.

19.305 Protesting a representation of disadvantaged business status.

(a) This section applies to protests of a small business concern's disadvantaged status as a prime contractor. Protests of a small business concern's disadvantaged status as a subcontractor are processed under [19.703\(a\)\(2\)](#). Protests of a concern's size as a prime contractor are processed under [19.302](#). Protests of a concern's size as a subcontractor are processed under [19.703\(b\)](#). An offeror, the contracting officer, or the SBA may protest the apparently successful offeror's representation of disadvantaged status if the concern is eligible to receive a benefit based on its disadvantaged status (see [Subpart 19.11](#) and [19.1202](#).)

(b) An offeror, excluding an offeror determined by the contracting officer to be non-responsive or outside the competitive range, or an offeror that SBA has previously found to be ineligible for the requirement at issue, may protest the apparently successful offeror's representation of disadvantaged status by filing a protest in writing with the contracting officer. SBA regulations concerning protests are contained in 13 CFR 124, Subpart B. The protest—

(1) Must be filed within the times specified in [19.302\(d\)\(1\)](#); and

(2) Must contain specific facts or allegations supporting the basis of protest.

(c) The contracting officer or the SBA may protest in writing a concern's representation of disadvantaged status at any time following bid opening or notification of intended award.

(1) If a contracting officer's protest is based on information provided by a party ineligible to protest directly or ineligible to protest under the timeliness standard, the contracting officer must be persuaded by the evidence presented before adopting the grounds for protest as his or her own.

(2) The SBA may protest a concern's representation of disadvantaged status by filing directly with its Assistant Administrator for Small Disadvantaged Business Certification and Eligibility and notifying the contracting officer.

(d) The contracting officer shall return premature protests to the protestor. A protest is considered to be premature if it is submitted before bid opening or notification of intended award. SBA normally will not consider a postaward protest. SBA may consider a postaward protest in its discretion where it determines that an SDB determination after award is meaningful (*e. g.*, where the contracting officer agrees to terminate the contract if the protest is sustained).

(e) Upon receipt of a protest that is not premature, the contracting officer shall withhold award and forward the protest to—

Small Business Administration
Assistant Administrator for SDBCE
409 Third Street, SW
Washington, DC 20416.

The contracting officer shall send to SBA—

(1) The written protest and any accompanying materials;

(2) The date the protest was received;

(3) A copy of the protested concern's representation as a small disadvantaged business, and the date of such representation; and

(4) The date of bid opening or date on which notification of the apparently successful offeror was sent to unsuccessful offerors.

(f) When the contracting officer makes a written determination that award must be made to protect the public interest, award may be made notwithstanding the protest.

(g) The SBA Assistant Administrator for Small Disadvantaged Business Certification and Eligibility will notify the protestor and the contracting officer of the date the protest was received and whether it will be processed or dismissed for lack of timeliness or specificity. For protests that are not dismissed, the SBA will, within 15 working days after receipt of the protest, determine the disadvantaged status of the challenged offeror and will notify the contracting officer, the challenged offeror, and the protestor. Award may be made on the basis of that determination. The determination is final for purposes of the instant acquisition, unless it is appealed and—

(1) The contracting officer receives the SBA's decision on the appeal before award; or

(2) The contracting officer has agreed to terminate the contract, as appropriate, based on the outcome of the appeal (see 13 CFR 124, Subpart B).

(h) If the contracting officer does not receive an SBA determination within 15 working days after the SBA's receipt of the protest, the contracting officer shall presume that the challenged offeror is disadvantaged and may award the contract, unless the SBA requests and the contracting officer grants an extension to the 15-day response period.

(i) An SBA determination may be appealed by—

- (1) The party whose protest has been denied;
- (2) The concern whose status was protested; or
- (3) The contracting officer.

(j) The appeal must be filed with the SBA's Administrator or designee within five working days after receipt of the determination. If the contracting officer receives the SBA's decision on the appeal before award, the decision shall apply to the instant acquisition. If the decision is received after award, it will not apply to the instant acquisition (but see paragraph (g)(2) of this section).

19.306 Protesting a firm's status as a HUBZone small business concern.

(a) *Definition.* As used in this section—

“Interested party” has the meaning given in 13 CFR 126.103.

(b)(1) An offeror that is an interested party, the contracting officer, or the SBA may protest the apparently successful offeror's status as a qualified historically underutilized business zone (HUBZone) small business concern (see 13 CFR 126.800).

(2) SBA's protest regulations are found in subpart H “Protests” at 13 CFR 126.800 through 126.805.

(c) Protests relating to small business size status are subject to the procedures of 19.302. An interested party seeking to protest both the small business size and HUBZone status of an apparent successful offeror shall file two separate protests. Protests relating to small business size status for the acquisition and the HUBZone qualifying requirements will be processed concurrently by SBA.

(d) All protests must be in writing and must state all specific grounds for the protest.

(1) SBA will consider protests challenging the status of a concern if the protest presents evidence that—

(i) The concern is not a qualified HUBZone small business concern as described at 13 CFR 126.103 and 13 CFR 126.200;

(ii) The principal office is not located in a HUBZone; or

(iii) At least 35 percent of the employees do not reside in a HUBZone.

(2) Assertions that a protested concern is not a qualified HUBZone small business concern, without setting forth specific facts or allegations, will not be considered by SBA (see 13 CFR 126.801(b)).

(e) *Protest by an interested party.* (1) An interested party shall submit its protest to the contracting officer—

(i) For sealed bids—

(A) By the close of business on the fifth business day after bid opening; or

(B) By the close of business on the fifth business day from the date of identification of the apparent successful offeror, if the price evaluation preference was not applied at the time of bid opening; or

(ii) For negotiated acquisitions, by the close of business on the fifth business day after notification by the contracting officer of the apparently successful offeror.

(2) Any protest received after the designated time limits is untimely, unless it is from the contracting officer or SBA.

(f)(1) The contracting officer shall forward all protests to SBA. The protests are to be submitted to the Director, HUBZone Program, U.S. Small Business Administration, 409 Third Street, SW, Washington, DC 20416 or by fax to 202-205-7167, Attn: HUBZone Small Business Status Protest.

(2) The protest shall include a referral letter written by the contracting officer with information pertaining to the solicitation. The referral letter must include the following information to allow SBA to determine timeliness and standing:

(i) The solicitation number (or an electronic link to or a paper copy of the solicitation).

(ii) The name, address, telephone number, fax number, and email address, of the contracting officer.

(iii) The type of HUBZone contract.

(iv) Whether the procurement was conducted using full and open competition with a HUBZone price evaluation preference, and whether the protester's opportunity for award was affected by the preference.

(v) If a HUBZone set-aside, whether the protester submitted an offer.

(vi) Whether the protested concern was the apparent successful offeror.

(vii) Whether the procurement was conducted using sealed bid or negotiated procedures.

(viii) The bid opening date, if applicable. If a price evaluation preference was applied after the bid opening date, also provide the date of identification of the apparent successful offeror.

(ix) The date the contracting officer received the protest.

(x) Whether a contract has been awarded.

(g) SBA will notify the protester and the contracting officer of the date SBA received the protest.

(h) *Before SBA decision.* (1) After receiving a protest involving the apparent successful offeror’s status as a HUBZone small business concern, the contracting officer shall either—

(i) Withhold award of the contract until SBA determines the status of the protested concern; or

(ii) Award the contract after receipt of the protest but before SBA issues its decision if the contracting officer determines in writing that an award must be made to protect the public interest.

(2) SBA will determine the merits of the status protest within 15 business days after receipt of a protest, or within any extension of time granted by the contracting officer.

(3) If SBA does not issue its determination within 15 business days, or within any extension of time granted, the contracting officer may award the contract after determining in writing that there is an immediate need to award the contract and that waiting until SBA makes its determination will be disadvantageous to the Government. This determination shall be provided to the SBA’s HUBZone Program Director.

(i) *After SBA decision.* The HUBZone Program Director will notify the contracting officer, the protester, and the protested concern of the SBA determination. The determination is effective immediately and is final unless overturned on appeal by SBA’s Associate Administrator, Office of Government Contracting and Business Development (AA/GCBD).

(1) If the contracting officer has withheld contract award and SBA has determined that the protested concern is an eligible HUBZone or dismissed all protests against the protested concern, the contracting officer may award the contract to the protested concern. If AA/GCBD subsequently overturns the decision of the HUBZone Program Director, the contracting officer may apply the AA/GCBD decision to the procurement in question.

(2) If the contracting officer has withheld award and the HUBZone Program Director has determined that the protested concern is ineligible, and a timely AA/GCBD appeal has not been filed, then the contracting officer shall not award the contract to the protested concern.

(3) If the contracting officer has made a written determination in accordance with (h)(1)(ii) or (h)(3) of this section, awarded the contract, and the HUBZone Program Director’s ruling sustaining the protest is received after award—

(i) The contracting officer shall terminate the contract, unless the contracting officer has made a written determination that termination is not in the best interests of the Government. However, the contracting officer shall not exercise any options or award further task or delivery orders under the contract;

(ii) The contracting officer shall update the Federal Procurement Data System to reflect the final decision of the HUBZone Program Director if no appeal is filed; and

(iii) The concern’s designation as a certified HUBZone small business concern will be removed by SBA from the Dynamic Small Business Database. The concern shall not submit an offer as a HUBZone small business concern, until SBA issues a decision that the ineligibility is resolved.

(4) If the contracting officer has made a written determination in accordance with (h)(1)(ii) or (h)(3) of this section, awarded the contract, SBA has sustained the protest and determined that the concern is not a HUBZone small business, and a timely AA/GCBD appeal has been filed, then the contracting officer shall consider whether performance can be suspended until an AA/GCBD decision is rendered.

(5) If AA/GCBD affirms the decision of the HUBZone Program Director, finding the protested concern is ineligible, and contract award has occurred—

(i) The contracting officer shall terminate the contract, unless the contracting officer has made a written determination that termination is not in the best interest of the Government. However, the contracting officer shall not exercise any options or award further task or delivery orders.

(ii) The contracting officer shall update the FPDS to reflect the AA/GCBD decision; and

(iii) The SBA will remove the concern’s designation as a certified HUBZone small business concern. The concern shall not submit an offer as a HUBZone small business concern until SBA issues a decision that the ineligibility is resolved or AA/GCBD finds the concern is eligible on appeal.

(6) A concern found to be ineligible during a HUBZone status protest is precluded from applying for HUBZone certification for 90 calendar days from the date of the SBA final decision.

(j) *Appeals of HUBZone status determinations.* The protested HUBZone small business concern, the protester, or the contracting officer may file appeals of protest determinations with SBA’s AA/GC&BD. The AA/GC&BD must receive the appeal no later than 5 business days after the date of receipt of the protest determination. SBA will dismiss any untimely appeal.

(k) *The appeal must be in writing.* The appeal must identify the protest determination being appealed and must set forth a full and specific statement as to why the decision is erroneous or what significant fact the HUBZone Program Director failed to consider.

(l)(1) The party appealing the decision must provide notice of the appeal to—

(i) The contracting officer;

(ii) HUBZone Program Director, U.S. Small Business Administration, 409 Third Street, SW., Washington, DC 20416 or by fax to 202-205-7167; and

(iii) The protested HUBZone small business concern or the original protester, as appropriate.

(2) SBA will not consider additional information or changed circumstances that were not disclosed at the time of

the Director/HUB's decision or that are based on disagreement with the findings and conclusions contained in the determination.

(m) The AA/GCBD will make its decision within 5 business days of the receipt of the appeal, if practicable, and will base its decision only on the information and documentation in the protest record as supplemented by the appeal. SBA will provide a copy of the decision to the contracting officer, the protester, and the protested HUBZone small business concern. The SBA decision, if received before award, will apply to the pending acquisition. The AA/GCBD's decision is the final decision.

(n) The AA/GC&BD will make its decision within 5 business days of the receipt of the appeal, if practicable, and will base its decision only on the information and documentation in the protest record as supplemented by the appeal. SBA will provide a copy of the decision to the contracting officer, the protester, and the protested HUBZone small business concern. The SBA decision, if received before award, will apply to the pending acquisition. SBA rulings received after award will not apply to that acquisition. The AA/GC&BD's decision is the final decision.

19.307 Protesting a firm's status as a service-disabled veteran-owned small business concern.

(a) *Definition. Interested party*, as used in this section, has the meaning given in 13 CFR 125.8(b).

(b)(1) An offeror that is an interested party, the contracting officer, or the SBA may protest the apparently successful offeror's status as a service-disabled veteran-owned small business (SDVOSB) concern (see 13 CFR 125.24).

(2) SBA's protest regulations are found in subpart D "Protests" at 13 CFR 125.24 through 125.28.

(c) Protests relating to small business size status are subject to the procedures of 19.302. An interested party seeking to protest both the small business size and service-disabled veteran-owned small business status of an apparent successful offeror shall file two separate protests.

(d) All protests must be in writing and must state all specific grounds for the protest.

(1) SBA will consider protests challenging the service disabled veteran-owned status or the ownership and control of a concern if—

(i) For status protests, the protester presents evidence supporting the contention that the owner(s) cannot provide documentation from the Department of Veterans Affairs, Department of Defense determinations, or the U.S. National Archives and Records Administration to show that they meet the definition of "service-disabled veteran" or "service disabled veteran with a permanent and severe disability" as set forth in 13 CFR 125.8; or

(ii) For ownership and control protests, the protester presents evidence that the concern is not 51 percent owned

and controlled by one or more service-disabled veterans. In the case of a veteran with a permanent and severe disability, the protester presents evidence that the concern is not controlled by the veteran, spouse, or permanent caregiver of such veteran.

(2) Assertions that a protested concern is not a service-disabled veteran-owned small business concern, without setting forth specific facts or allegations, will not be considered by SBA (see 13 CFR 125.25(b)).

(e) *Protest by an interested party.* (1) An offeror shall submit its protest to the contracting officer

(i) To be received by close of business on the fifth business day after bid opening (in sealed bid acquisitions); or

(ii) To be received by close of business on the fifth business day after notification by the contracting officer of the apparently successful offeror for negotiated acquisitions).

(2) Any protest received after the designated time limits is untimely, unless it is from the contracting officer or SBA.

(f)(1) The contracting officer shall forward all protests to SBA. The protests are to be submitted to SBA's Director, Office of Government Contracting, U.S. Small Business Administration, 409 Third Street, SW, Washington, DC 20416 or by fax to 202-205-6390, Attn: Service-Disabled Veteran Status Protest.

(2) The protest shall include a referral letter written by the contracting officer with information pertaining to the solicitation. The referral letter must include the following information to allow SBA to determine timeliness and standing:

(i) The solicitation number (or an electronic link to or a paper copy of the solicitation).

(ii) The name, address, telephone number, fax number, and email address of the contracting officer.

(iii) Whether the contract was sole-source or set-aside.

(iv) Whether the protestor submitted an offer.

(v) Whether the protested concern was the apparent successful offeror.

(vi) When the protested concern submitted its offer.

(vii) Whether the acquisition was conducted using sealed bid or negotiated procedures.

(viii) The bid opening date, if applicable.

(ix) The date the contracting officer received the protest.

(x) The date the protestor received notification about the apparent successful offeror, if applicable.

(xi) Whether a contract has been awarded.

(g) SBA will notify the protester and the contracting officer of the date SBA received the protest.

(h) *Before SBA decision.* (1) After receiving a protest involving the apparent successful offeror's status as a service-disabled veteran-owned small business concern, the contracting officer shall either—

(i) Withhold award of the contract until SBA determines the status of the protested concern; or

(ii) Award the contract after receipt of the protest but before SBA issues its decision if the contracting officer determines in writing that an award must be made to protect the public interest.

(2) SBA will determine the merits of the status protest within 15 business days after receipt of a protest, or within any extension of time granted by the contracting officer.

(3) If SBA does not issue its determination within 15 business days, or within any extension of time that is granted, the contracting officer may award the contract after determining in writing that there is an immediate need to award the contract and that waiting until SBA makes its determination will be disadvantageous to the government. This determination shall be provided to the SBA's Director, Office of Government Contracting and a copy shall be included in the contract file.

(i) *After SBA decision.* SBA will notify the contracting officer, the protester, and the protested concern of its determination. The determination is effective immediately and is final unless overturned on appeal by SBA's Office of Hearings and Appeals (OHA) pursuant to 13 CFR part 134.

(1) If the contracting officer has withheld contract award and SBA has determined that the protested concern is an eligible SDVOSB or dismissed all protests against the protested concern, the contracting officer may award the contract to the protested concern. If OHA subsequently overturns the SBA Director for Government Contracting's determination or dismissal, the contracting officer may apply the OHA decision to the procurement in question.

(2) If the contracting officer has withheld contract award, SBA has sustained the protest and determined that the concern is not an SDVOSB, and no OHA appeal has been filed, then the contracting officer shall not award the contract to the protested concern.

(3) If the contracting officer has made a written determination in accordance with (h)(1)(ii) or (h)(3) of this section, the contract has been awarded, and SBA's ruling sustaining the protest is received after award—

(i) The contracting officer shall terminate the contract, unless the contracting officer has made a written determination that termination is not in the best interests of the Government. However, the contracting officer shall not exercise any options or award further task or delivery orders;

(ii) The contracting officer shall update the FPDS to reflect the final SBA decision; and

(iii) The concern must remove its designation in the System for Award Management (SAM) as a SDVOSB concern, and shall not submit an offer as a SDVOSB concern, until SBA issues a decision that the ineligibility is resolved.

(4) If the contracting officer has made a written determination in accordance with (h)(1)(ii) or (h)(3) of this section

and awarded the contract to the protested firm, SBA has sustained the protest and determined that the concern is not a SDVOSB, and a timely OHA appeal has been filed, then the contracting officer shall consider whether performance can be suspended until an OHA decision is rendered.

(5) If OHA affirms the SBA Director for Government Contracting's determination finding the protested concern is ineligible—

(i) The contracting officer shall terminate the contract unless the contracting officer has made a written determination that it is not in the best interest of the Government. However, the contracting officer shall not exercise any options or award further task or delivery orders;

(ii) The contracting officer shall update the FPDS to reflect OHA's decision; and

(iii) The concern shall remove its designation in SAM as a SDVOSB concern, until SBA issues a decision that the ineligibility is resolved or OHA finds the concern is eligible on appeal.

(6) A concern found to be ineligible may not submit future offers as an SDVOSB concern until the concern demonstrates to SBA's satisfaction that it has overcome the reason for the protest and SBA issues a decision to this effect.

(j) *Appeals of SDVOSB status determinations.* The protested SDVOSB small business concern, the protester, or the contracting officer may file appeals of protest determinations to OHA. OHA must receive the appeal no later than 10 business days after the date of receipt of the protest determination. SBA will dismiss an untimely appeal. See Subpart E "Rules of Practice for Appeals From Service-Disabled Veteran Owned Small Business Concerns Protests" at 13 CFR 134.501 through 134.515 for SBA's appeals regulations.

(k) *The appeal must be in writing.* The appeal must identify the protest determination being appealed and must set forth a full and specific statement as to why the SDVOSB protest determination is alleged to be based on a clear error of fact or law, together with an argument supporting such allegation.

(l) The party appealing the decision must provide notice of the appeal to—

(1) The contracting officer;

(2) Director, Office of Government Contracting, U.S. Small Business Administration, 409 Third Street, SW., Washington, DC 20416, facsimile 202-205-6390;

(m) OHA will make its decision within 15 business days of the receipt of the appeal, if practicable. SBA will provide a copy of the decision to the contracting officer, the protester, and the protested SDVOSB small business concern. The

OHA decision regarding the status of the concern is final and is binding on the parties.

(1) SBA will consider protests challenging the status of a concern if—

(i) The protest presents evidence that the concern is not at least 51 percent owned and controlled by one or more women who are United States citizens; or

(ii) The protest presents evidence that the concern is not at least 51 percent owned and controlled by one or more economically disadvantaged women, when it is in connection with an EDWOSB contract.

(2) SBA shall consider protests by a contracting officer when the apparent successful offeror has failed to provide all of the required documents, as set forth in [19.1503\(c\)](#).

(3) Assertions that a protested concern is not a EDWOSB or WOSB concern eligible under the WOSB Program, without setting forth specific facts or allegations, will not be considered by SBA (see 13 CFR 127.603(a)).

(e) Protest by an interested party.

(1) An offeror shall submit its protest to the contracting officer—

(i) To be received by the close of business by the fifth business day after bid opening (in sealed bid acquisitions); or

(x) Whether a contract has been awarded.

(g) SBA will notify the protestor and the contracting officer of the date SBA received the protest.

(h) *Before SBA decision.* (1) After receiving a protest involving the apparent successful offeror's status as an EDWOSB or WOSB concern eligible under the WOSB Program, the contracting officer shall either—

(i) Withhold award of the contract until SBA determines the status of the protested concern; or

(ii) Award the contract after receipt of the protest but before SBA issues its decision if the contracting officer determines in writing that an award must be made to protect the public interest.

(2) SBA will determine the merits of the status protest within 15 business days after receipt of a protest, or within any extension of that time granted by the contracting officer.

(3) If SBA does not issue its determination within 15 business days, or within any extension of time granted, the contracting officer may award the contract after determining in writing that there is an immediate need to award the contract and that waiting until SBA makes its determination will be disadvantageous to the Government. This determination shall be provided to the SBA Director for Government Contracting and a copy shall be included in the contract file.

(i) *After SBA decision.* SBA will notify the contracting officer, the protestor, and the protested concern of its determination. The determination is effective immediately and is final unless overturned on appeal by SBA's Office of Hearings and Appeals (OHA) pursuant to 13 CFR part 134.

(1) If the contracting officer has withheld contract award and SBA has denied or dismissed the protest, the contracting officer may award the contract to the protested concern. If OHA subsequently overturns the SBA Director for Government Contracting's determination or dismissal, the contracting officer may apply the OHA decision to the procurement in question.

(2) If the contracting officer has withheld contract award, SBA has sustained the protest and determined that the concern is not eligible under the WOSB Program, and no OHA appeal has been filed, then the contracting officer shall not award the contract to the protested concern.

(3) If the contracting officer has made a written determination in accordance with (h)(1)(ii) or (h)(3) of this section, awarded the contract, and SBA's ruling is received after award, and no OHA appeal has been filed, then—

(i) The contracting officer shall terminate the contract, unless the contracting officer has made a written determination that termination is not in the best interests of the Government. However, the contracting officer shall not exercise any options or award further task or delivery orders;

(ii) The contracting officer shall update the FPDS to reflect the final SBA decision; and

(iii) The concern must remove its designation in the System for Award Management (SAM) as an EDWOSB or WOSB concern eligible under the WOSB Program, and shall not submit an offer as an EDWOSB concern or WOSB concern eligible under the WOSB Program, until SBA issues a decision that the ineligibility is resolved.

(4) If the contracting officer has made a written determination in accordance with (h)(1)(ii) or (h)(3) of this section, contract award has occurred, SBA has sustained the protest and determined that the concern is not eligible under the WOSB Program, and a timely OHA appeal has been filed, then the contracting officer shall consider whether performance can be suspended until an OHA decision is rendered.

(5) If OHA affirms the SBA Director for Government Contracting's determination finding the protested concern is ineligible, then—

(i) The contracting officer shall terminate the contract, unless the contracting officer has made a written determination that termination is not in the best interests of the Government. However, the contracting officer shall not exercise any options or award further task or delivery orders;

(ii) The contracting officer shall update the FPDS to reflect OHA's decision; and

(iii) The concern must remove its designation in SAM as an EDWOSB or WOSB concern eligible under the WOSB Program, and shall not submit an offer as an EDWOSB concern or WOSB concern eligible under the WOSB Program, until SBA issues a decision that the ineligibility is resolved or OHA finds the concern is eligible on appeal.

(j) *Appeals of EDWOSB or WOSB concerns eligible under the WOSB Program status determinations.* (1) The protested EDWOSB concern or WOSB concern eligible under the WOSB program, the protester, or the contracting officer may file an appeal of a WOSB or EDWOSB status protest determination with OHA.

(2) OHA must receive the appeal no later than 10 business days after the date of receipt of the protest determination. SBA will dismiss an untimely appeal.

19.401 General.

(a) The Small Business Act is the authority under which the Small Business Administration (SBA) and agencies consult and cooperate with each other in formulating policies to ensure that small business interests will be recognized and protected.

(b) The Director of Small and Disadvantaged Business Utilization serves as the agency focal point for interfacing with SBA.

19.402 Small Business Administration procurement center representatives.

(a)(1) The SBA may assign one or more procurement center representatives to any contracting activity or contract administration office to carry out SBA policies and programs. The SBA must obtain for its procurement center representatives security clearances required by the contracting agency.

(2) If a SBA procurement center representative is not assigned to the procuring activity or contract administration office, contact the SBA Office of Government Contracting Area Office serving the area in which the procuring activity is located for assistance in carrying out SBA policies and programs. (b) Upon their request and subject to applicable acquisition and security regulations, contracting officers shall give SBA procurement center representatives (or, if a procurement center representative is not assigned, see paragraph (a) of this section) access to all reasonably obtainable contract information that is directly pertinent to their official duties.

(c) The duties assigned by SBA to its procurement center representatives include the following:

(1) Reviewing proposed acquisitions to recommend—

(i) The setting aside of selected acquisitions not unilaterally set aside by the contracting officer;

The recommendation shall be made to the contracting officer within 15 days after receipt of the package.

(3) Recommending concerns for inclusion on a list of concerns to be solicited in a specific acquisition.

(4) Appealing to the chief of the contracting office any contracting officer's determination not to solicit a concern recommended by the SBA for a particular acquisition, when not doing so results in no small business being solicited.

A major procurement center means a procurement center that, in the opinion of the administrator, purchases substantial dollar amounts of other than commercial items, and which has the potential to incur significant savings as a result of the placement of a breakout procurement representative. The SBA breakout procurement center representative is an advocate for (1) the appropriate use of full and open competition, and (2) the breakout of items, when appropriate and while maintaining the integrity of the system in which such items are used. The SBA breakout procurement center representative is in addition to the SBA procurement center representative (see [19.402](#)). When an SBA breakout procurement center representative is assigned, the SBA is required to assign at least two collocated small business technical advisors. (c) The SBA breakout procurement center representative is authorized to—

(1) Attend any provisioning conference or similar evaluation session during which determinations are made as to

whether requirements are to be acquired using other than full and open competition and make recommendations with respect to such requirements to the members of such conference or session;

(2) Review, at any time, restrictions on competition previously imposed on items through acquisition method coding or similar procedures and recommend to personnel of the appropriate activity the prompt reevaluation of such limitations;

(3) Review restrictions on competition arising out of restrictions on the rights of the United States in technical data and, when appropriate, recommend that personnel of the appropriate activity initiate a review of the validity of such an asserted restriction;

(4) Obtain from any governmental source, and make available to personnel of the appropriate center, technical data necessary for the preparation of a competitive solicitation package for any item of supply or service previously acquired noncompetitively due to the unavailability of such technical data;

(5) Have access to procurement records and other data of the procurement center commensurate with the level of such representative's approved security clearance classification;

(6) Receive unsolicited engineering proposals and, when appropriate—

(i) Conduct a value analysis of such proposal to determine whether it, if adopted, will result in lower costs to the United States without substantially impeding legitimate acquisition objectives and forward to personnel of the appropriate center recommendations with respect to such proposal; or

(ii) Forward such proposals without analysis to personnel of the center responsible for reviewing them who shall

furnish the breakout procurement center representative with information regarding the proposal's disposition;

(7) Review the systems that account for the acquisition and management of technical data within the procurement center to ensure that such systems provide the maximum availability and access to data needed for the preparation of offers to sell to the United States those supplies to which such data pertain which potential offerors are entitled to receive;

(8) Appeal the failure by the procurement center to act favorably on any recommendation made pursuant to paragraphs (c)(1) through (7) of this section. Such appeal must be in writing and shall be filed and processed in accordance with the appeal procedures set out at [19.505](#);

(9) Conduct familiarization sessions for contracting officers and other appropriate personnel of the procurement center to which assigned. Such sessions shall acquaint the participants with the duties and objectives of the representative and shall instruct them in the methods designed to further the breakout of items for procurement through full and open competition; and

(10) Prepare and personally deliver an annual briefing and report to the head of the procurement center to which assigned. Such briefing and report shall detail the past and planned activities of the representative and shall contain recommendations for improvement in the operation of the center as may be appropriate. The head of such center shall personally receive the briefing and report and shall, within 60 calendar days after receipt, respond, in writing, to each recommendation made by the representative.

(d) The duties of the SBA small business technical advisors are to assist the SBA breakout procurement center representative in carrying out the activities described in paragraphs (c)(1) through (7) of this section to assist the SBA procurement center representatives (see FAR [19.402](#)).

supplies and/or services required for performance of the contract, contract modification, or subcontract.

19.702 Statutory requirements.

Any contractor receiving a contract for more than the simplified acquisition threshold must agree in the contract that small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns will have the maximum practicable opportunity to participate in contract performance consistent with its efficient performance. It is further the policy of the United States that its prime contractors establish procedures to ensure the timely payment of amounts due pursuant to the terms of their subcontracts with small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns.

(a) Except as stated in paragraph (b) of this section, Section 8(d) of the Small Business Act ([15 U.S.C. 637\(d\)](#)) imposes the following requirements regarding subcontracting with small businesses and small business subcontracting plans:

(1) In negotiated acquisitions, each solicitation of offers to perform a contract or contract modification, that individually is expected to exceed \$650,000 (\$1.5 million for construction) and that has subcontracting possibilities, shall require the apparently successful offeror to submit an acceptable subcontracting plan. If the apparently successful offeror fails to negotiate a subcontracting plan acceptable to the contracting officer within the time limit prescribed by the contracting officer, the offeror will be ineligible for award.

(2) In sealed bidding acquisitions, each invitation for bids to perform a contract or contract modification, that individually is expected to exceed \$650,000 (\$1.5 million for construction) and that has subcontracting possibilities, shall require the bidder selected for award to submit a subcontracting plan. If the selected bidder fails to submit a plan within the time limit prescribed by the contracting officer, the bidder will be ineligible for award.

(b) Subcontracting plans (see paragraphs (a)(1) and (2) of this section) are not required—

- (1) From small business concerns;
- (2) For personal services contracts;

(3) For contracts or contract modifications that will be performed entirely outside of the United States and its outlying areas; or

(4) For modifications to contracts within the general scope of the contract that do not contain the clause at [52.219-8](#), Utilization of Small Business Concerns (or equiva-

lent prior clauses; *e.g.*, contracts awarded before the enactment of Public Law 95-507).

(c) As stated in [15 U.S.C. 637\(d\)\(8\)](#), any contractor or subcontractor failing to comply in good faith with the requirements of the subcontracting plan is in material breach of its contract. Further, [15 U.S.C. 637\(d\)\(4\)\(F\)](#) directs that a contractor's failure to make a good faith effort to comply with the requirements of the subcontracting plan shall result in the imposition of liquidated damages.

(d) As authorized by [15 U.S.C. 637\(d\)\(11\)](#), certain costs incurred by a mentor firm in providing developmental assistance to a protégé firm under the Department of Defense Pilot Mentor-Protégé Program, may be credited as if they were subcontract awards to a protégé firm for the purpose of determining whether the mentor firm attains the applicable goals under any subcontracting plan entered into with any executive agency. However, the mentor-protégé agreement must have been approved by the Director, Small Business Programs of the cognizant DoD military department or defense agency, before developmental assistance costs may be credited against subcontract goals. A list of approved agreements may be obtained at http://www.acq.osd.mil/osbp/mentor_protege/.

19.703 Eligibility requirements for participating in the program.

(a) Except as provided in paragraph (c) of this section, to be eligible as a subcontractor under the program, a concern must represent itself as a small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, or women-owned small business concern.

(1) To represent itself as a small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, or women-owned small business concern, a concern must meet the appropriate definition (see [2.101](#) and [19.001](#)).

(2) In connection with a subcontract, or a requirement for which the apparently successful offeror received an evaluation credit for proposing one or more SDB subcontractors, the contracting officer or the SBA may protest the disadvantaged status of a proposed subcontractor. Such protests will be processed in accordance with 13 CFR 124.1007 through 124.1014. Other interested parties may submit information to the contracting officer or the SBA in an effort to persuade the contracting officer or the SBA to initiate a protest. Such protests, in order to be considered timely, must be submitted to the SBA prior to completion of performance by the intended subcontractor.

(b) A contractor acting in good faith may rely on the written representation of its subcontractor regarding the subcon-

tractor's status as a small business, small disadvantaged business, veteran-owned small business, service-disabled veteran-owned small business, or a women-owned small business concern. The contractor, the contracting officer, or any other interested party can challenge a subcontractor's size status representation by filing a protest, in accordance with 13 CFR 121.1001 through 121.1008. Protests challenging a subcontractor's small disadvantaged business representation must be filed in accordance with 13 CFR 124.1007 through 124.1014.

(c)(1) In accordance with [43 U.S.C. 1626](#), the following procedures apply:

(i) Subcontracts awarded to an ANC or Indian tribe shall be counted towards the subcontracting goals for small business and small disadvantaged business (SDB) concerns, regardless of the size or Small Business Administration certification status of the ANC or Indian tribe.

(ii) Where one or more subcontractors are in the subcontract tier between the prime contractor and the ANC or Indian tribe, the ANC or Indian tribe shall designate the appropriate contractor(s) to count the subcontract towards its small business and small disadvantaged business subcontracting goals.

(A) In most cases, the appropriate contractor is the contractor that awarded the subcontract to the ANC or Indian tribe.

(B) If the ANC or Indian tribe designates more than one contractor to count the subcontract toward its goals, the ANC or Indian tribe shall designate only a portion of the total subcontract award to each contractor. The sum of the amounts designated to various contractors cannot exceed the total value of the subcontract.

(C) The ANC or Indian tribe shall give a copy of the written designation to the contracting officer, the prime contractor, and the subcontractors in between the prime contractor and the ANC or Indian tribe within 30 days of the date of the subcontract award.

(D) If the contracting officer does not receive a copy of the ANC's or the Indian tribe's written designation within 30 days of the subcontract award, the contractor that awarded the subcontract to the ANC or Indian tribe will be considered the designated contractor.

(2) A contractor acting in good faith may rely on the written representation of an ANC or an Indian tribe as to the status of the ANC or Indian tribe unless an interested party challenges its status or the contracting officer has independent reason to question its status. In the event of a challenge of a representation of an ANC or Indian tribe, the interested parties shall follow the procedures at [26.103\(b\)](#) through (e).
