25.000 Scope of part.

This part provides policies and procedures for acquiring foreign supplies, services, and construction materials. It implements the Buy American Act, the Balance of Payments Program, trade agreements, and other laws and regulations.

25.001 General.

(a) The Buy American Act—

(1) Restricts the purchase of supplies, that are not domestic end products, for use within the United States. A foreign end product may be purchased if the contracting officer determines that the price of the lowest domestic offer is unreasonable or if another exception applies (see Subpart 25.1); and

(2) Requires, with some exceptions, the use of only domestic construction materials in contracts for construction in the United States (see Subpart 25.2).

(b) The Balance of Payments Program (see Subpart 25.3) is similar to the Buy American Act in its implementation, except that it applies to the purchase of supplies for use

outside the United States and construction materials for construction contracts performed outside the United States.

(c) The restrictions in the Buy American Act and the Balance of Payments Program are not applicable in acquisitions subject to certain trade agreements (see Subpart 25.4). In these acquisitions, end products and construction materials from certain countries receive nondiscriminatory treatment in evaluation with domestic offers. Generally, the dollar value of the acquisition determines which of the trade agreements applies. Exceptions to the applicability of the trade agreements are described in Subpart 25.4.

(d) The test to determine the country of origin for an end product under the trade agreements is different from the test to determine the country of origin for an end product under the Buy American Act (see the various country “end product” definitions in 25.003). The Buy American Act uses a two-part test to define a “domestic end product”

(manufacture in the United States and a formula based on cost of domestic components). Under the trade agreements, the test to determine country of origin is “substantial transformation” (*i.e.*, transforming an article into a new and different article of commerce, with a name, character, or use distinct from the original article).

(e) On April 22, 1992, the President made a determination under section 305 of the Trade Agreements Act to impose sanctions against some European Union countries for discriminating against U.S. products and services (see Subpart 25.6).

25.002 Applicability of subparts.

25.003 Definitions.

As used in this part—

“Canadian end product” means an article that—

(1) Is wholly the growth, product, or manufacture of Canada; or

(2) In the case of an article that consists in whole or in part of materials from another country, has been substantially transformed in Canada into a new and different article of commerce with a name, character, or use distinct from that of the article or articles from which it was transformed. The term refers to a product offered for purchase under a supply contract, but for purposes of calculating the value of the end product includes services (except transportation services) incidental to the article, provided that the value of those incidental services does not exceed that of the article itself.

“Caribbean Basin country” means any of the following countries: Antigua and Barbuda, Aruba, Bahamas, Barbados, Belize, British Virgin Islands, Costa Rica, Dominica, El Salvador, Grenada, Guatemala, Guyana, Haiti, Jamaica, Montserrat, Netherlands Antilles, Nicaragua, Panama, St. Kitts and Nevis, St. Lucia, St. Vincent and the Grenadines, Trinidad and Tobago.

“Caribbean Basin country end product” means an article that—

(1) Is wholly the growth, product, or manufacture of a Caribbean Basin country; or

(2) In the case of an article that consists in whole or in part of materials from another country, has been substantially transformed in a Caribbean Basin country into a new and different article of commerce with a name, character, or use distinct from that of the article or articles from which it was transformed. The term refers to a product offered for purchase under a supply contract, but for purposes of calculating the value of the end product includes services (except transportation services) incidental to the article, provided that the value of those incidental services does not exceed that of the article itself. The term excludes products that are excluded from duty-free treatment for Caribbean countries under 19 U.S.C. 2703(b), which presently are—

(i) Textiles and apparel articles that are subject to textile agreements;

(ii) Footwear, handbags, luggage, flat goods, work gloves, and leather wearing apparel not designated as eligible articles for the purpose of the Generalized System of Preferences under Title V of the Trade Act of 1974;

(iii) Tuna, prepared or preserved in any manner in airtight containers;

(iv) Petroleum, or any product derived from petroleum; and

(v) Watches and watch parts (including cases, bracelets, and straps) of whatever type including, but not limited to, mechanical, quartz digital, or quartz analog, if such watches or watch parts contain any material that is the product of any country to which the Harmonized Tariff Schedule of the United States (HTSUS) column 2 rates of duty apply.

“Civil aircraft and related articles” means—

(1) All aircraft other than aircraft to be purchased for use by the Department of Defense or the U.S. Coast Guard;

(2) The engines (and parts and components for incorporation into the engines) of these aircraft;

(3) Any other parts, components, and subassemblies for incorporation into the aircraft; and

(4) Any ground flight simulators, and parts and components of these simulators, for use with respect to the aircraft, whether to be used as original or replacement equipment in the manufacture, repair, maintenance, rebuilding, modification, or conversion of the aircraft and without regard to whether the aircraft or articles receive duty-free treatment under section 601(a)(2) of the Trade Agreements Act.

“Construction material” means an article, material, or supply brought to the construction site by a contractor or subcontractor for incorporation into the building or work. The term also includes an item brought to the site preassembled from articles, materials, or supplies. However, emergency life safety systems, such as emergency lighting, fire alarm, and audio evacuation systems, that are discrete systems incorporated into a public building or work and that are produced as complete systems, are evaluated as a single and distinct construction material regardless of when or how the individual parts or components of those systems are delivered to the construction site. Materials purchased directly by the Government are supplies, not construction material.

“Cost of components” means—

(1) For components purchased by the contractor, the acquisition cost, including transportation costs to the place of incorporation into the end product (whether or not such costs are paid to a domestic firm), and any applicable duty (whether or not a duty-free entry certificate is issued); or

(2) For components manufactured by the contractor, all costs associated with the manufacture of the component, including transportation costs as described in paragraph (1) of this definition, plus allocable overhead costs, but excluding profit. Cost of components does not include any costs associated with the manufacture of the end product.

“Customs territory of the United States” means the States, the District of Columbia, and Puerto Rico.

“Designated country” means any of the following countries:

Aruba	Kiribati
Austria	Korea, Republic of
Bangladesh	Lesotho

The term refers to a product offered for purchase under a supply contract, but for purposes of calculating the value of the end product includes services (except transportation services) incidental to the article, provided that the value of those incidental services does not exceed that of the article itself.

“Domestic construction material” means—

(1) An unmanufactured construction material mined or produced in the United States; or

(2) A construction material manufactured in the United States, if the cost of its components mined, produced, or manufactured in the United States exceeds 50 percent of the cost of all its components. Components of

(1) An unmanufactured end product mined or produced in the United States; or

(2) An end product manufactured in the United States, if the cost of its components mined, produced, or manufactured in the United States exceeds 50 percent of the cost of all its components. Components of foreign origin of the same class or kind as those that the agency determines are not mined, produced, or manufactured in sufficient and reasonably available commercial quantities of a satisfactory quality are treated as domestic. Subpart 25.1—Buy American Act—Supplies

25.100 Scope of subpart.

This subpart implements the Buy American Act (41 U.S.C. 10a - 10d) and Executive Order 10582, December 17, 1954. It applies to supplies acquired for use in the United States, including supplies acquired under contracts set aside for small business concerns, if—

(a) The supply contract exceeds the micro-purchase threshold; or

(b) The supply portion of a contract for services that involves the furnishing of supplies (*e.g.*, lease) exceeds the micro-purchase threshold.

25.101 General.

(a) The Buy American Act restricts the purchase of supplies that are not domestic end products. For manufactured end products, the Buy American Act uses a two-part test to define a domestic end product.

(1) The article must be manufactured in the United States; and

(2) The cost of domestic components must exceed 50 percent of the cost of all the components.

(b) The Buy American Act applies to small business set-asides. A manufactured product of a small business concern is a U.S.-made end product, but is not a domestic end product unless it meets the component test in paragraph (a)(2) of this section.

(c) Exceptions that allow the purchase of a foreign end product are listed at 25.103. The unreasonable cost exception is implemented through the use of an evaluation factor applied to low foreign offers that are not eligible offers. The evaluation factor is not used to provide a preference for one foreign offer over another. Evaluation procedures and examples are provided in Subpart 25.5.

25.102 Policy.

Except as provided in 25.103, acquire only domestic end products for public use inside the United States.

25.103 Exceptions.

When one of the following exceptions applies, the contracting officer may acquire a foreign end product without regard to the restrictions of the Buy American Act:

(a) *Public interest.* The head of the agency may make a determination that domestic preference would be inconsistent with the public interest. This exception applies when an agency has an agreement with a foreign government that provides a blanket exception to the Buy American Act.

(b) *Nonavailability.* (1) A nonavailability determination has been made for the articles listed in 25.104.

(2)(i) The head of the contracting activity may make a determination that an article, material, or supply is not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities of a satisfactory quality.

(ii) If the contracting officer considers that the nonavailability of an article is likely to affect future acquisitions, the contracting officer may submit a copy of the determination and supporting documentation to the appropriate council identified in 1.201-1 in accordance with agency procedures, for possible addition to the list in 25.104.

(3) A written determination is not required if all of the following conditions are present:

(i) The acquisition was conducted through use of full and open competition.

(ii) The acquisition was synopsized in accordance with 5.201.

(iii) No offer for a domestic end product was received.

(c) *Unreasonable cost.* The contracting officer may determine that the cost of a domestic end product would be unreasonable, in accordance with 25.105 and Subpart 25.5.

(d) *Resale.* The contracting officer may purchase foreign end products specifically for commissary resale.

(b) The determination in paragraph (a) of this section does not apply if the contracting officer learns before the time designated for receipt of bids in sealed bidding or final offers in negotiation that an article on the list is available domestically in sufficient and reasonably available quantities of a satisfactory quality. The contracting officer must amend the solicitation if purchasing the article, or if purchasing an end product that could contain such an article as a component, and must specify in all new solicitations that the article is available domestically and that offerors and contractors may not treat foreign components of the same class or kind as domestic components. In addition, the contracting officer must submit a copy of supporting documentation to the appropriate council identified in 1.201-1 in accordance with agency procedures, for possible removal of the article from the list.

25.105 Determining reasonableness of cost.

(a) The contracting officer—

(1) Must use the evaluation factors in paragraph (b) of this section unless the head of the agency makes a written determination that the use of higher factors is more appropriate. If the determination applies to all agency acquisitions, the agency evaluation factors must be published in agency regulations; and

(2) Must not apply evaluation factors to offers of eligible products if the acquisition is subject to a trade agreement under Subpart 25.4.

(b) If there is a domestic offer that is not the low offer, and the restrictions of the Buy American Act apply to the low offer, the contracting officer must determine the reasonableness of the cost of the domestic offer by adding to the price of the low offer, inclusive of duty—

(1) 6 percent, if the lowest domestic offer is from a large business concern; or

(2) 12 percent, if the lowest domestic offer is from a small business concern. The contracting officer must use this factor, or another factor established in agency regulations, in small business set-asides if the low offer is from a small business concern offering the product of a small business concern that is not a domestic end product (see Subpart 19.5).

(c) The price of the domestic offer is reasonable if it does not exceed the evaluated price of the low offer after addition of the appropriate evaluation factor in accordance with paragraph (a) or (b) of this section. (See evaluation procedures at Subpart 25.5.)

Subpart 25.2—Buy American Act— Construction Materials

25.200 Scope of subpart.

This subpart implements the Buy American Act (41 U.S.C. 10a - 10d) and Executive Order 10582, December 17, 1954. It applies to contracts for the construction, alteration, or repair of any public building or public work in the United States.

25.201 Policy.

Except as provided in 25.202, use only domestic construction materials in construction contracts performed in the United States.

25.202 Exceptions.

(a) When one of the following exceptions applies, the contracting officer may acquire foreign construction materials without regard to the restrictions of the Buy American Act:

(1) *Impracticable or inconsistent with public interest.* The head of the agency may determine that application of the restrictions of the Buy American Act to a particular construction material would be impracticable or would be inconsistent with the public interest. The public interest exception applies when an agency has an agreement with a foreign government that provides a blanket exception to the Buy American Act.

(2) *Nonavailability.* The head of the contracting activity may determine that a particular construction material is not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities of a satisfactory quality. The determinations of nonavailability of the articles listed at 25.104(a) and the procedures at 25.104(b) also apply if any of those articles are acquired as construction materials.

(3) *Unreasonable cost.* The contracting officer concludes that the cost of domestic construction material is unreasonable in accordance with 25.204.

(b) *Determination and findings.* When a determination is made for any of the reasons stated in this section that certain foreign construction materials may be used, the contracting officer must list the excepted materials in the contract. The agency must make the findings justifying the exception available for public inspection.

(c) *Acquisitions under trade agreements.* For construction contracts with an estimated acquisition value of \$6,909,500 or more, see 25.405. If the acquisition value is \$7,143,000 or more, also see 25.403.

25.203 Preaward determinations.

(a) For any acquisition, an offeror may request from the contracting officer a determination concerning the inapplicability of the Buy American Act for specifically identified construction materials. The time for submitting the request is specified in the solicitation in paragraph (b) of either 52.225-10 or 52.225-12, whichever applies. The information and supporting data that must be included in the request are also specified in the solicitation in paragraphs (c) and (d) of either 52.225-9 or 52.225-11, whichever applies.

(b) Before award, the contracting officer must evaluate all requests based on the information provided and may supplement this information with other readily available information.

25.204 Evaluating offers of foreign construction material.

(a) Offerors proposing to use foreign construction material other than that listed by the Government in the applicable clause at 52.225-9, paragraph (b)(2), or 52.225-11, paragraph (b)(3), or excepted under the Trade Agreements Act or NAFTA (paragraph (b)(2) of 52.225-11), must provide the information required by paragraphs (c) and (d) of the respective clauses.

(b) Unless the head of the agency specifies a higher percentage, the contracting officer must add to the offered price 6 percent of the cost of any foreign construction material proposed for exception from the requirements of the Buy American Act based on the unreasonable cost of domestic construction materials. In the case of a tie, the contracting officer must give preference to an offer that does not include foreign construction material excepted at the request of the offeror on the basis of unreasonable cost.

(c) Offerors also may submit alternate offers based on use of equivalent domestic construction material to avoid possible rejection of the entire offer if the Government determines that an exception permitting use of a particular foreign construction material does not apply.

(d) If the contracting officer awards a contract to an offeror that proposed foreign construction material not listed in the applicable clause in the solicitation (paragraph (b)(2) of 52.225-9, or paragraph (b)(3) of 52.225-11), the contracting officer must add the excepted materials to the list in the contract clause.

25.205 Postaward determinations.

(a) If a contractor requests a determination regarding the inapplicability of the Buy American Act after contract award, the contractor must explain why it could not request the determination before contract award or why the need for such determination otherwise was not reasonably foreseeable. If the contracting officer concludes that the

contractor should have made the request before contract award, the contracting officer may deny the request.

(b) The contracting officer must base evaluation of any request for a determination regarding the inapplicability of the Buy American Act made after contract award on information required by paragraphs (c) and (d) of the applicable clause at 52.225-9 or 52.225-11 and/or other readily available information.

(c) If a determination, under 25.202(a), is made after contract award that an exception to the Buy American Act applies, the contracting officer must negotiate adequate consideration and modify the contract to allow use of the foreign construction material. When the basis for the exception is the unreasonable price of a domestic construction material, adequate consideration is at least the differential established in 25.202(a) or in accordance with agency procedures.

25.206 Noncompliance.

The contracting officer must—

(a) Review allegations of Buy American Act violations;
 (b) Unless fraud is suspected, notify the contractor of the apparent unauthorized use of foreign construction material and request a reply, to include proposed corrective action; and

(c) If the review reveals that a contractor or subcontractor has used foreign construction material without authorization, take appropriate action, including one or more of the following:

(1) Process a determination concerning the inapplicability of the Buy American Act in accordance with 25.205.

(2) Consider requiring the removal and replacement of the unauthorized foreign construction material.

(3) If removal and replacement of foreign construction material incorporated in a building or work would be impracticable, cause undue delay, or otherwise be detrimental to the interests of the Government, the contracting officer may determine in writing that the foreign construction material need not be removed and replaced. A determination to retain foreign construction material does not constitute a determination that an exception to the Buy American Act applies, and this should be stated in the determination. Further, a determination to retain foreign construction material does not affect the Government's right to suspend or debar a contractor, subcontractor, or supplier for violation of the Buy American Act, or to exercise other contractual rights and remedies, such as reducing the contract price or terminating the contract for default.

(4) If the noncompliance is sufficiently serious, consider exercising appropriate contractual remedies, such as terminating the contract for default. Also consider preparing and forwarding a report to the agency suspending

or debarring official in accordance with Subpart 9.4. If the noncompliance appears to be fraudulent, refer the matter to other appropriate agency officials, such as the officer responsible for criminal investigation.

Subpart 25.3—Balance of Payments Program

25.300 Scope of subpart.

This subpart provides policies and procedures implementing the Balance of Payments Program. It applies to contracts for the purchase of supplies for use outside the United States, and contracts for construction, alteration, or repair of any public building or public work outside the United States.

25.301 General.

The Balance of Payments Program restricts the purchase of supplies that are not domestic end products, for use outside the United States, and restricts the use of construction materials that are not domestic, for performance of construction contracts outside the United States. Its restrictions are similar to those of the Buy American Act. It uses the same definitions and evaluation procedures, except that a 50 percent factor generally is used to determine unreasonable cost. Exceptions to the Balance of Payments Program, especially for construction materials, are generally determined prior to solicitation and assignment of contracting responsibility. The contracting officer must identify excepted supplies and construction materials in the contract.

25.302 Policy.

Except as provided in 25.303, acquire only domestic end products for use outside the United States, and use only domestic construction materials for construction, repair, or maintenance of real property outside the United States.

25.303 Exceptions.

A foreign end product may be acquired for use outside the United States, or a foreign construction material may be used in construction outside the United States, without regard to the restrictions of the Balance of Payments Program if—

(a) The estimated cost of the end product does not exceed the simplified acquisition threshold;

(b) The end product or construction material is listed at 25.104, or the head of the contracting activity determines that a requirement—

(1) Can only be filled by a foreign end product or construction material (see 25.103(b));

(2) Is for end products or construction materials that, by their nature or as a practical matter, can only be acquired in the geographic area concerned, *e.g.*, ice or books; or bulk

material, such as sand, gravel, or other soil material, stone, concrete masonry units, or fired brick; or

(3) Is for perishable subsistence products and delivery from the United States would significantly impair their quality at the point of consumption;

(c) The acquisition of foreign end products is required by a treaty or executive agreement between governments;

(d) The end products are—

(1) Petroleum products; or

(2) For commissary resale;

(e) The end products are eligible products subject to the Trade Agreements Act, NAFTA, or the Israeli Trade Act, or the construction material is subject to the Trade Agreements Act or NAFTA;

(f) The cost of the domestic end product or construction material (including transportation and handling costs) exceeds the cost of the foreign end product or construction material by more than 50 percent, or a higher percentage specifically authorized by the head of the agency; or

(g) The head of the agency has determined that it is not in the public interest to apply the restrictions of the Balance of Payments Program to the end product or construction material or that it is impracticable to apply the restrictions of the Balance of Payments Program to the construction material.

25.304 Procedures.

(a) *Solicitation of offers.* The contracting officer must identify, in the solicitation, supplies and construction materials known in advance to be excepted from the procedures of this subpart.

(b) *Evaluation of offers.* The contracting officer must—

(1) Evaluate offers for supplies in accordance with Subpart 25.5; and

(2) Evaluate offers proposing foreign construction material by using the procedures at 25.204, except that a factor of 50 percent or a higher percentage (see 25.303(f)) must be applied to foreign construction material proposed for exception from the requirements of the Balance of Payments Program on the basis of unreasonable cost of domestic construction materials.

(c) *Other procedures for construction.* For construction contracts, the procedures at 25.203, 25.205, and 25.206, for determinations and noncompliance under the Buy American Act, are also applicable to determinations and noncompliance under the Balance of Payments Program.

Subpart 25.4—Trade Agreements

25.400 Scope of subpart.

(a) This subpart provides policies and procedures applicable to acquisitions that are subject to—

(1) The Trade Agreements Act (the Agreement on Government Procurement, as approved by Congress in the Trade Agreements Act of 1979 (19 U.S.C. 2501, *et seq.*), and as amended by the Uruguay Round Agreements Act (Pub. L. 103-465));

(2) The Caribbean Basin Trade Initiative (the determination of the U.S. Trade Representative that end products granted duty-free entry from countries designated by the President as beneficiaries under the Caribbean Basin Economic Recovery Act (19 U.S.C. 2701, *et seq.*), with the exception of the Dominican Republic and Honduras, must be treated as eligible products under the Trade Agreements Act);

(3) NAFTA (the North American Free Trade Agreement, as approved by Congress in the North American Free Trade Agreement Implementation Act of 1993 (19 U.S.C. 3301 note));

(4) The Israeli Trade Act (the U.S.-Israel Free Trade Area Agreement, as approved by Congress in the United States-Israel Free Trade Area Implementation Act of 1985 (19 U.S.C. 2112 note)); or

(5) The Agreement on Trade in Civil Aircraft (U.S. Trade Representative waiver of the Buy American Act for signatories of the Agreement on Trade in Civil Aircraft, as implemented in the Trade Agreements Act of 1979 (19 U.S.C. 2513)).

(b) For application of the trade agreements that are unique to individual agencies, see agency regulations.

25.401 Exceptions.

(a) This subpart does not apply to—

(1) Acquisitions set aside for small businesses;

(2) Acquisitions of arms, ammunition, or war materials, or purchases indispensable for national security or for national defense purposes, including all services purchased in support of military forces located overseas;

(3) Acquisitions of end products for resale;

(4) Acquisitions under Subpart 8.6, Acquisition from Federal Prison Industries, Inc., and Subpart 8.7, Acquisition from Nonprofit Agencies Employing People Who Are Blind or Severely Disabled;

(5) Other acquisitions not using full and open competition, if authorized by Subpart 6.2 or 6.3, when the limitation of competition would preclude use of the procedures of this subpart (but see 6.303-1(d)); or sole source acquisitions justified in accordance with 13.501(a); and

(6) Acquisitions of the following excluded services:

(i) Automatic data processing (ADP) telecommunications and transmission services, except enhanced (*i.e.*, value-added) telecommunications services.

(ii) Research and development.

(iii) Transportation services (including launching services, but not including travel agent services).

(iv) Utility services.

(b)(1) Other services not covered by the Trade Agreements Act are—

(i) Dredging; and

(ii) Management and operation contracts to certain Government or privately owned facilities used for Government purposes, including Federally Funded Research and Development Centers (FFRDCs).

(2) Other services not covered by NAFTA are—

(i) ADP teleprocessing and timesharing services (D305), telecommunications network management services (D316), automated news services, data services or other information services (D317), and other ADP and telecommunications services (D399) (Federal Service Code from the Federal Procurement Data System Product/Service Code Manual indicated in parentheses);

(ii) Operation of all facilities by the Department of Defense, Department of Energy, or the National Aeronautics and Space Administration; and all Government-owned research and development facilities or Government-owned environmental laboratories;

(iii) Maintenance, repair, modification, rebuilding and installation of equipment related to ships; and

(iv) Nonnuclear ship repair.

25.402 General.

The trade agreements waive the applicability of the Buy American Act or the Balance of Payments Program for some foreign supplies and construction materials from certain countries. The Trade Agreements Act and NAFTA specify procurement procedures designed to ensure fairness. The value of the acquisition is a determining factor in the applicability of the trade agreements. When the restrictions of the Buy American Act or the Balance of Payments Program are waived for eligible products, offers of such products (eligible offers) receive equal consideration with domestic offers. Under the Trade Agreements Act, only U.S.-made end products or eligible products may be acquired (also see 25.403(c)). See Subpart 25.5 for evaluation procedures for supply contracts subject to trade agreements.

25.403 Trade Agreements Act.

(a) *General.* The Agreement on Government Procurement of the Trade Agreements Act—

(1) Waives application of the Buy American Act and the Balance of Payments Program to the end products and construction materials of designated countries;

(2) Prohibits discriminatory practices based on foreign ownership;

(3) Restricts purchases to end products identified in 25.403(c);

(4) Requires certain procurement procedures designed to ensure fairness (see 25.408).

(b) *Thresholds.* (1) Except as provided in 25.401, the Trade Agreements Act applies to an acquisition for supplies or services if the estimated value of the acquisition is \$186,000 or more; the Trade Agreements Act applies to an acquisition for construction if the estimated value of the acquisition is \$7,143,000 or more. These dollar thresholds became effective January 1, 1998, and are subject to revision by the U.S. Trade Representative approximately every 2 years (see Executive Order 12260).

(2) To determine whether the Trade Agreements Act applies to the acquisition of products by lease, rental, or lease-purchase contract (including lease-to-ownership, or lease-with-option-to purchase), calculate the estimated acquisition value as follows:

(i) If a fixed-term contract of 12 months or less is contemplated, use the total estimated value of the acquisition.

(ii) If a fixed-term contract of more than 12 months is contemplated, use the total estimated value of the acquisition plus the estimated residual value of the leased equipment at the conclusion of the contemplated term of the contract.

(iii) If an indefinite-term contract is contemplated, use the estimated monthly payment multiplied by the total number of months that ordering would be possible under the proposed contract, *i.e.*, the initial ordering period plus any optional ordering periods.

(iv) If there is any doubt as to the contemplated term of the contract, use the estimated monthly payment multiplied by 48.

(3) The estimated value includes the value of all options.

(4) If, in any 12-month period, recurring or multiple awards for the same type of product or products are anticipated, use the total estimated value of these projected awards to determine whether the Trade Agreements Act applies. Do not divide any acquisition with the intent of reducing the estimated value of the acquisition below the dollar threshold of the Trade Agreements Act.

(c) *Purchase restriction.* (1) In acquisitions subject to the Trade Agreements Act, acquire only U.S.-made end products or eligible products (designated, Caribbean Basin, or NAFTA country end products) unless offers for such end products are either not received or are insufficient to fulfill the requirements.

(2) This restriction does not apply to purchases by the Department of Defense from a country with which it has entered into a reciprocal agreement, as provided in departmental regulations.

25.404 Caribbean Basin Trade Initiative.

Under the Caribbean Basin Trade Initiative, the United States Trade Representative has determined that, for

acquisitions subject to the Trade Agreements Act, Caribbean Basin country end products must be treated as eligible products. This determination is effective until September 30, 2000. The U.S. Trade Representative may extend these dates through a document in the *Federal Register*.

25.405 North American Free Trade Agreement (NAFTA).

(a) An acquisition of supplies is not subject to NAFTA if the estimated value of the acquisition is \$25,000 or less. For acquisitions subject to NAFTA, evaluate offers of NAFTA country end products without regard to the restrictions of the Buy American Act or the Balance of Payments Program, except that for acquisitions with an estimated value of less than \$53,150, only Canadian end products are eligible products. Eligible products from NAFTA countries are entitled to the nondiscriminatory treatment of the Trade Agreements Act. NAFTA does not prohibit the purchase of other foreign end products.

(b) NAFTA applies to construction materials if the estimated value of the construction contract is \$6,909,500 or more.

(c) The procedures in 25.408 apply to the acquisition of NAFTA country services, other than services identified in 25.401. NAFTA country services are services provided by a firm established in a NAFTA country under service contracts with an estimated acquisition value of \$53,150 or more (\$6,909,500 or more for construction).

25.406 Israeli Trade Act.

Acquisitions of supplies by most agencies are subject to the Israeli Trade Act, if the estimated value of the acquisition is \$50,000 or more but does not exceed the Trade Agreements Act threshold for supplies (see 25.403(b)(1)). Agencies other than the Department of Defense, the Department of Energy, the Department of Transportation, the Bureau of Reclamation of the Department of the Interior, the Federal Housing Finance Board, and the Office of Thrift Supervision must evaluate offers of Israeli end products without regard to the restrictions of the Buy American Act or the Balance of Payments Program. The Israeli Trade Act does not prohibit the purchase of other foreign end products.

25.407 Agreement on Trade in Civil Aircraft.

Under the authority of Section 303 of the Trade Agreements Act, the U.S. Trade Representative has waived the Buy American Act for civil aircraft and related articles, that meet the substantial transformation test of the Trade Agreements Act, from countries that are parties to the Agreement on Trade in Civil Aircraft. Those countries are Austria, Belgium, Bulgaria, Canada, Denmark, Egypt,

Finland, France, Germany, Greece, Ireland, Italy, Japan, Luxembourg, Macao, the Netherlands, Norway, Portugal, Romania, Spain, Sweden, Switzerland, and the United Kingdom.

25.408 Procedures.

(a) If the Trade Agreements Act or NAFTA applies (see 25.401), the contracting officer must—

(1) Comply with the requirements of 5.203, Publicizing and response time;

(2) Comply with the requirements of 5.207, Preparation and Transmittal of Synopses, including the appropriate “Numbered Note” (5.207(e)(2)) for contracts that are subject to the Trade Agreements Act;

(3) Not include technical requirements in solicitations solely to preclude the acquisition of eligible products;

(4) Specify in solicitations that offerors must submit offers in the English language and in U.S. dollars (see 52.214-34, Submission of Offers in the English Language, and 52.214-35, Submission of Offers in U.S. Currency, or paragraph (c)(5) of 52.215-1, Instruction to Offerors—Competitive Acquisitions); and

(5) Provide unsuccessful offerors from designated or NAFTA countries notice in accordance with 14.409-1 or 15.503.

(b) See Subpart 25.5 for evaluation procedures and examples.

Subpart 25.5—Evaluating Foreign Offers—Supply Contracts

25.501 General.

The contracting officer—

(a) Must apply the evaluation procedures of this subpart to each line item of an offer unless either the offer or the solicitation specifies evaluation on a group basis (see 25.503);

(b) May rely on the offeror’s certification of end product origin when evaluating a foreign offer;

(c) Must identify and reject offers of end products that are prohibited or sanctioned in accordance with Subparts 25.6 and 25.7; and

(d) Must not use the Buy American Act and Balance of Payments Program evaluation factors prescribed in this subpart to provide a preference for one foreign offer over another foreign offer.

25.502 Application.

(a) Unless otherwise specified in agency regulations, perform the following steps in the order presented:

(1) Eliminate all offers or offerors that are unacceptable for reasons other than price; *e.g.*,

nonresponsive, debarred or suspended, sanctioned (see Subpart 25.6), or a prohibited source (see Subpart 25.7).

(2) Rank the remaining offers by price.

(3) If the solicitation specifies award on the basis of factors in addition to cost or price, apply the evaluation factors as specified in this section and use the evaluated cost or price in determining the offer that represents the best value to the Government.

(b) For acquisitions subject to the Trade Agreements Act (see 25.401 and 25.403(b))—

(1) Consider only offers of U.S.-made, designated country, Caribbean Basin country, or NAFTA country end products, unless no offers of such end products were received;

(2) If the agency gives the same consideration given eligible offers to offers of U.S.-made end products that are not domestic end products, award on the low offer. Otherwise, evaluate in accordance with agency procedures; and

(3) If there were no offers of U.S.-made, designated country, Caribbean Basin country, or NAFTA country end products, make a nonavailability determination (see 25.103(b)(2)) and award on the low offer (see 25.403(c)).

(c) For acquisitions not subject to the Trade Agreements Act, but subject to the Buy American Act or the Balance of Payments Program (NAFTA or the Israeli Trade Act also may apply), the following applies:

(1) If the low offer is a domestic offer or an eligible offer under NAFTA or the Israeli Trade Act, award on that offer.

(2) If the low offer is a noneligible offer and there were no domestic offers (see 25.103(b)(3)), award on the low offer.

(3) If the low offer is a noneligible offer and there is an eligible offer that is lower than the lowest domestic offer, award on the low offer. The Buy American Act and the Balance of Payments Program provide an evaluation preference only for domestic offers.

(4) Otherwise, apply the appropriate evaluation factor provided in 25.105 or 25.304 to the low offer.

(i) If the evaluated price of the low offer remains less than the lowest domestic offer, award on the low offer.

(ii) If the price of the lowest domestic offer is less than the evaluated price of the low offer, award on the lowest domestic offer.

(d) *Ties.* (1) If application of an evaluation factor results in a tie between a domestic offer and a foreign offer, award on the domestic offer.

(2) If no evaluation preference was applied (*i.e.*, offers afforded nondiscriminatory treatment under the Buy American Act or Balance of Payments Program), resolve ties between domestic and foreign offers by a witnessed drawing of lots by an impartial individual.

(3) Resolve ties between foreign offers from small business concerns (under the Buy American Act and Balance of Payments Program, a small business offering a manufactured article that does not meet the definition of “domestic end product” is a foreign offer) or foreign offers from a small business concern and a large business concern in accordance with 14.408-6(a).

25.503 Group offers.

(a) If the solicitation or an offer specifies that award can be made only on a group of line items or on all line items contained in the solicitation or offer, reject the offer—

(1) If any part of the award would consist of sanctioned or prohibited end products (see Subparts 25.6 and 25.7); or

(2) If the Trade Agreements Act applies and any part of the offer consists of items restricted in accordance with 25.403(c).

(b) If an offer restricts award to a group of line items or to all line items contained in the offer, determine for each line item whether to apply an evaluation factor (see 25.504-4, Example 1).

(1) First, evaluate offers that do not specify an award restriction on a line item basis in accordance with 25.502, determining a tentative award pattern by selecting for each line item the offer with the lowest evaluated price.

(2) Evaluate an offer that specifies an award restriction against the offered prices of the tentative award pattern, applying the appropriate evaluation factor on a line item basis.

(3) Compute the total evaluated price for the tentative award pattern and the offer that specified an award restriction.

(4) Unless the total evaluated price of the offer that specified an award restriction is less than the total evaluated price of the tentative award pattern, award based on the tentative award pattern.

(c) If the solicitation specifies that award will be made only on a group of line items or all line items contained in the solicitation, determine the category of end products on the basis of each line item, but determine whether to apply an evaluation factor on the basis of the group of items (see 25.504-4, Example 2).

(1) If the proposed price of domestic end products exceeds 50 percent of the total proposed price of the group, evaluate the entire group as a domestic offer. Evaluate all other groups as foreign offers.

(2) For foreign offers, if the proposed price of domestic end products and eligible products exceeds 50 percent of the total proposed price of the group, evaluate the entire group as an eligible offer.

(3) Apply the evaluation factor to the entire group in accordance with 25.502.

25.504

FEDERAL ACQUISITION REGULATION

25.504 Evaluation examples.

The following examples illustrate the application of the evaluation procedures in 25.502 and 25.503. The examples assume that the contracting officer has eliminated all offers that are unacceptable for reasons other than price or a trade agreement (see 25.502(a)(1)). Although these examples are generally constructed in terms of the Buy American Act, the same evaluation procedures would apply under the Balance of Payments Program. The evaluation factor may change as provided in agency regulations.

25.504-1 Buy American Act/Balance of Payments Program.

(a)(1) Example 1.

Offer A	\$12,000	Domestic end product, small business
Offer B	\$11,700	Domestic end product, small business
Offer C	\$10,000	U.S.-made end product (not domestic), small business

(2) *Analysis:* This acquisition is for end products for use in the United States and is set aside for small business concerns. The Buy American Act applies. Since the acquisition value is less than \$25,000 and the acquisition is set aside, none of the trade agreements apply. Perform the steps in 25.502(a). Offer C is evaluated as a foreign end product because it is the product of a small business, but is not a domestic end product (see 25.502(c)(4)). Since Offer B is a domestic offer, apply the 12 percent factor to Offer C (see 25.105(b)(2)). The resulting evaluated price of \$11,200 remains lower than Offer B. The cost of Offer B is therefore unreasonable (see 25.105(c)). Award on Offer C at \$10,000 (see 25.502(c)(4)(i)).

(b)(1) Example 2.

Offer A	\$110,000	Domestic end product, small business
Offer B	\$107,000	Domestic end product, small business
Offer C	\$102,000	U.S.-made end product (not domestic), small business

(2) *Analysis:* This acquisition is for end products for use outside the United States and is set aside for small business concerns. Since the value of the acquisition exceeds the simplified acquisition threshold, the Balance of Payments Program applies. While the acquisition value exceeds \$25,000, none of the trade agreements apply because the acquisition is set aside. Perform the steps in 25.502(a). Offer C is evaluated as a foreign end product because it is the product of a small business, but is not a domestic end product (see 25.502(c)(4)). After applying the 50 percent factor, the evaluated price of Offer C is

\$153,000. Award on Offer B at \$107,000 (see 25.502(c)(4)(ii)).

25.504-2 Trade Agreements Act/Caribbean Basin Trade Initiative/NAFTA.

Example 1.

Offer A	\$204,000	U.S.-made end product (not domestic)
Offer B	\$203,000	U.S.-made end product (domestic), small business
Offer C	\$200,000	Eligible product
Offer D	\$195,000	Noneligible product (not U.S.-made)

Analysis: Eliminate Offer D because the Trade Agreements Act applies and there is an offer of a U.S.-made or an eligible product (see 25.502(b)(1)). If the agency gives the same consideration given eligible offers to offers of U.S.-made end products that are not domestic offers, it is unnecessary to determine if U.S.-made end products are domestic (large or small business). No further analysis is necessary. Award on the low remaining offer, Offer C (see 25.502(b)(2)).

25.504-3 NAFTA/Israeli Trade Act.

(a) Example 1.

Offer A	\$105,000	Domestic end product, small business
Offer B	\$100,000	Eligible product

Analysis: Since the low offer is an eligible offer, award on the low offer (see 25.502(c)(1)).

(b) Example 2.

Offer A	\$105,000	Eligible product
Offer B	\$103,000	Noneligible product

Analysis: Since the acquisition is not subject to the Trade Agreements Act, the contracting officer can consider the noneligible offer. Since no domestic offer was received, make a nonavailability determination and award on Offer B (see 25.502(c)(2)).

(c) Example 3.

Offer A	\$105,000	Domestic end product, large business
Offer B	\$103,000	Eligible product
Offer C	\$100,000	Noneligible product

Analysis: Since the acquisition is not subject to the Trade Agreements Act, the contracting officer can consider the noneligible offer. Because the eligible offer (Offer B) is lower than the domestic offer (Offer A), no evaluation factor applies to the low offer (Offer C). Award on the low offer (see 25.502(c)(3)).

25.504-4 Group award basis.

Key:

DO = Domestic end product

EL = Eligible product

NEL = Noneligible product

(a) Example 1.

OFFERS			
ITEM	A	B	C
1	DO = \$55,000	EL = \$56,000	NEL = \$50,000
2	NEL = 13,000	EL = 10,000	EL = 13,000
3	NEL = 11,500	DO = 12,000	DO = 10,000
4	NEL = 24,000	EL = 28,000	NEL = 22,000
5	DO = <u>18,000</u>	NEL = <u>10,000</u>	DO = <u>14,000</u>
	\$121,500	\$116,000	\$109,000

Problem: Offeror C specifies all-or-none award. Assume all offerors are large businesses. The Trade Agreements Act does not apply.

Analysis: (see 25.503)

STEP 1: Evaluate Offers A & B before considering Offer C and determine which offer has the lowest evaluated cost for each line item (the tentative award pattern):

Item 1: Low offer A is domestic; select A.

Item 2: Low offer B is eligible; do not apply factor; select B.

Item 3: Low offer A is noneligible and Offer B is a domestic offer. Apply a 6 percent factor to Offer A. The evaluated price of Offer A is higher than Offer B; select B.

Item 4: Low offer A is noneligible. Since neither offer is a domestic offer, no evaluation factor applies; select A.

Item 5: Low offer B is noneligible; apply a 6 percent factor to Offer B. Offer A is still higher than Offer B; select B.

STEP 2: Evaluate Offer C against the tentative award pattern for Offers A and B:

OFFERS			
ITEM	LOW OFFER	TENTATIVE AWARD PATTERN FROM A AND B	C
1	A	DO = \$ 55,000	NEL = \$53,000*
2	B	EL = 10,000	EL = 13,000
3	B	DO = 12,000	DO = 10,000
4	A	NEL = 24,000	EL = 22,000
5	B	NEL = <u>10,600</u> *	DO = <u>14,000</u>
		\$111,600	\$112,000

*Offer + 6 percent.

On a line item basis, apply a factor to any noneligible offer if the other offer for that line item is domestic.

For Item 1, apply a factor to Offer C because Offer A is domestic and the acquisition was not subject to the Trade Agreements Act. The evaluated price of Offer C, Item 1, becomes \$53,000 (\$50,000 plus 6 percent). Apply a factor to Offer B, Item 5, because it is a noneligible product and Offer C is domestic. The evaluated price of Offer B is \$10,600 (\$10,000 plus 6 percent). Evaluate the remaining items without applying a factor.

STEP 3: The tentative unrestricted award pattern from Offers A and B is lower than the evaluated price of Offer C. Award the combination of Offers A and B. Note that if Offer C had not specified all-or-none award, award would be made on Offer C for line items 1, 3, and 4, totaling an award of \$82,000.

FAC 97-15 FEBRUARY 25, 2000

25.504-4

FEDERAL ACQUISITION REGULATION

(b) Example 2.

OFFERS			
ITEM	A	B	C
1	DO = \$50,000	EL = \$50,500	NEL = \$50,000
2	NEL = 10,300	NEL = 10,000	EL = 10,200
3	EL = 20,400	EL = 21,000	NEL = 20,200
4	DO = <u>10,500</u>	DO = <u>10,300</u>	DO = <u>10,400</u>
	\$91,200	\$91,800	\$90,800

Problem: The solicitation specifies award on a group basis. Assume the Buy American Act applies and the acquisition cannot be set aside for small business concerns. All offerors are large businesses.

Analysis: (see 25.503(c))

STEP 1: Determine which of the offers are domestic (see 25.503(c)(1)):

	DOMESTIC %	DETERMINATION
A	60,500/91,200 = 66.3%	Domestic
B	10,300/91,800 = 11.2%	Foreign
C	10,400/90,800 = 11.5%	Foreign

STEP 2: Determine whether foreign offers are eligible or noneligible offers (see 25.503(c)(2)):

	DOMESTIC + ELIGIBLE %	DETERMINATION
A	N/A	Domestic
B	81,800/91,800 = 89.1%	Eligible
C	20,600/90,800 = 22.7%	Noneligible

STEP 3: Determine whether to apply an evaluation factor (see 25.503(c)(3)). The low offer (Offer C) is a foreign offer. There is no eligible offer lower than the domestic offer. Therefore, apply the factor to the low offer. Addition of the 6 percent factor (use 12 percent if Offer A is a small business) to Offer C yields an evaluated price of \$96,248 (\$90,800 + 6 percent). Award on Offer A (see 25.502(c)(4)(ii)). Note that, if Offer A were greater than Offer B, an evaluation factor would not be applied and award would be on Offer C (see 25.502(c)(3)).

Subpart 25.6—Trade Sanctions**25.600 Scope of subpart.**

This subpart implements sanctions imposed by the President pursuant to Section 305(g)(1) of the Trade Agreements Act of 1979 (19 U.S.C. 2515(g)(1)), on European Union (EU) member states that discriminate against U.S. products or services (sanctioned EU member states). This subpart does not apply to contracts for supplies or services awarded and performed outside the United States, or to the Department of Defense. For thresholds unique to individual agencies, see agency regulations.

25.601 Policy.

(a) Except as provided in 25.602, agencies must not award contracts for—

(1) Sanctioned EU country end products with an estimated acquisition value less than \$186,000;

(2) Sanctioned EU country construction with an estimated acquisition value less than \$7,143,000; or

(3) Sanctioned EU country services as follows (Federal Service Code or Category from the Federal Procurement Data System Product/Service Code Manual is indicated in parentheses):

(i) Service contracts regardless of acquisition value for—

(A) All transportation services, including launching services (all V codes, J019, J998, J999, and K019);

(B) Dredging (Y216 and Z216);

(C) Management and operation of certain Government or privately owned facilities used for Government purposes, including federally funded research and development centers (all M codes);

(D) Development, production or coproduction of program material for broadcasting, such as motion pictures (T006 and T016);

(E) Research and development (all A codes);

(F) Airport concessions (S203);

(G) Legal services (R418);

(H) Hotel and restaurant services (S203);

(I) Placement and supply of personnel services (V241 and V251);

(J) Investigation and security services (S206, S211, and R423);

(K) Education and training services (all U codes and R419);

(L) Health and social services (all O and G codes);

(M) Recreational, cultural, and sporting services (G003); or

(N) Telecommunications services (encompassing only voice telephony, telex, radio telephony, paging, and satellite services) (S1, D304, D305, D316, D317, and D399).

(ii) All other service contracts with an estimated acquisition value less than \$186,000.

(b) Determine the applicability of sanction thresholds in the manner provided at 25.403(b).

25.602 Exceptions.

(a) The sanctions in 25.601 do not apply to—

(1) Purchases at or below the simplified acquisition threshold awarded using simplified acquisition procedures;

(2) Total small business set-asides in accordance with 19.502-2;

(3) Contracts in support of U.S. national security interests; or

(4) Contracts for essential spare, repair, or replacement parts not otherwise available from nonsanctioned countries.

(b)(1) The head of the agency, without power of redelegation, may authorize the award of a contract or class of contracts for sanctioned EU country end products, services, and construction, the purchase of which is otherwise prohibited by 25.601(a), if the head of the agency determines that such action is necessary—

(i) In the public interest;

(ii) To avoid the restriction of competition in a manner that would limit the acquisition in question to, or would establish a preference for, the services, articles, materials, or supplies of a single manufacturer or supplier; or

(iii) Because there would be or are an insufficient number of potential or actual offerors to ensure the acquisition of services, articles, materials, or supplies of requisite quality at competitive prices.

(2) When the head of the agency makes a determination in accordance with paragraph (b)(1) of this section, the agency must notify the U.S. Trade Representative within 30 days after contract award.

Subpart 25.7—Prohibited Sources**25.701 Restrictions.**

(a) The Government generally does not acquire supplies or services that cannot be imported lawfully into the United States. Therefore, even for overseas use, agencies and their contractors and subcontractors must not acquire any supplies or services originating from sources within, or that were located in or transported from or through—

(1) Cuba (31 CFR part 515);

(2) Iran (31 CFR part 560);

(3) Iraq (31 CFR part 575);

(4) Libya (31 CFR part 550);

- (5) North Korea (31 CFR part 500); or
- (6) Sudan (31 CFR part 538).

(b) Agencies and their contractors and subcontractors must not acquire any supplies or services from entities controlled by the Government of Iraq or other specially designated nationals (31 CFR Chapter V, Appendix A).

25.702 Source of further information.

Questions concerning the restrictions in 25.701 should be referred to the

Department of the Treasury,
Office of Foreign Assets Control,
Washington, D.C. 20220
(Telephone (202) 622-2520).

Subpart 25.8—Other International Agreements and Coordination

25.801 General.

Treaties and agreements between the United States and foreign governments affect the evaluation of offers from foreign entities and the performance of contracts in foreign countries.

25.802 Procedures.

(a) When placing contracts with contractors located outside the United States, for performance outside the United States, contracting officers must—

(1) Determine the existence and applicability of any international agreements and ensure compliance with these agreements; and

(2) Conduct the necessary advance acquisition planning and coordination between the appropriate U.S. executive agencies and foreign interests as required by these agreements.

(b) The Department of State publishes many international agreements in the “United States Treaties and Other International Agreements” series. Copies of this publication normally are available in overseas legal offices and U.S. diplomatic missions.

(c) Contracting officers must award all contracts with Taiwanese firms or organizations through the American Institute of Taiwan (AIT). AIT is under contract to the Department of State.

Subpart 25.9—Customs and Duties

25.900 Scope of subpart.

This subpart provides policies and procedures for exempting from import duties certain supplies purchased under Government contracts.

25.901 Policy.

United States laws impose duties on foreign supplies imported into the customs territory of the United States. Certain exemptions from these duties are available to Government agencies. Agencies must use these exemptions when the anticipated savings to appropriated funds will outweigh the administrative costs associated with processing required documentation.

25.902 Procedures.

For regulations governing importations and duties, see the Customs Regulations issued by the U.S. Customs Service, Department of the Treasury (19 CFR Chapter 1). Except as provided elsewhere in the Customs Regulations (see 19 CFR 10.100), all shipments of imported supplies purchased under Government contracts are subject to the usual Customs entry and examination requirements. Unless the agency obtains an exemption (see 25.903), those shipments are also subject to duty.

25.903 Exempted supplies.

(a) Subchapters VIII and X of Chapter 98 of the Harmonized Tariff Schedule of the United States (19 U.S.C. 1202) list supplies for which exemptions from duty may be obtained when imported into the customs territory of the United States under a Government contract. For certain of these supplies, the contracting agency must certify to the Commissioner of Customs that they are for the purpose stated in the Harmonized Tariff Schedule (see 19 CFR 10.102-104, 10.114, and 10.121 and 15 CFR part 301 for requirements and formats).

(b) Supplies (excluding equipment) for Government-operated vessels or aircraft may be withdrawn from any customs-bonded warehouse, from continuous customs custody elsewhere than in a bonded warehouse, or from a foreign-trade zone, free of duty and internal revenue tax as provided in 19 U.S.C. 1309 and 1317. The contracting activity must cite this authority on the appropriate customs form when making purchases (see 19 CFR 10.59 - 10.65).

Subpart 25.10—Additional Foreign Acquisition Regulations

25.1001 Waiver of right to examination of records.

(a) *Policy.* The clause at 52.215-2, Audit and Records—Negotiation, prescribed at 15.209(b), and paragraph (d) of the clause at 52.212-5, Contract Terms and Conditions Required to Implement Statutes or Executive Orders—Commercial Items, prescribed at 12.301(b)(4), implement 10 U.S.C. 2313 and 41 U.S.C. 254d. The basic clauses authorize examination of records by the Comptroller General.

(1) Insert the appropriate basic clause, whenever possible, in negotiated contracts with foreign contractors.

(2) The contracting officer may use 52.215-2 with its Alternate III or 52.212-5 with its Alternate I after—

(i) Exhausting all reasonable efforts to include the basic clause;

(ii) Considering factors such as alternate sources of supply, additional cost, and time of delivery; and

(iii) The head of the agency has executed a determination and findings in accordance with paragraph (b) of this section, with the concurrence of the Comptroller General. However, concurrence of the Comptroller General is not required if the contractor is a foreign government or agency thereof or is precluded by the laws of the country involved from making its records available for examination.

(b) *Determination and findings.* The determination and findings must—

(1) Identify the contract and its purpose, and identify if the contract is with a foreign contractor or with a foreign government or an agency of a foreign government;

(2) Describe the efforts to include the basic clause;

(3) State the reasons for the contractor's refusal to include the basic clause;

(4) Describe the price and availability of the supplies or services from the United States and other sources; and

(5) Determine that it will best serve the interest of the United States to use the appropriate alternate clause in paragraph (a)(2) of this section.

25.1002 Use of foreign currency.

(a) Unless an international agreement or the Trade Agreements Act (see 25.408(a)(3)) requires a specific currency, contracting officers must determine whether solicitations for contracts to be entered into and performed outside the United States will require submission of offers in U.S. currency or a specified foreign currency. In unusual circumstances, the contracting officer may permit submission of offers in other than a specified currency.

(b) To ensure a fair evaluation of offers, solicitations generally should require all offers to be priced in the same currency. However, if the solicitation permits submission of offers in other than a specified currency, the contracting officer must convert the offered prices to U.S. currency for evaluation purposes. The contracting officer must use the current market exchange rate from a commonly used source in effect as follows:

(1) For acquisitions conducted using sealed bidding procedures, on the date of bid opening.

(2) For acquisitions conducted using negotiation procedures—

(i) On the date specified for receipt of offers, if award is based on initial offers; otherwise

(ii) On the date specified for receipt of final proposal revisions.

(c) If a contract is priced in foreign currency, the agency must ensure that adequate funds are available to cover currency fluctuations to avoid a violation of the Anti-Deficiency Act (31 U.S.C. 1341, 1342, 1511-1519).

Subpart 25.11—Solicitation Provisions and Contract Clauses

25.1101 Acquisition of supplies.

The following provisions and clauses apply to the acquisition of supplies and the acquisition of services involving the furnishing of supplies.

(a)(1) Insert the clause at 52.225-1, Buy American Act—Balance of Payments Program—Supplies, in solicitations and contracts with a value exceeding \$2,500 but not exceeding \$25,000; and in solicitations and contracts with a value exceeding \$25,000, if none of the clauses prescribed in paragraphs (b) and (c) of this section apply, except if—

(i) The solicitation is restricted to domestic end products in accordance with Subpart 6.3;

(ii) The acquisition is for supplies for use within the United States and an exception to the Buy American Act applies (e.g., nonavailability or public interest); or

(iii) The acquisition is for supplies for use outside the United States and an exception to the Balance of Payments Program applies.

(2) Insert the provision at 52.225-2, Buy American Act—Balance of Payments Program Certificate, in solicitations containing the clause at 52.225-1.

(A) The acquisition is for the acquisition of supplies, or for services involving the furnishing of supplies, for use outside the United States, and the value of the acquisition is less than the simplified acquisition threshold; or

(B) The acquisition is exempt from the North American Free Trade Agreement and the Israeli Trade Act (see 25.401). For acquisitions of agencies not subject to the Israeli Trade Act (see 25.406), see agency regulations.

(ii) If the acquisition value exceeds \$25,000 but is less than \$50,000, use the clause with its Alternate I.

(iii) If the acquisition value is \$50,000 or more but less than \$53,150, use the provision with its Alternate II.

(c)(1) Insert the clause at 52.225-5, Trade Agreements, in solicitations and contracts valued at \$186,000 or more, if the Trade Agreements Act applies (see 25.401 and 25.403) and the agency has determined that the restrictions of the Buy American Act or Balance of Payments Program are not applicable to U.S.-made end products, unless the acquisition is to be awarded and performed outside the United States in support of a contingency operation or a humanitarian or peacekeeping operation and does not exceed the increased simplified acquisition threshold of \$200,000. If the agency has not made such a determination, the contracting officer must follow agency procedures.

(2) Insert the provision at 52.225-6, Trade Agreements Certificate, in solicitations containing the clause at 52.225-5.

(d) Insert the provision at 52.225-7, Waiver of Buy American Act for Civil Aircraft and Related Articles, in solicitations for civil aircraft and related articles (see 25.407), if the acquisition value is less than \$186,000.

(e) Insert the clause at 52.225-8, Duty-Free Entry, in solicitations and contracts for supplies that may be imported into the United States and for which duty-free entry may be obtained in accordance with 25.903(a), if the value of the acquisition—

(1) Exceeds \$100,000; or

(2) Is \$100,000 or less, but the savings from waiving the duty is anticipated to be more than the administrative cost of waiving the duty. When used for acquisitions valued at \$100,000 or less, the contracting officer may modify paragraphs (b)(1) and (i)(2) of the clause to reduce the dollar figure.

25.1102 Acquisition of construction.

(a) Insert the clause at 52.225-9, Buy American Act—Balance of Payments Program—Construction Materials, in solicitations and contracts for construction valued at less than \$6,909,500.

(1) List in paragraph (b)(2) of the clause all foreign construction material excepted from the requirements of the Buy American Act.

(2) If the head of the agency determines that a higher percentage is appropriate, substitute the higher evaluation percentage in paragraph (b)(3)(i) of the clause.

(b)(1) Insert the provision at 52.225-10, Notice of Buy American Act/Balance of Payments Program Requirement—Construction Materials, in solicitations containing the clause at 52.225-9.

(2) If insufficient time is available to process a determination regarding the inapplicability of the Buy American Act or Balance of Payments Program prior to receipt of offers, use the provision with its Alternate I.

(c) Insert the clause at 52.225-11, Buy American Act—Balance of Payments Program—Construction Materials under Trade Agreements, in solicitations and contracts valued at \$6,909,500 or more.

(1) List in paragraph (b)(3) of the clause all foreign construction material excepted from the requirements of the Buy American Act, other than designated country or NAFTA country construction material.

(2) If the head of the agency determines that a higher percentage is appropriate, substitute the higher evaluation percentage in paragraph (b)(4)(i) of the clause.
