

## DECISION MEMORANDUM

TO: Office of Finance, Procurement Staff

FROM: Tracie Hamilton, Acting Senior Procurement Executive

DATE: May 15, 2026

SUBJECT: Federal Acquisition Regulation (FAR) Class Deviation 26-004 for FAR Part 22 in Support of Executive Order on Restoring Common Sense to Federal Procurement

**Purpose:** This memorandum approves a class deviation to Federal Acquisition Regulation Part 22 for purposes of implementing (1) the Federal Acquisition Regulatory Council's Revolutionary FAR Overhaul (RFO) model deviation text to FAR Part 22 and (2) the FAR Council's April 17, 2026 guidance for agency implementation of Executive Order 14398, *Addressing DEI Discrimination by Federal Contractors*.

**Authority:** This class deviation is issued under the authority of Executive Order 14275, Executive Order 14398, 48 CFR 1.4, and RFO FAR 1.304.

**Background:** On April 15, 2025, EO 14275 was signed. Section 2 of the E.O. establishes the policy that the FAR "should only contain provisions required by statute or essential to sound procurement, and any FAR provisions that do not advance these objectives should be removed." In accordance with the Revolutionary FAR Overhaul (RFO) initiative, the FAR is being updated to:

- Remove language that is not required by statute.
- Remove duplicative or outdated language.
- Clarify or provide more plain language.
- Revise the language for the new FAR framework.
- Retain language necessary for governmentwide acquisition standards.

**Summary of Changes:** FAR part 22, Application of Labor Laws to Government Acquisitions, is restructured to align with the stages of the acquisition lifecycle. This reorganization will help acquisition teams apply the labor requirements during the correct stage of the procurement. The part is now shorter, with many sections combined to remove redundancy and duplicative language.

Importantly, the fundamental protections for workers remain the same. For example, contractors are still required to:

- Pay the correct prevailing wages for construction and service work
- Provide safe and sanitary working conditions
- Ensure equal opportunity for veterans
- Pay overtime correctly

Subpart 22.11, “Professional Employee Compensation” was not based on statute. This part, and the provision in 52.222-46, “Evaluation of Compensations for Professional Employees” has been removed.

For information on the rescission of E.O. 14026, see the Department of Labor’s website at <https://www.dol.gov/agencies/whd/government-contracts/eo14026>.

Change	Description
Retained	<ul style="list-style-type: none"> <li>• Subpart 22.7 remains reserved.</li> <li>• Subpart 22.12 remains reserved.</li> <li>• Subpart 22.20 remains reserved.</li> <li>• Numerous <b>provisions and clauses</b> are retained (or remain reserved) with no changes. For readability of this document, all retained provisions and clauses are not listed. <b>Updated and deleted</b> provisions and clauses <b>are listed below</b>.</li> </ul>
Moved/Updated	<ul style="list-style-type: none"> <li>• Section 22.001, “<b>Definitions</b>”, is updated to centralize definitions that were previously scattered throughout the part, make conforming edits to existing definitions to reflect the new part structure, and make other updates to modernize or streamline the definitions as appropriate.               <ul style="list-style-type: none"> <li>○ The definition of “<b>Administrator</b>” is revised to remove the full mailing address.</li> <li>○ The definition of “<b>Normal workweek</b>” is relocated from the former subsection 22.103-1.</li> <li>○ The definition of “<b>Secretary</b>” is relocated from section 22.1601 in order to standardize the term’s usage throughout the part.</li> <li>○ The definition of “<b>Service contract</b>” is updated to align the citations with the changes made to the part.</li> </ul> </li> </ul>

- **All subparts**, unless otherwise noted, are updated and restructured. Content from former sections has been **consolidated and relocated** into new sections that reflect the **acquisition lifecycle (e.g., Presolicitation, Evaluation and Award, Postaward)**.
- Subsection 22.201-1, "General", streamlines the detailed explanatory text from **Executive Order 11755**, which was quoted at length in the former 22.201. The section now simply states that the Executive Order "does not prohibit the contractor... from employing certain persons as stated in paragraph (b) of the clause at 52.222-3, Convict Labor". This change streamlines the regulation by relying on the text of the contract clause itself to provide the specific requirements, rather than repeating them in the FAR text.
- Section 22.401, "Definitions", revises and harmonizes the definition of "**Laborers or mechanics**" with the definition used in Subpart 22.3. The updated definition in this section explicitly includes "firefighters, fireguards, and workmen who perform services in connection with dredging or rock excavation in rivers or harbors" and excludes "any employee employed as a seaman". This creates greater consistency across related subparts.
- Paragraph (d) under subsection 22.402-3, "Construction Wage Rate Requirements Statute" retains the direction (previously at 22.404-2(c)(5)) for contracting officers to **seek assistance from the Administrator of the Wage and Hour Division** in cases of doubt as to the proper application of wage rate schedules. The detailed guidance for selecting the proper schedule of wage rates (e.g., Building, Residential, Highway, Heavy) has been removed.
- Section 22.1303, "Evaluation and Award", under subpart 22.13, "**Equal Opportunity for Veterans**", removes the option to contact VETS-4212 customer support (previously at 22.1304(b)) to verify if a proposed contractor is current with its VETS-4212 Report. Now, contracting officers must query the **VETS-4212 database**.
- The following **provisions and clauses** are updated for clarity, to mirror updates made throughout the part, and/or to update cross references or remove outdated content:
  - 52.222-4 (Clause), Contract Work Hours and Safety Standards—Overtime Compensation
  - 52.222-6 (Clause), Construction Wage Rate Requirements
  - 52.222-11 (Clause), Subcontracts (Labor Standards)
